JESUS: OUR
REDEMPITIVE SACRIFICE

Pastor Chris

CELEBRATING
UNPARALLELED MIRACLES

JESUS: OUR REDEMPTIVE *Sacrifice*

“For if by one man’s offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ” (Romans 5:17).

When God created the first man, Adam, He put him in the Garden of Eden. According to the Scriptures, God commanded him to eat from any tree he desired in the Garden, except from the tree of the knowledge of good and evil (Genesis 2:15-16).

When Eve was formed, Adam passed the same instruction to her. However, the serpent deceived Eve into eating the fruit of the tree. And not only did she eat it, she also gave of it to Adam, who was with her (Genesis 3:4-6). Because of Satan’s deception and Adam’s disobedience, death came into the world (1 Timothy 2:13-14; Romans 5:17a).

So, by Adam’s transgression, death entered the world and reigned over all men. This was where sickness, affliction, and all the evil in the world came from. Man’s sin invoked the penalty of death and separation from God. Now, man needed redemption but the righteous demands of justice could only be met by the shedding of blood. **Hebrews 9:22** says, “...without shedding of blood is no remission.”

However, on the face of the earth, no one could redeem man. An angel couldn’t do it because they are celestial beings. God Himself couldn’t do it because He is a Spirit. The sacrifice had to be a man who had rights on earth and could legally take man’s place. Furthermore, he had to be sinless to meet the demands of justice. However, there was no such person on earth.

John 1:1,14: “In the beginning was the Word, and the Word was with God, and the Word was God. And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.”

Seeing that death, disease, and despondency held sway in the world, God sought earnestly for an opportunity to step in. This was not the world He made and He desired to bring man out of this dark state. In what

would change the course of life forever, God stepped in and did a most remarkable thing as seen in the verses of Scripture above: His Word became a man.

Jesus is the living Word of God. Understand that He was never separate from the Father before He was born as a man. The Bible says, “**In the beginning was the Word, and the Word was with God, and the Word was God**” (John 1:1). There was no Jesus – He was God’s Word.

Maybe you have never heard this before but when you understand it, you’ll truly appreciate the crucifixion of Jesus and what He accomplished for the world. It wasn’t until the Word of the Father became flesh that Jesus came into being. Jesus is the Word of God made flesh – the living Word (John 1:14).

With the birth of Jesus, the world was on the threshold of a new day. God had provided a perfect sacrifice for man’s redemption: Jesus was a man, as He was born of a woman, and He was also without sin, living to please the Father only and always (John 8:29). It was indeed a new day for the world: God had brought forth a Son that He could offer for the redemption and salvation of the world.

With salvation came blessings and benefits beyond imagination, including healing and divine health. It’s the reason sickness or demons can’t dwell in your body. Understand that Jesus didn’t only come to die for our sins; He also came to give us life in its fullness. We who were crucified with Christ are dead to sin and alive to God (Romans 6:11). If you are born again, you need not fear death, for it’s been defeated by Jesus.

Now, you have the nature of God in you. You’ve been qualified and made to inherit all the glorious and precious promises in the Word that have been fulfilled through Christ. Healing and health are yours today. Believe, accept, and make them yours.

ESTELA'S SKIN IS PERFECTED

In 2008, Estela from El Salvador noticed a small patch on her skin. It was a mild irritation that was easy to ignore at first. However, the patches soon spread all over her body, covering her skin and scalp.

At the hospital, she was diagnosed with psoriasis, a skin condition with no known cure. All that could be done medically was to

manage the symptoms with medications, ointments, and injections. These offered temporary relief from the burning pain and severe itching that plagued Estela daily.

"There were days when it felt like boiling water was poured on my body. My skin was covered with sores that cracked open. It was a horrible, unbearable pain.

"My confidence and self-esteem plummeted. I was ashamed to go out in public. When I had to leave the house, I would cover up from head to toe. I was embarrassed and afraid that people would think the condition was contagious," Estela explains.

Estela remained in that bleak state until she was invited to participate in the Healing Streams. As Pastor Chris ministered to the online audience, Estela placed her hands on her arms and around her body as he instructed. She was full of faith and confident that her moment had come.

She recounts the experience: *“I knew I had received my healing, I felt the difference inside me. The burning and itchy sensations were gone. Within a few days, the sores disappeared and the dried scabs peeled off. Now, my skin is clean and free from psoriasis. I can wear sleeveless clothing and go outside without shame or embarrassment. Glory to God!”*

After 15 long years of pain and discomfort, Estela is free at last!

NO ASTHMA, NO ALLERGIES.

Stepan suffered from allergies and a weak constitution since birth. So, when he first noticed the coughing and throat spasms, he thought it was just a cold that would soon pass. One day, the spasms became so severe that he lost consciousness. He was placed on a ventilator and later diagnosed with asthmatic bronchitis.

Suddenly, Stepan’s life became more difficult. His diet became more restricted and he had to limit activities and outings as household chemicals, plants, and animals triggered severe spasms. He became dependent on various medications. Also, he could only sleep seated upright to avoid the spasms. This affected Stepan professionally and socially.

Someone invited Stepan to the Live Healing Services but he was skeptical until he researched the program and found amazing testimonies of faith and miracles.

Convinced, Stepan registered and participated from his home in Russia. It was his set time to be healed when Pastor Chris ministered to the global audience and instructed them to lay their hands where it hurt.

“As Pastor prayed, I just knew I was healed. When I woke up the next morning, I realized that I wasn’t coughing or having any spasms. I didn’t even have to do the breathing exercises that I always had to do as soon as I woke up,” he enthuses.

An ecstatic Stepan is in perfect health today and has even adopted a cat. His life is blooming and he can now do everything he couldn’t do before.

A TRIUMPHANT PARADE OF THE MIRACULOUS

THE CANCER IS GONE!

In 2016, 68-year-old Radiance Tan from Malaysia had her tranquil life disrupted when results from a breast screening exercise revealed a lump in her breast. She followed all prescribed treatment plans and did everything she knew to arrest the situation, but the condition deteriorated rapidly. After six years, she was told that the lump was a cancer that had spread to her stomach and other parts of her body.

Radiance stopped her business, started intense treatments like chemotherapy, and overhauled her lifestyle. But it was all to no avail. The cancer spread faster and the strain of the condition left her physically and financially drained.

Distressed and constantly in excruciating pain, Radiance began to seek alternative solutions and decided to place her hopes in the Lord. Having heard about the Healing Streams Live Healing Services, she was full of faith and ready to participate.

She undertook the long journey from Asia to Africa so that she could be in the hall with the man of God. At the appointed time, Pastor Chris prayed for her, declaring her free from the shackles of sickness and disease. Instantly, she received her healing and strength. It was a glorious day for Radiance, one that she will never forget.

Today, she enjoys perfect health and is full of the joy of

the Holy Ghost. Summarizing the changes in her life, Radiance says, *“There is no more pain and the cancer is gone. My hair has grown back and I didn’t need to have my flesh cut away. My business is flourishing. I thank God for His Word that gave me the knowledge I needed for my breakthrough.”*

A BRAND NEW HEART

I am Christine Plaatjies, I am 60 years old, and I reside in Western Cape, South Africa. In February 2023, I was diagnosed with a heart disease. I was in this condition for 11 months. It resulted in heart attacks, and the after-effects of these attacks spread to my knees and my legs, causing fluids to build up in my body.

This condition also caused me to have high blood pressure and pain in my head. Because of my predicament, I couldn't use my legs. I was unable to walk properly. For months, I just lay in my bed most of the time, unable to do my house chores. I needed crutches as I couldn't move around on my own.

Everything changed the day a young lady came to my house with the Healing to the Nations Magazine. She showed me testimonies of people who got healed and my faith was stirred for my healing.

I held the magazine while the lady prayed for me. Strength came into my body and I was renewed and energized. Immediately after, I got up without feeling any pain or heaviness in my body. I had received my healing!

Now, I can do my house chores with ease. I walk as far as I want to, and I can do everything. Because of the Healing to the Nations Magazine, I acted on my faith and received my healing. God has given me a brand new heart and I am thrilled! I am very healthy and free from all sicknesses.

What God did for me through this magazine, He can do for anyone who believes. Thank you, Pastor Chris, for this incredible privilege. I also thank the partners who sponsor the distribution of the Healing to the Nation Magazine. Thank you for my healing, and for so many others.

Celebrating Unparalleled Miracles

Global Miracle Faith Seminar (GMFS) is a special follow-up event to the Healing Streams Live Healing Services with Pastor Chris. With unforgettable highlights on the impact and testimonies from the healing services, GMFS is a celebration of supernatural feats.

Remarkable teachings on faith and living in divine health help participants worldwide to apprehend the infinity of God's love for all, thus strengthening them to retain their miracles. Through impartation segments and prayer for the sick, the power of God is directed to people where they are, making them whole.

The last edition of the seminar was held on Saturday, the 22nd of December 2023, and it was a memorable day for many! It was a special occasion to thank the Lord for the extraordinary outpouring of divine healing across the nations through the ninth edition of the Live Healing Services. This epochal event had billions of people participating privately and from healing centers across various countries.

Starting the program, Pastor Rhoda Olusina, a minister at the Healing School, delivered a warm opening address. *"This is an opportunity for you to receive*

healing and health in your body. Today, your life and destiny will not remain the same," she declared. Then, she led the global congregation to pray in thanksgiving and anticipation.

The Loveworld Singers filled the air with sweet, holy melodies of adoration to the Lord and led many to be enraptured in the glory of God's presence.

For every person who receives a miracle, their testimony becomes a tool for sharing the Gospel of our Lord Jesus Christ and inspiring faith in others, so that they can receive their miracles as well. Several testifiers were featured in the seminar and told their stories of awe and triumph from participating in the Healing Streams. They also talked about the impact of their miracles on others around them.

In 2019, Liza from China suffered a stroke that paralyzed the right side of her body. Three months later, she had another setback when she began experiencing intense weakness in her body. Further compounding Liza's difficulties was an onset of knee pain in 2022 that was diagnosed as a meniscus injury. Despite heavy medications, she endured a lot of pain, so much so that she had to rely on a wheelchair and walking stick.

VICTOR FROM ZIMBABWE

Glory! I got healed of back pain, dizziness, numbness, abnormal sweating, and a fracture in my hip during the Global Miracle Faith Seminar. Thank you so much, Lord Jesus.

Hope and relief came with the Healing Streams. Liza says, *“I participated in the Live Healing Services as a translator. As Pastor Chris ministered, I received my healing and the pain was completely gone!”* Liza has returned to enjoying her life. She walks unaided and is full of strength. Glory to God!

In a captivating teaching session, Evang. Eddy Owase, a senior Healing School minister, exhorted the worldwide audience in a message titled, *“Keeping Your Healing”*. He emphasized that the faith with which one receives healing is the same for keeping it. He further expatiated that God’s people are empowered for miracles and should not be hemmed in by any predicament.

Referencing 2 Corinthians 4:18, he urged the participants to focus on God’s Word, saying, *“You have the responsibility to choose what you see. See through the Word and direct your attention to what it says concerning you. Let the Word give you pictures of health and strength, and keep that picture.”*

Evang. Dr. Eddy Owase

The event reached its climax with special ministrations to the sick and those grappling with various health

challenges. The healing power of God permeated many right in their homes and wherever they were. Everyone received with faith and according to the desires of their hearts. They bore witness to the unfathomable power of God as many started demonstrating their healing, doing things they couldn’t do before.

“Praise the Lord! I am healed of depression and insomnia, and my baby is healthy and alive. I am completely restored. Hallelujah!” Chris from the Netherlands testified.

“I received my healing during the Healing Streams, and I have been getting better but I still couldn’t walk fast. During the GMFS, the power of the Holy Ghost was upon me. When it happened, I got up and started walking and then I was running with so much strength and energy. Eventually, I forced myself to stop running and I checked myself. For once, my blood pressure didn’t rise as it usually would when I got active. I am so happy. Thank God for this miracle. Glory to His holy name. Amen!” wrote Prince Eyi-Mensah from Ghana.

It’s another season of celebration and thanksgiving as we continue to consolidate our gains from the Healing Streams. Don’t miss the next Global Miracle Faith Seminar. It will be a grand opportunity to recount our victories from the just-concluded tenth edition of the Live Healing Services.

On Saturday, 27th of April 2024, join us for a time of felicitation and elevation by the Word. It promises to be a destiny-changing experience. Register now and invite others to participate at www.healingstreams.tv/gmfs.

10 Fruits FOR HEALTHY LIVING

A healthy, balanced diet consists of a variety of different food types that provide adequate nutrients necessary for good health. One type of food needed in a healthy diet is fruits, which are rich in minerals and vitamins. Forget supplements and fancy superfoods, these ten fruits are power-packed for a healthier you.

- 1. Peaches & nectarines:** Two small peaches or nectarines have more potassium than one medium banana. Potassium boosts nerves and muscle health. The skins of peaches also provide a great source of antioxidants.
- 2. Pineapples:** Regardless of how it's prepared or served, this tropical fruit is chock-full of bromelain, a powerful anti-inflammatory enzyme that reduces the risk of heart attacks and strokes.
- 3. Grapes:** A little grape bulb (preferably red/purple) contains potassium and iron, which help prevent cramps and anemia. Grapes are also proven to be heart-healthy; they help prevent heart disease and lower cholesterol levels due to the large amounts of antioxidants like quercetin and resveratrol they contain. We recommend that you opt for organically cultivated grapes, rather than the genetically modified seedless ones.
- 4. Kiwis:** These are low-calorie, high-fiber, easy snacks that are great for weight loss. Loaded with vitamins C and E, kiwis help protect against cancer and improve optical health.
- 5. Mangoes:** Mangoes are more popular than ever due to their high levels of beta-carotene, which the body converts into vitamin A to promote bone growth and a healthy immune system. Even more, mangoes have over fifty percent of the daily vitamin C requirement.
- 6. Apples:** Possibly the lightest on the calorie counter, apples make a great choice for weight-watchers. They're also heavy on quercetin, which shields against brain cell degeneration and reduces the risk of developing high blood pressure. Apples' high fiber and vitamin C content also support digestive health and boost immunity.
- 7. Pomegranates:** As a beverage of choice, pomegranate juice contains at least twice the antioxidant capacity of red wine or green tea, and also sustains energy and controls blood pressure and cholesterol levels, and improves cardiovascular health.
- 8. Grapefruits:** Orange is a great vitamin C source, but you want grapefruits because bigger is better. Half a grapefruit is a vitamin C powerhouse, and also has high levels of fiber, potassium, and vitamin A. Some studies suggest that grapefruit can alleviate arthritis symptoms and repair damaged or oily skin and hair.
- 9. Bananas:** A banana is the perfect grab-and-go snack, as it's already wrapped. Its potassium and fiber content promotes long-lasting energy and keeps you alert all day long. Without the fat or salt, bananas are healthier than granola bars or pretzels.
- 10. Blueberries:** Considered a superfood, the blueberry's vitamin C, anthocyanin, and other antioxidants help fight diseases and boost brainpower. According to research, people who eat more blueberries are less likely to develop macular degeneration in later years.

FAITH'S PROCLAMATIONS *of* HEALING & HEALTH

“For by thy words thou shalt be justified, and by thy words thou shalt be condemned” (Matthew 12:37).

The greatest gift given to human beings is the gift of speech. How wonderful it would be if every person on the face of the earth knew that! Blessed is the man or woman who has discovered this profound reality! The Kingdom of God, to which we belong, is a Kingdom of words. We live and reign by words. It's about what you say. If you talk right, your life will be right. If you talk negatively, your life will be in jeopardy (see Proverbs 15:4 and Proverbs 18:21).

The Lord Jesus said you will have whatever you say (Mark 11:23). That means to have life, health, peace, and prosperity (or to suffer adversity, sickness, or sadness) all depend on what you say. When you understand this, you'll never speak empty, inoperative words again.

CONFESSIONS

Dear Father, by Your Word, I prevail over situations and circumstances. The forces of righteousness, success, divine health, victory, and prosperity are activated in my life as I live by Your Word today and always.

Lord, I am the effulgence of Your glory, perfection, beauty, and grace and I am conscious of Your supernatural life in me. I am the expression of Your righteousness and the unveiling of Your glory to the world. Amen.

The Lord is my refuge and my portion in the land of the living. In Him, I have divine life – an everlasting life filled with divine health, and soundness of mind and body. My life is filled with the goodness and mercy of God.

I am thankful for the goodness of the Lord and the victories He has wrought in my life through Christ Jesus! The power of His infallible Word causes me to experience supernatural blessings of divine health and prosperity.

My faith is alive! God's Word is producing results in my life. I am not moved by what I see or how I feel because I walk by faith and not by sight; therefore, I live in absolute peace, health, and prosperity.

Everywhere I turn, and in everything I do, the lines are fallen unto me in pleasant places. I have a good heritage. Joy, health, peace, and the good life are my birthright in Christ! Sickness and diseases have no place in my life.

I live in absolute victory every day of my life. I reign and rule over the forces of darkness in this world. I dominate my environment and I reign over sickness, disease, demons of darkness, and death!

Through the Word of God and the ministry of the Spirit, I am daily transfigured into the image of the Son of God! His life and nature in my spirit have given me the ability to live above sickness, disease, infirmity, and sorrow.

Blessed Father, I thank You for the body of Jesus that was broken so that I will never be broken, sick, weak, or defeated. I walk in the light of this truth and reign over sin, Satan, and circumstances, in Jesus' Name. Amen.

My life is a manifestation of the virtues and perfections of divinity. From the crown of my head to the soles of my feet, I am full of life. No sickness, disease, or infirmity can fasten itself to my body!

I am a new creature in Christ. Every fiber of my being, every bone of my body, and every cell of my blood is replete with God. I am a moving house of the Almighty God, bearing His grace, glory, and righteousness.

The Lord has made my life easy, glorious, and exciting. I live a stress-free life in Christ because I am in God's rest. Therefore, I enjoy a life of joy, peace, and prosperity. I walk consistently in divine health. Amen.
