# IT'S TIME TO ARISE AND BE HEALED

**“The Spirit of the Lord *is* upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord. And he began to say unto them, This day is this scripture fulfilled in your ears” (Luke 4:18-19,21).**

One Sabbath day, Jesus went into the synagogue, and when the scroll was given to Him to read, He found the above portion of Scripture. Through this declaration, the Lord Jesus made it clear that He was the One sent by God to bring salvation to the world. He didn't come to this world like every other person.

1 John 3:8b says, **“For this purpose the Son of God was manifested, that he might destroy the works of the devil.”** And He fulfilled this purpose when He died on the Cross as a sacrifice for all men.

On one occasion, a leper came to Jesus and said, **“Lord, if thou wilt, thou canst make me clean” (Matthew 8:2).** Jesus reached out His hand and touched him, saying, **“I will; be thou clean” (Matthew 8:3).** Jesus told the man He was willing to heal him and demonstrated His willingness by doing it.

That was the will of God in demonstration because Jesus only did God's will. In **John 6:38**, He said, **“For I came down from heaven, not to do mine own will, but the will of him that sent me.”**

**John 5:19 (ESV)** also says, **“...the Son can do nothing of his own accord, but only what he sees the Father doing. For whatever the Father does, that the Son does likewise.”**

This clearly shows that healing is God's delight, particularly as biblical accounts reveal that the greater percentage of Jesus' ministry on earth was given to healing the sick.

Of Jesus, the Bible says, **“And his fame went throughout all Syria: and they brought unto him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatick, and those that had the palsy; and he healed them” (Matthew 4:24).**

God wants you well and He's done everything necessary for you to enjoy perfect health daily. Jesus has paid it all, so you don't have to suffer anymore.

Now is the time for you to rise from that place of limitation and bondage and be healed. Refuse to be intimidated by the symptoms you may feel in your body. They are not real. Reality is what God's Word says.

Even when it feels like your whole body has been broken by sickness, you can insist on the reality of all that Christ accomplished for you through His death, burial, and resurrection.

Through Christ's sacrificial death and His subsequent resurrection, it has become possible for everyone to enjoy a life free of sickness and infirmity. This is God's purpose and desire – for everyone to live a balanced, healthy, and prosperous life always.

**3 John 1:2** says, **“Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.”** Look beyond the pain and enjoy the grace of healing that Christ made possible for you. This is God's will for you!

# GOD'S GRACE

ARMANDO YUKON TESTIFIES

Sickness disrupts life's rhythm, replacing joy with pain and energy with exhaustion. Its impact extends beyond the physical, affecting emotional well-being and straining relationships.

But we thank the Lord for the Healing Streams Live Healing Services with Pastor Chris, a fountain of hope where God's inexhaustible grace and power heal the sick and cause supernatural transformation in the lives of those who participate. Over the years, many have attended the healing services physically and remotely. They come in search of solutions to myriads of conditions and the results afterward attest to one incontestable truth: Jesus is the same yesterday, today, and forever.

One of such transformative encounters is the story of 62-year-old Armando Yukon, a Filipino living in the United Arab Emirates. In 2019, Armando's life took a drastic turn when what began as a mild discomfort escalated into excruciating pain in his back. A visit to the hospital revealed the alarming diagnosis of multiple myeloma and chronic kidney failure. This sudden revelation plunged him into a challenging chapter, altering the course of his life.

Armando begins, *"My nightmare started when I was diagnosed with multiple myeloma, a kind of blood cancer. This disease caused issues and complications in other organs of my body. My kidneys were affected so badly that both of them were not functioning.*

*"My oncologist referred me to a nephrologist who confirmed that I had end-stage kidney disease. He further emphasized that the only way to survive in this condition was to undergo dialysis three times a week, coupled with chemotherapy twice weekly."*

Undergoing such harsh treatments had a toll on Armando's body as several discomforting side effects showed up, including fatigue, nausea, insomnia, itchy skin, and frequent dizziness. But his situation would yet worsen with further complications arising out of nowhere.

Armando during a dialysis session

*“My bones became brittle and my spine was affected also. I was referred to another specialist who examined me and uncovered that there were multiple fractures in my lumbar spine. I was in great pain daily. Getting out of bed had to be done slowly to prevent my spine from collapsing. Walking a distance as short as ten meters was unbearable,” Armando reports.*

These conditions left him incapacitated and took away his happiness. Life was bleak for Armando and his dreams came crashing down as there seemed to be no hope.

Armando’s despair was dispelled and clarity came when he heard the announcement of the March 2022 Healing Streams Live Healing Services with Pastor Chris. The miracles and testimonies from this healing crusade sparked faith in his heart and kindled hope for supernatural intervention.

*“When I heard about the Healing Streams, I said to myself, “This is the time, this is my moment.” On the 17th of March 2022, I participated in the program in one of the healing centers in Abu Dhabi,” Armando narrates.*

*“The healing service progressed and got to the special segment where people testified of awesome miracles from past editions. I immediately beckoned on one of the deacons in the Church who was with us and told him, “I want to also sit there and testify.” Nothing had happened to me yet but I already claimed that I would be next in line to share my testimony.”*

The moment Armando most looked forward to came when Pastor Chris arrived, ushering in the calm assurance that miracles would transcend every boundary and hopes would become reality. Armando’s faith was affirmed as he listened to the Word while the man of God ministered, and the result was an amazing miracle.

Armando recounts the next series of events, *“As Pastor Chris ministered, I listened attentively to everything he*

*said. When he started praying for the global audience, I moved quickly toward the screen. Then, he instructed us to do what we couldn’t do before and I knew something had happened in my body. The pain disappeared instantly! I stood up and started dancing and jumping. This was what I had been told I couldn’t do. I was healed!”*

This unforgettable experience gave Armando a new lease on life. It’s been over a year and he hasn’t undergone another dialysis session. He is happy and joyous and eagerly tells everyone what the Lord has done for him.

*“By God’s grace, I received a miracle that I had awaited for so long. Praise the Lord. Now, I am healed. The pain is all gone and I can do the things I couldn’t do before. I can walk long distances and do exercises now. No more dialysis. Even the doctors and nurses were astonished. This is amazing grace!” he says.*

**“By God’s grace, I received a miracle that I had awaited for so long. Now, I am healed. The pain is all gone and I can do the things I couldn’t do before.”**

Full of gratitude to partners of the Healing School, Armando says, *“Thank you, partners. You are helping a lot of people. Thank you for bringing healing to all the nations of the world. Pastor Chris, you are a man after God’s heart. I thank you.”*

To anyone needing a miracle, Armando’s parting words instill expectations: *“Brothers and sisters, there is a glorious hope. Wherever you are in this world, the Healing Streams can reach you and bring your miracle!”*

# A Time of Inspiration

The Healing to the Nations Live program is a divine appointment with destiny. A time ordained by God for many to experience the supernatural, and to receive inspiration and grace for greater exploits with the Healing to the Nations mandate, through which God's liquid love is lavishly expressed to the sick all over the world.

The last edition that was held in January 2023 saw the participation of Healing School partners worldwide through online connections and in various centers. The 24-hour program showcased special segments where ministers and partners shared insights and praise reports. Beneficiaries from Healing School's outreaches and programs were also present to share their exciting stories.

Following a time of worship in songs, Pastor Deola Phillips, director of the Healing School, graciously extended a warm welcome to the global audience. Citing the Scripture in Psalms 67:2, she intimated that the Lord has blessed the partners of the Healing School to cause His will and saving power to be known in all the earth. *"Today is a special day for us as we celebrate our partners and our impact. It's a special day for you to join the workforce of those who are sponsoring healing to the nations. Get ready to be celebrated and to do more,"* she said.

In a special panel discussion, Pastor Deola and other ministers delved into stimulating conversations on the tremendous, multi-faceted impact of the Healing School.

Pastor Lekan Balogun spoke about his church's involvement in the use and distribution of Healing to the Nations Magazine, as well as the organization of healing outreaches. *"We are going to nations unhindered, taking the Gospel to the ends of the earth,"* he remarked.

He described the magazine as an amazing tool for ministering healing and salvation and proceeded to share various testimonies and impact reports that followed such outreaches. One of them is the testimony of a woman who couldn't move her hand for a long time. After the magazine was placed on her hand by a member of the outreach team, she began to move her hand freely.

While sharing the revolutionary impact of the Healing to the Nations mandate in his life and ministry, Pastor Choolwe Choolwe of Gospel Envoys Church in Zambia also communicated his inspirations: *"If the Healing to the Nations mandate was such a priority that God would reveal the vision to the man of God, Pastor Chris, I decided that it*

*would be a priority for me to execute it. This is why we are unapologetic about what we do with the Healing School."*

Pastor Ifeoma Chiemeka talked about Healing Streams TV as an avenue to prolong and extend the blessings and impact of the Healing Streams Live Healing Services with Pastor Chris. She urged viewers and listeners to outspread divine health realities to the world, saying, *"If you haven't participated in the miraculous episodes of Healing Streams TV broadcasts before, not only should you start but also tell others about it. And if you have been a partner, it's time to raise your partnership. If you haven't started giving yet, get involved now."*

Brimming with so much passion, Pastor Samson Thomas recounted the indelible impact made in his life through the Healing School's outreach initiatives for youths – the Global Youth Leaders Forum. Furthermore, he highlighted the commendable exploits of his team with Healing to the Nations Magazine in Pakistan and Afghanistan.

Dr. Tobi Wealth shared his experiences and testimonies of reaching countless people with several initiatives of the Volunteer Medical Corps. *"We are penetrating our world, not just giving drugs or medical counsel but also seizing the opportunity to reach out to our world with the Gospel, and we are doing it big,"* he asserted.

Partners of the Healing School from different parts of the globe also had the opportunity to share inspirations and testimonies from their partnership endeavors.

Connected via a video conference, Monica from Canada said: *"My drive comes from knowing that my partnership gives life. It is my custom to put my resources into making sure that the good news of healing goes from nation to nation and from town to town."*

In a talk show anchored by Pastor Ifeoma Chiemeka, the indisputable impact of the Healing School was brought to bear as individuals shared testimonies of divine encounters that resulted in miracles and divine transformation.

After a protracted period of severe pain in her abdomen, Favour was diagnosed with a hernia. As a result of this condition, she could hardly engage in basic functions or focus on her academics. The story changed when Favour received help from the Volunteer Medical Corps and became a beneficiary of free surgery to correct the problem. Now, Favour is perfect and lives pain-free.

Delphine from London attested to the power of God manifested through Healing to the Nations Magazine. On a certain day, she got an emergency call that her father had been rushed to the hospital. Determined to evoke healing for her father, Fernan Rowe, she went to the hospital with a copy of Healing to the Nations Magazine. Fernan was being monitored for stroke and was already connected to a cardiac support machine by the time she got there. She placed the magazine on her father and he immediately received strength and got up unaided.

For 20 long years, Juan Andreas battled with incessant back pain. At the hospital, the doctor uncovered that his ordeal was caused by a leg length discrepancy. While watching a program on Healing Streams TV, Juan saw a testimony of a woman who was healed of the same ailment and decided to participate in the next edition of the Healing Streams. During the healing services, the power of God touched him and the shorter leg grew out. Praise God!

In a series of teachings by senior ministers, the global audience was edified and charged as they listened to deep truths and revelations from the Word of God. Pastor Dipo Fisho admonished God's saints to take their

partnership with the Lord to new heights: *"This is a time of decision. Do things that will catch heaven's attention. Do it now with the Healing School. Be a part of what we are doing."*

Throughout the day, the program was punctuated with intercessions for the sick and special ministrations to partners. There were also calls for all to give for the furtherance of the Gospel through the work of the Healing School. The response was phenomenal as viewers sent in their pledges and seeds from all over the world, demonstrating their faith and connecting to the grace that was lavishly released. There were also several testimonies of lives transformed in the course of the program.

This unprecedented and unforgettable encounter with divinity during the epoch-making event launched the global participants into a higher level of unending inflow of resources for the advancement of the Healing to the Nations mandate. Many were promoted and their lives will never be the same again.

Coming up this month is another edition of Healing to the Nations Live. Get ready to be a part of it. God bless you.

# Partnership Testimonies

## MY NEPHEW WALKS NOW

My elder sister's son – Godspower – was an otherwise healthy child, but at three and a half years old, he still couldn't walk. When his one-year-old baby sister started walking, it became a serious situation, so challenging that my sister couldn't take him out because of his condition. We took him to two hospitals and all the doctors said they couldn't find anything wrong with him.

Sponsorship for the March edition of the Healing Streams was launched in my church, and as I made my pledges, I remembered my nephew's health challenge. I took my partnership seed to the altar, praying earnestly and declaring that my nephew would walk. This was around 10 AM on a Sunday morning.

I got home after church service and at 11:30 AM, my sister called and she was shouting at the top of her voice. Godspower had started walking! He just got up and started walking on his own. I asked her when this happened and she said around 10 AM. The miracle happened the moment I connected with my seed. Our lives haven't been the same ever since. Truly, a man's seed makes a way for him. Hallelujah!

# HEALING TO THE NATIONS

## Magazine Testimonies

### A Miracle Baby

I am a translator of Healing to the Nations Magazine. Serving in this capacity, I have been profoundly impacted and blessed by the revelation of God's Word in this special material.

This has stirred an ever-increasing passion within me to extend this grace and the healing power of God to others. Healing to the Nations Magazine has become my primary resource for evangelism and it has been powerful in our outreaches across different countries.

In January 2023, while I was preparing for the March edition of the Healing Streams Live Healing Services with Pastor Chris, I embarked on healing outreaches, armed with the magazine.

During this period, I met Riyah, a woman who had encountered challenges with conceiving a child for 10 long years. She and her husband had lost all hope, having undergone several medical procedures and made many attempts to conceive.

I gave her a copy of Healing to the Nations Magazine and encouraged her faith for the miraculous by sharing testimonies of the impact of the magazine. Hope rekindled in her heart as I placed the magazine on her and spent time declaring God's Word concerning her situation.

A few weeks later, in February, Riyah called with the incredible news that she was pregnant! Glory to God! For Riyah, carrying the pregnancy to term and delivering a healthy baby without any complication was nothing short of a miracle. Her joy is full, to the glory of God. Now, she is happy and full of gratitude for her bountiful blessing! What a miracle!

Thank you, Pastor Chris, for this miracle-package. Thank you for making it possible to take healing to the nations and peoples of the world with this magazine. I love you, sir.

# 5 EASY WAYS TO RECHARGE!

**W**elcome to 2024! After the whirlwind of holiday festivities, social engagements, celebrations, and family hangouts, it's time to tackle the New Year with renewed vigor, focus, and optimism. One surefire way to kick off the year with a bang is to recharge yourself.

## **MAKE PLANS:**

It is important to pray intently about your plans and goals for this year. Also, listen to and meditate on God's Word, especially the message of the year. Do this repeatedly every day until it becomes a part of you.

With the Word of God in your mouth, prophesy and chart your course for the year. Write out your plans for the year and set timelines for your goals. And then launch out for stellar achievements.

## **GIVE YOUR BODY A RESET:**

Following the rich holiday menus and plenty food from various celebrations, you need to restore a healthy diet. We recommend starting with a cleansing regimen. This doesn't have to be a daunting task. There are easy ways to eat healthily and cleanse your system. Here are some quick tips:

- Start your day with warm lemon water to help eliminate toxins, cleanse your system, and provide your body with essential nutrients and immune boosters. Drink tea before bed to avoid insomnia and aid the breakdown of your final meals.
- Use spices like chili, cinnamon, cayenne, ginger, and turmeric. These are excellent cleansers that also quickly help your body feel full. Add them to stews, pasta, and sauces to make them more savoury.
- Minimize snacking. Also, substitute unhealthy, salty, and sugary snacks with fruits and vegetables – consider salads and smoothies options. Consider protein-packed options, rather than refined sugar.
- Distinguish between actual hunger and feelings of boredom and restlessness to avoid overeating.
- Lastly, incorporate warm baths and exfoliation into your self-care routine to improve muscle and heart health, blood flow, and your skin's natural glow. An occasional leisurely bath can also be therapeutic for your mind and will help you recharge your body.

## **DECLUTTER:**

A quick way to recharge your body and mind for the New Year is to declutter your physical, mental, and emotional spaces. Give out those perfect but redundant clothes, furniture, cookware, kitchen appliances, and other items that you barely use. Repaint, redecorate, or rearrange your space, making plenty of room for the new glorious things the Lord will surely bless you with this year.

Furthermore, extend your decluttering exercise to your mind and social calendar. Take stock of your relationships and activities, and disengage from unproductive activities, needless social engagements, and anything that causes anxiety or any kind of unrest. Prioritizing your relationship with the Holy Spirit and the Word of God is invaluable in helping you make the right decisions.

## **MAKE EXERCISING A ROUTINE:**

Your body is God's residence. As its custodian, you must keep it healthy and fit. Exercise can recharge your mind and body quickly. It can lower anxiety, boost energy, and release crucial neurotrophins in your brain that enhance your mood, memory, and cognition, thus ensuring high performance all day.

Additionally, exercising will help you burn calories and fat, build muscles, and improve sleep quality. Exercising has also been known to reduce the risk of heart disease and other ailments.

## **ESTABLISH A HEALTHY SLEEP CYCLE:**

Now that the thrilling yet exhausting holiday activities are behind you, you need to get back on track by restoring or creating a steady sleep pattern. Your body and mind require enough sleep for optimal functioning. Establish a healthy sleep routine today and maintain it.

This year will be filled with many wonders and marvels for you, and you will prosper and flourish in health, even as your soul prospers.

# Faith's Proclamations *of* HEALING & HEALTH

**Keep thy heart with all diligence; for out of it are the issues of life (Proverbs 4:23).**

**A**nthing you want or could ever want won't come to you from heaven or from anywhere else but from your heart. Your heart is the origin of all things, including matter. Everything you'll ever need in your life will come out of your heart.

Your heart has the potential for infinite capabilities and possibilities. You can bring forth anything from within your spirit. Think about it: if your heart can contain God (for He lives in your heart; you're the temple of the Holy Spirit), then it means heaven and earth, life, success, health, victory and joy – all the good things you could ever imagine or desire – are in your heart.

Permit and bring forth only the things that are consistent with God's perfect will. Decide that only the will of the Lord will be done in your body, your world, and upon the earth (Romans 12:2). Hallelujah!

## **CONFESSIONS**

God's ability is at work in me today and I am conscious of it. I do not function in my ability or strength, for God's inherent power is in me. My strength is renewed daily and I am divinely energized at all times for victory.

I consciously practice enjoying my life in divine health. I insist on God's Word, and I boldly affirm that my divine life in Christ has replaced the ordinary life and its attendant effects. I do not live by the dictates of my body but by the leading of God's Word for my life and health.

Dear Father, your Word is the truth on which I fix my gaze. Your Word confirms my prosperity, divine health, victory, dominion, and glorious life in Christ. I make progress from glory to glory by your Word which produces for me and in me the reality that it conveys.

I thank You, Blessed Father, for the extraordinary life of blessing that You have given me in Christ. Thank You for making me a partaker of Your glory, grace, and righteousness. I walk in prosperity, health, and peace today, in the Name of our Lord Jesus.

Even though death works in the world, life works in me and everything that is connected to me. My Lord Jesus defeated death and now, because He lives, I live. I have the all-conquering life of God in me. Hallelujah!

I rejoice that I am in Christ and the Holy Spirit lives in me! Thus, I am fully aligned with God's plan for my

health. I walk continually in God's perfect will for my life, and I have all that I require to live life in godliness and righteousness.

Sickness is not in my nature. I am a new creation in Christ Jesus and He has perfected my health; therefore, I refuse to be sick! I have the supernatural life of God that makes me impervious to sickness. Blessed be God!

Dear Father, I thank You for infusing my words with Your divine power to cause changes and bring about positive transformations, healing, and prosperity. Out of the abundance of my heart, I speak forth life, strength, and courage. Thus, I dispel fear, weakness, and failure.

I am in Christ and Christ is in me. I am a victor because greater is He that is in me than he that is in the world. I am shielded from all evil and I operate with dominion over sickness, disease, and the powers of darkness.

I am exuberant with praise because the joy of the Lord is my strength. My joy is independent of circumstances; it comes from my inner man and transcends the physical. With this joy, I draw forth life, health, and limitless prosperity from the wells of salvation.

God's Word transforms me from glory to glory. I am a doer of the Word and not a hearer only. I'm blessed forever, living transcendentally over and above sickness, disease, Satan, and circumstances. Hallelujah!
