LIFE in its Fullness

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life” (John 3:16).

Jesus was God's sacrifice for the redemption of the world. I always like to say that if you were the only person on earth, Jesus would still have come to die for you. **Isaiah 53:10** says, “**Yet it pleased the LORD to bruise him; he hath put *him* to grief: when thou shalt make *his* soul an offering for sin, he shall see *his* seed, he shall prolong his days, and the pleasure of the LORD shall prosper in his hand.**”

Jesus humbled Himself unto death for you. **Philippians 2:8** says, “**And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross.**” This understanding is vital because, being a man, He had a will and mind of His own; He could have decided against it, but He chose to do the Father's will (Matthew 26:39&42).

This dispels the idea some have that Jesus was a martyr. Jesus wasn't a martyr; He wasn't crucified for Himself or His beliefs. He was a sacrifice. Jesus bore our sins and became sin on the cross. Thus, when He died, He became the prisoner of Satan in hell.

In **Matthew 12:40**, He said, “**For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth.**” As soon as the righteous demands of justice were satisfied, Jesus was raised from the dead by the glory of the Father (Romans 6:4).

Isaiah 53:11 also says, “**He shall see of the travail of his soul, and shall be satisfied: by his knowledge shall my righteous servant justify many; for he shall bear their iniquities.**”

The fall of the first Adam had given the devil authority over the earth, and the freedom to afflict men and women with sickness and death at will. He had the keys to hell and death. All of God's creation was enslaved under the bondage of the fear of death (Hebrews 2:14-15).

However, Jesus overcame death and Satan, triumphing over all of hell. The Bible says, “**And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it**” (Colossians 2:15).

He rendered the devil helpless and powerless, and took away from him the keys of hell and death (Revelation 1:18). Hallelujah! That's why you should never fear the devil or his demons.

Now, following His triumphant victory, Christ opened the cells of the ancient departed saints in Hades and brought them out (Matthew 27:52-53). Then, an angel descended from heaven, rolled the stone away from the grave, and the Son of man came out victorious! (Matthew 28:2-9)

The Gospel is about the death of Jesus Christ as man's substitute, His burial and resurrection for man's justification, and His ascension for man's glorification. **Romans 4:25** says, “**Who was delivered for our offences, and was raised again for our justification.**”

When Jesus rose from the dead, He was born again; He came out with a new life (Acts 13:33; Hebrews 1:5). Anyone who believes in the Lord Jesus can receive eternal life by believing God raised Him from the dead and confessing His Lordship (Romans 10:9).

This is the reason for healing and divine health. It's the reason sickness or demons can't dwell in your body. Understand that Jesus didn't only come to die for our sins; He also came to give us life in its fullness. We who were crucified with Christ are dead to sin and alive to God. If you are born again, you need not fear death, for it's been defeated by Jesus.

Now, you have the nature of God in you. You're qualified to inherit all the glorious and precious promises in the Word that have come through Christ. Healing and health are yours today. Believe, accept, and make them yours.

Right now, in the Name of our Lord, Jesus Christ, I receive eternal life into my spirit. I am born again!”

HALLMARKS OF THE OCTOBER 2023 HEALING STREAMS LIVE HEALING SERVICES WITH PASTOR CHRIS

The Healing Streams Live Healing Services with Pastor Chris are transformative episodes of the supernatural that have consistently extended God's love and divine presence to billions of people worldwide.

Astounding sights and glorious wonders hallmarked the October 2023 edition of the Healing Streams. With the epochal program broadcast in over 8,130 unique languages, God's healing power flowed freely over the earth, bestowing great joy, solace, recovery, liberation, and virtues beyond measure to attendees connected globally.

Participants gathered in millions of healing centers in every territory on earth and witnessed an incredible move of the Spirit. All were in awe at the breathtaking display of the power in Jesus' Name that propelled broken and diseased bodies out of affliction and despair.

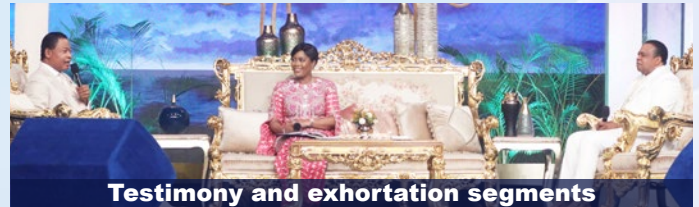

At the commencement of the phenomenal ninth edition of the largest healing crusade, Pastor Deola Phillips, the esteemed Director of the Healing School, delivered an eloquent welcome address. Emphasizing the importance of being prepared to receive throughout the program, she said, "God's answer is His Word and it's coming to you as a swift messenger, bringing God's order to pass. These three days are a set time of healing, miracles, testimonies, and changes in your life. All you need to do is agree with God's thoughts for you. As you do, faith and hope will come alive again, positioning you for every blessing God is bringing you."

Esteemed Pastor Deola Phillips

Senior ministers of the Healing School, Reverend Tom Amenkhienan and Reverend Ray Okocha, joined the Director daily for enlivening sessions. They shared testimonies and exhorted participants with God's Word and in prayers, rousing expectations and readying faith in many hearts.

Speaking on the ever-increasing glory of successive chapters of the Healing Streams, Reverend Tom pointed

Testimony and exhortation segments

out that, "When we say Jesus Christ is the same yesterday, today, and forever, it's not a cliché but a reality! What He did then, He is doing now, and that's a testimony that God's Kingdom is here. Get ready to be healed wherever you are because the healing streams are flowing."

Concurring, Reverend Ray affirmed thus: "You may be looking around and wondering who God is going to heal. He is going to heal you. Only believe and watch your faith work wonders."

Evangelist Dr. Eddy Owase, also a senior Healing School minister and the renowned host of "Real Miracles Today", took the stage and interviewed testifiers from past healing services as they recounted their miracles and the joyful realities of their newfound lives in Christ.

"It is important you know what God is doing in your day and time, how real, close, and interested He is in your life. This is the reason we share stories, testimonies, and victories of those whose lives have changed through the miracle-working power of God," Evang. Eddy stated.

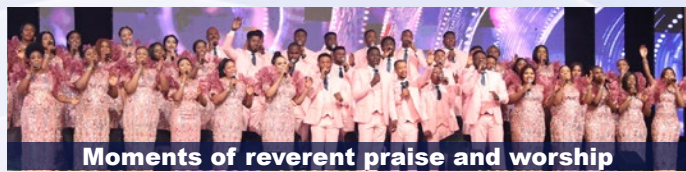

Elina from Kyrgyzstan, testifying.

Elina from Kyrgyzstan, a 52-year-old cab driver, faced a traumatic accident in March 2023. In the aftermath, she tried to move on with her life but struggled with pain and limitations. She sought divine intervention and discovered the Healing Streams. She tells her story: "After the accident, I was rushed to a hospital and diagnosed with a brain concussion. I got several medications to take daily but they didn't work. I couldn't work again and life was difficult for me. While participating in the Live Healing Services, Pastor Chris ministered to the sick and I felt the power of God go through my body. Instantly, all the

dizziness and weakness left my body. I was healed. As the days passed, I got stronger and stronger. I can do my house chores and I've resumed my cab business. I can drive now. Thank you, Lord Jesus."

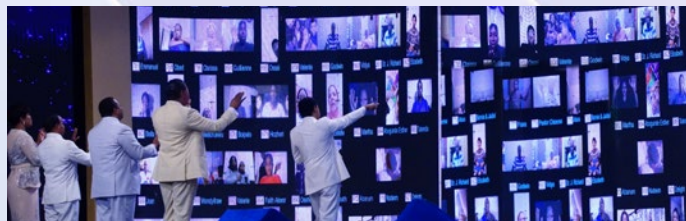

Moments of reverent praise and worship

Reverent praise and worship went to God as Loveworld Singers led in Spirit-filled songs. Amidst a charged atmosphere, the man of God, Pastor Chris, arrived, aglow with the power of the Spirit and full of love.

Addressing those in the global congregation who eagerly awaited their miracles, Pastor Chris said, *"The Lord loves us so much and He's given us everything. Best of all, He gave us His Name. In His Name, we can do anything."*

Wielding the power of Jesus' Name, Pastor Chris cast out devils, healed the sick, and eradicated darkness and diseases; first from those on the healing lines, and then to all who were connected from everywhere.

In no time at all, the airwaves reverberated with praises to God as people realized they were free from the shackles of sickness. Joyfully, they demonstrated their newfound strength and abilities to the wonder of many.

Ministering the Word, the man of God expounded on the personage of Jesus Christ, the glory bestowed on Him after His resurrection, the infiniteness of His power, and His ability and willingness to heal any and every one.

Backing his message with several scriptural references, Pastor Chris expounded thus: *"Jesus said if you ask anything in His Name, He will do it (John 14:12). Not even the greatest monarch of any part of the world can say that. Jesus came to testify to the truth that God loves us. He came to prove it and even the miracles you have seen are proof positive that God loves us."*

Indeed, the power of God wrought so many awesome miracles. Throughout the program, praise reports flowed in from all countries and territories. The senior ministers gleefully read and showed amazing testimonies of the lame walking, the blind seeing, the deaf hearing, and countless ailments alleviated.

This was only a foretaste, and accounts of the wondrous deeds recorded during the three-day event are still flooding in from all over the world.

HALLMARKS OF THE OCTOBER 2023 HEALING STREAMS LIVE HEALING SERVICES WITH PASTOR CHRIS

Bobbie from Australia suffered from a host of conditions that made life a bleak affair for over a decade. Daily, she battled the pains, limitations, and traumas of living with chronic obstructive pulmonary disease, diabetes mellitus, lung cancer, hernia, and asthma. In 2021, part of her lungs were removed, which set off a whole new set of health challenges to her already battered body.

Most days, she struggled to maintain consciousness due to chronic fatigue. She was in excruciating pain and discomfort until news of the Live Healing Services reached her. Bobbie seized the divine lifeline given and promptly registered for the program.

Bobbie received her healing when Pastor Chris called out her name and ministered to her, commanding the devil of darkness to leave her body. Overjoyed, Bobbie enthuses: *“I can do everything now! I get up in the morning and I have so much energy. I do all the house chores and I go a full day without exhaustion. I don’t feel sick or tired and I’m no longer in pain. I am just so grateful. I can dream again, dreams like going back to school, learning new things, and more. This miracle has brought freedom to my life.”*

Pastor Samuel from the Fiji Islands

43-year-old **Pastor Samuel from the Fiji Islands** loved fishing. But one day early in 2023, he discovered blisters on his right leg after a fishing trip. Within a short while, the seemingly harmless blisters became painful sores that spread to other parts of the leg. This eventually made it difficult for him to walk and he was soon bedridden.

The situation lingered for months until information about the Live Healing Services revived his faith. Pastor Samuel’s moment of change came when Pastor Chris ministered to the sick, dismissing demons of affliction and rebuking sickness from as many as had been plagued.

Pastor Samuel narrates his experience: *“When the blisters showed up, I dipped my leg into seawater and used herbal medicine, but there was no improvement. To move about, I had to crawl or lean on someone.*

“When Pastor Chris proclaimed divine healing in Jesus’ Name, I placed my phone under my leg and saw a dark cloud rush out of my foot. All of a sudden, I felt light. I stood, walked, and shouted for joy, knowing that I was healed, delivered, and set free! A few days later, the blisters dried up. The sores are gone forever.” Hallelujah!

In September 2019, **Liza from China** was busy searching for something in her kitchen when she suddenly couldn't move anymore. She lay on the floor, immobile, until someone found her and took her to the hospital.

Once there, the doctors confirmed that she had suffered a stroke. Consequently, the right side of her body was paralyzed. Liza was discharged from the hospital after 21 days, but she never fully recovered. The toll of coping with this condition created new injuries and symptoms. She sustained an injury to her knee (torn meniscus), and the pain was so unbearable that she was forced to resort to a wheelchair for mobility.

Liza became dependent on others for the most essential things. Every effort to remedy the situation failed until this edition of the Live Healing Services. As Pastor Chris ministered, Liza suddenly realized that the excruciating pain in both knees was gone. She says, *"I jumped up and, till today, the pain has never returned. I got a miracle that day. Now, I can walk as long as I want without any aid. There is no more pain and I can engage in all kinds of activities that were impossible for me before. Thank you, Lord Jesus!"*

Liza from China

In the final moments of the October 2023 edition of the Healing Streams Live Healing Services with Pastor Chris, the man of God led many all over the world to salvation in Christ Jesus.

He heartily greeted visiting ministers from several countries and specially invited them to pray for the nations of the world. As they declared peace and righteousness over the countries and continents, the grace of God multiplied over the peoples of the earth. What a blessed time indeed!

Praying for families, especially the children, Pastor Chris blessed all with prosperity and divine health, proclaiming God's unending blessings on all participants at that hour. None who participated were left untouched, and the marvelous deeds of God Almighty at this extraordinary fete of feats will be sung and noised abroad in all nations, now and always. Amen.

It's time to go again! Time for another chapter that will be stamped in the annals of history as the most epic healing crusade yet.

From Friday the 15th to Sunday the 17th of March 2024, billions of lives will be impacted and transformed at the tenth edition of the Healing Streams Live Healing Services with Pastor Chris. The power of God will deliver many from darkness into the glorious light of life in Christ Jesus.

HEALING to the NATIONS TESTIMONIES

RESTORED TO LIFE FROM THE DEAD

Faith Afuma's incredible story of divine intervention is a powerful testament to the Lord's limitless power. Saturday, the 28th of October 2023, will forever be etched in her memory as the day she was delivered from death and given new life. It was the second day of the October 2023 Healing Streams Live Healing Services with Pastor Chris and she would have a miraculous experience.

Earlier that day, Faith woke up feeling famished and went out in search of food. When she couldn't find what she needed, she went to a relative's house and took a nap. A few hours passed and someone went to wake her. Upon discovering her lifeless body, an alarm was raised.

All of this happened close to a Healing Streams healing center. Collins, the healing center manager, recounts the events from when he received word of Faith's condition. He says, *"I was called and I rushed there. Upon arrival, I noticed people making arrangements to take her to the hospital, saying she was dead. I checked her and she was cold and stiff. She was gone."*

Without hesitation or delay, Collins led everyone present to pray and declare life for Faith. *"As we prayed, I remembered the Healing to the Nations Magazine that is doing miracles, and I said that our case would not be different. I sent someone to get a copy from my car and I placed it on her chest. We continued praying and, less than five minutes later, Faith came back to life and opened her eyes!"*

Faith recounts her experience. *"Three people appeared before me,"* she recalls. *"They handed me a rope, which I grasped tightly as they began pulling me toward a beautiful tree laden with fruits. They invited me to eat of its bounty whenever I pleased. Then, the people disappeared. Not long after, I came out of this state and found myself surrounded by people. I realized that I had been in another realm. I saw the people praying around me and I joined them to pray. I am so glad for this miracle and I am confident that the Lord is perfecting that which He has started in my life."*

Overwhelmed with gratitude upon awakening from what seemed like certain death, Faith encourages anyone seeking divine intervention to place their trust in God. *"There is nothing that God cannot do, nothing is impossible unto Him,"* she remarks.

Partnership TESTIMONIES

FINALLY HEALED!

I finally received my healing from the yeast infection (candida albicans) that so destabilized me for four long years. The condition affected me mentally, so much that I withdrew from people. Physically, I was in pain. Many sores around my thighs made walking difficult for me. I had to shower three times every day to deal with the itching, smell, and discomfort from the discharge.

But God who wants me to be in perfect health finally restored health to my body as a result of the Healing Streams. He has taken away every infirmity. This miracle happened while I was in a church service recently. A call was made for us to partner financially with the Healing Streams, which would take place in October. The moment I dropped that seed, the itching stopped. The bad discharges stopped. By morning the next day, the sores had cleared. I haven't experienced any odd feelings or discomfort since then. I'm so elated! God bless Pastor Chris. Thank you, sir, for the opportunity of partnership!

Don't LOOK AT SCREENS IN THE DARK

Every day, you are surrounded by amazing technology that enables you to work, learn, play, and connect with others in ways that were once impossible. This has led to new ways of living, working, and earning, and the possibilities are endless.

However, with the advent of a technology-driven world with digital screens everywhere, gazing at them excessively has become a norm. From using mobile devices and laptops/desktops, looking at screens while walking to watching the news or your favorite movies on TV, and staring at LED screens on various gadgets and devices, the average person spends about seven hours looking at screens. This average gets to as much as 15 hours daily for gamers, creatives, administrators, programmers, CCTV operators, and others who need computers for work.

Digital devices emit blue light, a high-energy light that can be harmful to the eyes with prolonged exposure, and has been known to cause dry eyes, blurry vision, teary or watery eyes, migraine headaches, anxiety, and even loss of vision. Additionally, blue light exposure suppresses the production of melatonin – the hormone that regulates sleep cycles – and may cause poor sleep patterns and increase the risk of conditions like obesity, heart disease, stroke, and depression.

The harmful effects of exposure to blue light are multiplied when it happens in the dark. Some studies show that staring at your phone in the dark for as little as 30 minutes may cause irreversible macular degeneration. So, while it's convenient to use your phone under the sheets or create an ambiance with the lights off or dimmed as you watch TV late at night, one must be mindful of what effects these choices may have on the body.

Avoid using screens in dark places as much as possible, and consider these tips to help you reduce screen time overall.

- **Set reminders to give your eyes a break.** Practice the 20-20-20 rule: every 20 minutes, look away from all screens and focus on an object 20 feet away for 20 seconds. This helps to refresh the eyes and improve focus. You can set reminders on your devices for

this exercise every day. Another exercise is to learn to blink often. This lubricates and cleans your eyes with tears, and protects against bright light, dust, and other irritants.

- **Tone down the glare.** Nearly all communications devices have an in-built adaptive brightness feature that automatically reduces the intensity of light it emits, depending on the amount of light in the environment. You can also use the blue light filter or eye protection setting to reduce blue light emission and eye strain.
- **Use blue-light-blocking glasses and/or screen protectors.** These filter out harmful blue light while allowing other wavelengths to pass through. By wearing these glasses or applying a screen protector, you reduce your exposure to blue light and protect your eyes.
- **Use Nighttime Settings:** Nowadays, many electronic devices also have a “night mode” option that reduces blue light at the set time, thus protecting your eyes from potential damage and promoting better sleep. Stay away from all digital devices (computers, cell phones, etc.) at least one hour before bedtime.
- **Keep A Healthy Distance:** For all screens, maintain an efficient distance that is comfortable for your eyes. For instance, consider keeping your mobile device at arm's length and place your computer at an angle that makes you look downward to see it.
- **Work in a well-lit room:** Forcing your eyes to constantly adjust to varying degrees of brightness can cause strain. By properly lighting up the room, you eliminate that discomfort and prevent eye fatigue.

Also, remember to continuously speak God's Word to your body. Drink a lot of water, eat healthy, and exercise. These work wonders for your overall health and your eyes.

Faith's PROCLAMATIONS OF HEALING & HEALTH

“Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth” (Philippians 2:9-10).

There is power in the Name of Jesus. His Name gives us absolute mastery over the devil, and over all sickness and infirmity. What God's people need is to understand the power behind the Name and how to apply it. You can begin today to make demands in the Name of Jesus.

Talk to your body and tell it how you want it to function; it will comply! Remember that Jesus spoke to a tree, to the winds and the waves, and even to corpses, proving that everything God made has intelligence. Your body and the circumstances around you have intelligence, so speak to them today in the Name of Jesus!

CONFESSIONS

Thank You, dear Father, for the all-powerful and all-conquering Name of Jesus. In His Name, I overcome sickness, disease, death, and every circumstance that is inconsistent with the glorious life you have given me. Sickness is subject to me because I live and function in the Name of Jesus.

My body does not accommodate sickness or infirmity. I am enjoying life every day in divine health and prosperity; nothing is missing or lacking in me. I belong to God and I only express His virtues because I've been perfected for His glory. Hallelujah!

The Spirit of the Lord is upon me and in me, causing life to spring forth from me. Everywhere I go bubbles with life and joy because I'm a God-carrying vessel. I carry eternal life and when I lay hands on the sick, they recover.

All praise be to the Lord God! I thank God for perfecting my health and all that concerns me. I am not the one seeking deliverance or healing anymore because the Lord has delivered me from death and blessed me with divine life.

Thank You, heavenly Father, for You have satisfied me with all the beautiful things of life. I am bursting forth in health always and everyone around me is a partaker of the blessings of God upon my life. For this, I am forever grateful to You, Lord.

I have been raised together with Christ, and called to live in heavenly realms; therefore, I exercise authority over the devil and his cohorts. No fiery darts from the enemy

can penetrate my body and no symptoms of sickness can thrive in my body because I am God's sanctuary.

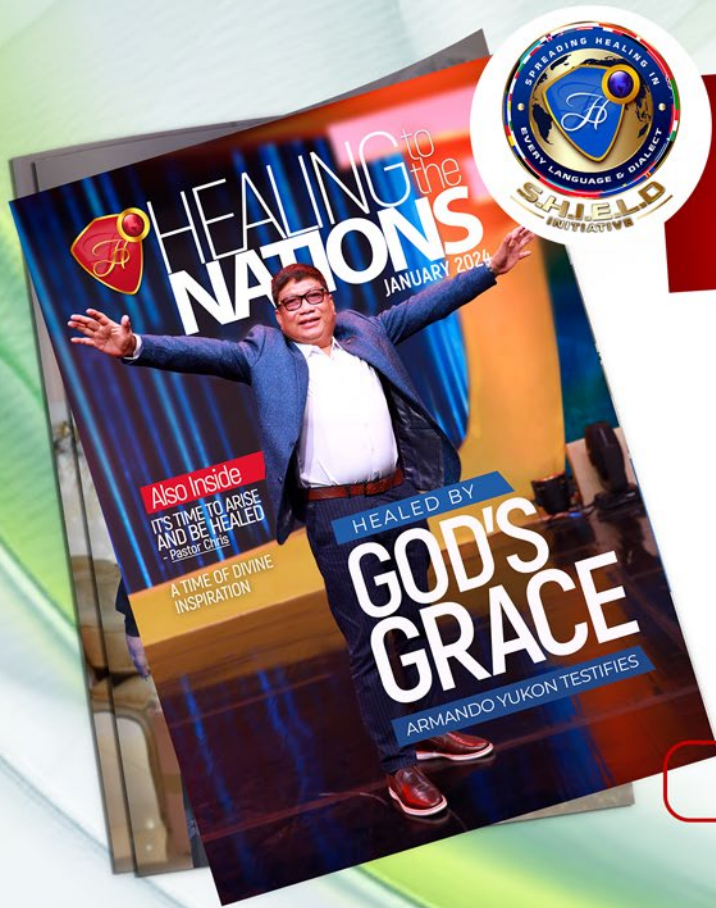

Divine health is my nature! I do not get sick. My life is hid with Christ in God; therefore, nothing can hurt me or make me sick. My physical body is strengthened every day by the vitalizing power of that same Spirit that raised the Lord Jesus from the dead. Glory to God!

I have the life of Christ. That life makes me indestructible and impervious to sickness. Divine life and unfailing health and strength are at work in every fiber of my being, in every cell of my blood, and in every bone of my body! My body is invigorated by the Spirit of God who lives in me.

Christ is the glory of my life; therefore, sickness and death cannot be part of my life. Nothing can attack me or come against me successfully, for I am surrounded by an innumerable company of angels. My health, finances, and family are preserved by God's Spirit.

I am born of God; therefore, I have the life of God. I walk in divine health always because my entire being is powered by the resurrection life in Christ Jesus. The fullness of God is tabernacled in my spirit, soul, and body, and is expressed in me today and always.

Eternal life is at work in me. I am a carrier of divinity. The fullness of the Godhead dwells in me bodily. I live life in its fullness and I dispense virtues of healing and health to my world every day. Every day of my life is full of God's glory, beauty, excellence, and grace. What a delight!
