The Law of Faith

“Where is boasting then? It is excluded. By what law? of works? Nay: but by the law of faith” (Romans 3:27).

There are natural laws God set in place to regulate the elements and forces of the earth. If all other elements connected to them remain constant, they work the same way every time. By applying the right knowledge, you can always use the laws of gravity, sound, light, electricity, motion, thermodynamics, etc. to your advantage.

In the realm of the spirit, there are also spiritual laws that control circumstances in the physical realm. They ultimately determine the way a man's life goes because life is spiritual. The law of faith is one of the fundamental laws in the realm of the spirit.

Faith is a law. It functions in the Kingdom of God. Like all other laws, it can work for or against you, depending on how you use it. Sometimes, some Christians wonder, *“I thought everything would be better since I've become a Christian but things haven't changed. My condition seems to have worsened. What have I done wrong?”*

Well, the problem may not be that you've done anything wrong. There just may be something you aren't doing right. This is why the teaching of God's Word is important, so you learn the principles of God's Kingdom and know how you can always use them to your advantage and enjoy your inheritance in Christ.

There are many Christians today who don't understand the law of faith, and so live defeated lives. In the same way that a man can misunderstand the law of electricity and have it work against him, a child of God may suffer things he ought not to suffer because he misunderstands the law of faith. **Hosea 4:6** says, **“My people are destroyed for lack of knowledge...”** God's people are crushed and defeated because they lack knowledge.

As a law, faith works all the time. You didn't wake up this morning wondering if there was enough gravity in your room today. If you wanted to find out, all you needed to do was roll off the edge of your bed for a rude awakening.

The Scripture in Romans 10:6-10 encapsulates how the law of faith works. The Bible says, **“The righteousness which is of faith speaketh on this wise...” (Romans 10:6)**. This means the man who's been made righteous in

Christ speaks faith. He doesn't ask, **“...Who shall ascend into heaven? (that is, to bring Christ down from above:) Or, Who shall descend into the deep? (that is, to bring up Christ again from the dead.)” (Romans 10:6-7)**. He doesn't ask how it will happen. When things go wrong in your life and you want a change, don't ask, *“How will God do it?”* The problem may look so big but God says don't ask how. Stop trying to figure out how. He is your “how”.

The next verse tells us exactly what to do. **“But what saith it? The word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach; That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved” (Romans 10:8-9)**. The Bible says the Word is so near you, it's in your mouth and heart, and it is the Word of faith that we preach. If you confess it with your mouth and believe it in your heart, you will be saved.

The word “confess” is the Greek word “homologeō”, which means “to speak the same things in consent with”. This means you're saying the same thing in agreement with God. God specifically used the word “confess” so we'd know He doesn't want us to say just anything; He wants us to say what He has said.

This is the same principle for salvation; you say the same thing with God on the Lordship of Jesus and believe in your heart that God raised Him from the dead, and salvation automatically becomes yours.

In operating the law of faith, you've got to say things in consent with God. That means you speak the same things that God has said concerning you. For example, God has said, **“...Christ in you, the hope of glory” (Colossians 1:27)**. Now you say, *“Yes. Christ in me, the hope of glory. Therefore, I do not get sick!”*

No matter your condition right now, keep talking God's Word. You don't stop until you receive your miracle, and when you have it, you move on to take on bigger challenges with your faith. You can be sure that you'll get the same results all the time because faith is a law!

Our Lord Jesus Christ wants all men well; He healed many while He walked on earth and has given us the mandate to do the same and even more. The amazing wonders and miracles that happen at the Healing Streams Live Healing Services with Pastor Chris are eternal testaments and proof that the Lord Himself is confirming His Word (Hebrews 2:4).

The Live Healing Services unfold with breathtaking displays of divine power. For everyone who participates, the program is a profound encounter with the supernatural that results in myriad testimonies of God's transformative touch.

Every aspect of this monumental event is life-changing; from rapturous moments of thanksgiving, worship, and praise to the Lord in prayer and songs, to riveting accounts of impact and endless testimonies, thrilling and inspiring teachings from Pastor Chris, and impartations of the Spirit. With God, all things are possible; one word is all it takes to instantly alter lives and circumstances forever. Everyone who believes is ushered into a glorious new life of divine health, prosperity, and wholeness.

Restored to glory and perfection, those who are healed find a renewed sense of purpose and go about proclaiming the Gospel of Jesus Christ in their nations and beyond. Freely, they share the healing and blessings received at these healing services.

People from all walks of life have taken bold steps and participated in the Healing Streams. Their expectations for glorious things and miraculous changes were exceeded by the power of God, and they now have great stories to tell.

In 2012, **Priya from the United Kingdom** had persistent migraines. She went to the hospital to be checked and was diagnosed with empty sella syndrome – meaning one of the layers covering the brain was bulging and pressing on the pituitary. For years, she managed with medications and was confined to a dark, quiet room most of the time to avoid migraine triggers.

Priya Kumarakunta
from the United Kingdom

A few years later, Priya suffered a skin infection that imposed scales and sores on her body, especially her legs; this made walking difficult and the cold weather unbearable. Eventually, she had to stop working. Being in this state put a toll on her mental, physical, and financial well-being.

Anticipating the healing services, Priya was ready for healing streams to flow through her body to cleanse every infirmity. When ministering to people from all over the world, the man of God, Pastor Chris, pronounced healing. Instantly, Priya experienced her much-needed relief as the power of God flooded her body.

"I am healed from migraines and skin disease. All limitations are gone," she testifies. After 12 long years, Priya is finally rid of the incessant headaches. Her skin is clear and she can walk easily again. Now, her life is full of radiance and perfection. Glory to God!

disappeared! I can bend now, put on my shoes and socks, and run up the stairs like I used to a long time ago! Things have changed! Praise God!"

Anna from Canada was diagnosed with uterine cancer that had metastasized. The medications left her in a rough patch. Her once amazing life was disrupted and clouded by this condition.

Anna Rizzo from Canada

Unable to do much by herself, Anna spent a lot of time lying on the couch or in bed. Walking, bending, and climbing the stairs were no longer the simple activities they had once been; she got tired quickly. She could only exert herself for five minutes at most. Having resorted to letting her daughter manage all the domestic activities on her own, Anna yearned for a way out of her predicament.

She learned about the Healing Streams and registered to be on the online healing line. Telling her story, Anna says: *"When Pastor Chris ministered to me, all the pain*

Samuel from Colombia was diagnosed with hyperhidrosis – a medical condition marked by excessive, unexplained sweating. In the absence of activity, exercise, or heat, he would sweat profusely from head to toe. No matter what he did, it seemed that there was no way to curb the sweating. He became self-conscious and the condition eroded his self-esteem as he was always mindful of his sweat-stained clothes and possible odors.

Samuel Arboleda from Colombia

When Samuel entered a healing center for the Healing Streams in March 2024, he believed that God would heal him. As Pastor Chris ministered, Samuel received his miracle. Every sweaty part of his body dried up instantly and became normal. *"My body system is working perfectly now."* he attests. Hallelujah!

MY PARTNERSHIP, MY ADVANTAGE

I have always had a passion for the healing ministry of Pastor Chris, even before I joined the ministry through my husband. On my first day in church, I watched the Healing School promo that was played and I gave a seed as we were instructed. Since then, I have been partnering every month.

At some point, I got distracted and stopped partnering. After a while, I noticed that my finances started declining. Then, I started experiencing setbacks in my work. It reached a point where the industry threatened to withdraw my nursing license because of the errors in my name.

I was praying for a miracle but I knew I had to take a stand with my Healing School partnership. During that period, we launched the Healing Streams Live Healing Services in church and I gave all I had.

Once I made the bank transfer, I felt peace in my spirit and I was stunned at the miracles that followed. I experienced a total turnaround.

The Holy Spirit directed me on how to correct the errors in my name. With easy steps, I resolved an issue that could have ended my career just like that. The Lord favored me, so the governing body and my superiors at work favored me too.

My partnership has positioned me for supernatural exploits and special advantages. Thank you, Pastor Chris sir, for the opportunity to join in the fulfillment of your God-given mandate of taking healing to the nations.

As he shared his worries, I talked to him about God’s love, using the message in the magazine. He said the prayer of salvation and was born again that same day,” testifies Crystal from Switzerland.

Salvation in Christ Jesus, healing for the sick, and deep revelations from the Word of God are just a few of the

remarkable blessings many have attested to, as a result of using Healing to the Nations Magazine, a tool that breaks barriers and creates access for the Gospel.

“While evangelizing in a seemingly hard-to-reach area, the Lord directed us to a care home and when the manager asked what we had to offer, we said we brought life. We showed her a copy of Healing to the Nations Magazine and she became so receptive. Her next comment was, ‘We need that life. When can you come?’ We set up healing centers for the Healing Streams Live Healing Services and started an outreach fellowship. That was how we gained access to that community, and so many have been healed as a result. Glory!” relates Tola from the United Kingdom.

HEALED, HEALTHY & PERFECT

I am Nergui Shagdasuren and I am from Mongolia. I am a Healing School translator. My earnest desire is to see every Mongolian and everyone in Central Asia take hold of the divine life that is available in Christ Jesus.

My team and I organize Healing Everywhere Outreaches with the Healing to the Nations Magazine in the Mongolian language to reach people in my country's catchments, towns, and cities.

During an outreach, I met Tuya, a 51-year-old woman who lives in Ulaanbaatar. For seven years, she worked abroad in physically demanding conditions that took a toll on her health. This caused severe back pain, anxiety, and heart palpitations. The pain and hardships prompted her to return home in 2023 so that her family could care for her while she sought treatments for her rapidly deteriorating health.

I shared the Healing to the Nations Magazine with her and got her to embrace God's Word for her health as contained in the material. Tuya responded in faith and experienced something supernatural. Her healing began with that one contact with the magazine.

Studying the magazine, she got ready for the Healing Streams Live Healing Services in July 2023. Her anticipation was fulfilled and the Lord perfected her miraculous healing.

Tuya's life has changed since her encounter with the magazine. She has held on to the blessings that showed up in her life afterward. The back aches and the heart condition are no more! In September 2023, the doctor's follow-up tests confirmed that Tuya is healed, healthy, and has a perfect heart and back.

Tuya now shares the Healing to the Nations Magazine with her friends and everyone. She is full of gratitude to Pastor Chris and partners of the Healing School around the world.

Oil

5
REASONS
TO USE
COCONUT

Coconut oil is a versatile and edible oil that offers several health benefits. It is affordable and durable, with a shelf life that stretches into years. It is easy to obtain and easy to make, for the do-it-yourself enthusiast.

There are two main types of coconut oil: virgin and refined. Virgin coconut oil is made from fresh meat, while refined oil is made from dried coconut meat, also called copra. Although colorless and flavorless, coconut oil has become an essential household item that is commonly used for cooking and is also stored in solid form at room temperature for various uses. Industrially, it is also a popular ingredient in moisturizers, lotions, and hair care products.

Here are some compelling reasons for you to consider using coconut oil, if you haven't started already.

1. BOOST IMMUNITY AND HEALING.

Coconut oil is rich in unique fatty acids called Medium-chain triglycerides (MCTs) that are incredibly beneficial in boosting immunity, fighting infections, and improving brain function.

It also has antioxidant properties that can reduce inflammation, prevent free radical damage, and slow the aging process. It has anti-inflammatory, brain-protective, and anti-diabetic effects as well. Coconut oil improves bone health, reduces belly or visceral fat, and combats candida.

2. REDUCE HEALTH RISKS.

By lowering fat and sugar levels, coconut oil helps reduce the risk of obesity and diabetes. The MCFA component of coconut oil may also improve brain function in Alzheimer's patients by increasing blood ketone concentration, and thus reducing seizure frequency.

Coconut oil is high in saturated fats, which boosts cholesterol and wards off heart disease. Due to its lauric acid, coconut oil protects against liver damage, aids in curing urinary tract infections, and has antimicrobial and antifungal properties.

3. IMPROVE ENERGY LEVELS.

MCTs contained in coconut oil provide a quick energy source for the body. Unlike other types of saturated fats, the body consumes MCTs at a faster rate, helping to improve endurance. When unrefined coconut oil enters the liver, it is converted into energy, making it an effective energy booster.

4. AID DIGESTION & WEIGHT MANAGEMENT.

During digestion, coconut oil aids in absorbing fat-soluble components like vitamins and magnesium. Additionally, it helps eliminate toxic microorganisms, thereby preventing inflammation and ulcers. It also balances cholesterol levels. The MCTs in coconut oil burn fat and calories and suppress appetite, thus regulating hunger levels and promoting satiety.

5. AWESOME FOR SKIN, HAIR, AND TEETH.

Coconut oil acts as a salve for the skin, hair, and teeth. When applied to dry skin, it boosts the moisture content of the skin. It also helps prevent dehydration and protects the body from infectious agents, chemicals, and allergens. Furthermore, coconut oil is a more affordable way to improve oral health due to its lauric acid content. The free radical scavenging ability of coconut oil is thanks to the presence of phenolic compounds and MCTs, which exert a protective effect on the skin.

Additionally, coconut oil can be used for various practical purposes, such as making a natural insect repellent or deodorant, removing stains, making wood furniture shine, healing ragged cuticles, removing eye makeup, soothing chapped lips, making healthy mayonnaise, sugar-free dark chocolate, and homemade salad dressing.

We're sure you're convinced that coconut oil is awesome, but remember to balance its use and harness its health benefits in moderation.

Faith's PROCLAMATIONS

OF HEALING & HEALTH

“That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation” (Romans 10:9-10).

In verse 10 above, the Bible tells us why confession is so important. With your spirit, you believe and are made right with God. But it's your mouth that catapults you into salvation. Believing is where a lot of folks have stopped. They say, *“I believe, so I don't understand why things are going wrong in my life.”* The problem is, there's something you have that you haven't used right – your mouth.

The Bible says, **“With the heart man believes unto righteousness...”** You've believed and have been made righteous, but that doesn't mean you'll enjoy the fruits of righteousness. Believing is not enough; you've got to use your mouth to enjoy the benefits of salvation.

CONFESSIONS

The Holy Spirit dwells in me and He makes my body alive. Christ is glorified in my body. I live in health and strength always. The Lord is the strength of my life! I fear no evil because He's with me. His rod and staff comfort me.

I flourish exceedingly every day, everywhere, and at all times. I walk conscious of my heritage in Christ. Sickness has no place in my body. I thrive in health daily. God's goodness and mercy surround me like a shield, and my life is perfect and pleasant.

By the Word, I raise the altar of my victory over sickness. I maintain victory over Satan and the cohorts of darkness. My life is full of peace, and I am making tremendous progress from glory to glory, living in Christ's victory for me!

I am one with God's Spirit and death has no association with me. I refuse to be affected or limited by the contrary forces at work in the world. Daily, my body is quickened to do the impossible, energized to do the spectacular, and invigorated for the miraculous.

I live a prosperous, healthy, and victorious life because I am born of God and created to manifest His praise and glory. I live in dominion over sickness, infirmities, and every opposing force, accusation, or hindrance. Glory to God!

The Lord God is mighty in me. He has blessed me with everlasting life, grace, truth, and agelessness. Christ's

resurrection life is at work in me. I am dead to sin and its effects. Sickness, disease, poverty, and depression cannot overcome me because divine life prevails in me.

Thank You, Blessed Father, for my life is excellent and full of glory. I walk in absolute mastery, safety, wellness, wholeness, and divine health. I am in Christ and Christ is my life. His wisdom, righteousness, and glory are expressed through me, now and always.

The Holy Spirit vitalizes my physical body, and my body is shielded and protected from all evil. There is no area of darkness in my life and health because the light of God's Word has illuminated my entire being. Glory to God!

I take hold of eternal life and the blessings of salvation that Christ obtained for me. Nothing can rob me of these blessings because I have possessed them with my spirit. I am far removed from death, defeat, destruction, and the chaos in the world.

God's Word is life to me and medicine to my body. It refreshes me daily! I am divinely immunized against all sicknesses, diseases, and infections because God's Word dwells richly in my spirit and inundates my whole being.

With the ever-present joy of the Holy Spirit in my heart, I access, retain, and enjoy the blessings and benefits of righteousness and salvation in Christ.
