BELIEVE & SPEAK

**“For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation”
(Romans 10:10).**

Our opening Scripture tells us why confession is so important. With your spirit, you believe and are made right with God. But it's your mouth that catapults you into salvation. Believing is where a lot of folks have stopped.

They say, *“I believe, so I don't understand why things are going wrong in my life.”* The problem is that there's something you have that you haven't used right yet — your mouth.

The Bible says, *“...with the heart man believes unto righteousness.”* You've believed and have been made righteous, but that doesn't mean you'll enjoy the fruits of righteousness. Believing is not enough; you've got to use your mouth to enjoy the benefits of salvation.

I tell people, *“Talk God's Word more than you eat.”* This is so vital because your mouth was not given to you just for eating, drinking, and talking to other people. Your mouth is the instrument given to you to worship God, chart your course in life, and control your body.

If there's a problem in your body, start using your mouth to correct it. Say the same things that God has said. Get up in the middle of the night and talk the Word. When you wake up in the morning, continue speaking God's Word. The devil may try to worsen the situation, but just keep talking. The harder things look, the more you ought to talk because the bigger the problem, the greater will be its fall before you.

Never let the devil frighten you from talking God's Word. As he tries to build those walls against you, just keep talking. Soon enough, those walls will crumble down! The Bible says, **“If the clouds be full of rain, they empty themselves upon the earth...”** (Ecclesiastes 11:3).

This is how the law of faith functions. You don't ask how; you speak faith-filled words! The Bible says, **“...The word is nigh thee, even in thy mouth...”** (Romans 10:8).

That miracle for which you yearn is in your mouth. That healing you've been waiting for is in your mouth. That child you desire to have is in your mouth. Glory to God!

Paul expressed a related thought in **2 Corinthians 4:13** when he declared, **“We having the same spirit of faith, according as it is written, I believed, and therefore have I spoken; we also believe, and therefore speak.”** You believe and speak. That's how faith works.

Someone may say, *“I've been talking, but nothing is happening.”* The truth is, you may have been speaking without believing. Anybody can talk like a Christian, but that doesn't mean he'll get anything.

God has already shown us the way the law of faith works. First, you believe; then you speak (you say what God has said, which you believe in your heart), and you can expect changes to occur.

No matter what the condition is in your body right now, regardless of the symptoms you may see or feel, just keep talking God's Word. Notice that the Apostle Paul didn't say, *“We also believed, and therefore spoke.”* He said, *“We also believe, and therefore speak.”* This means it's something you do continuously; you keep believing and speaking.

You don't stop until you receive your miracle, and when you have it, you move on to bigger challenges with your faith. You can be sure that you'll get the same results all the time because faith is a law!

PRAYER OF SALVATION

If you want to make Jesus Christ the Lord of your life, say this prayer, believing with all your heart:

"O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is the Son of the Living God. I believe that God raised Him from the dead and I confess that Jesus Christ is the Lord of my life from today. I receive, by faith, remission of sins for my soul. Right now, in the Name of our Lord, Jesus Christ, I receive eternal life into my spirit. I am born again!"

If you've just said the prayer, please send an email to info@httnmagazine.org.

A SEASON ^{of} NUMINOUS BLESSINGS & MIRACLES

A Report from the July 2024 Healing Streams Live Healing Services with Pastor Chris

The July 2024 edition of the Healing Streams Live Healing Services with Pastor Chris delivered blessings beyond the ordinary. So many who connected experienced changes in their bodies, health, and affairs. To date, the world is still buzzing with thanksgiving as testimonies resound from one end to the other. As foretold by the man of God, Pastor Chris, the earth shook as joyful praise rose from the lips of billions in a thankful symphony to God.

Ministers share insights, impact reports, and testimonies.

Senior ministers of the Healing School joined Pastor Deola on set to share impactful testimonies and insights that magnified the faith and expectations of attendees all over the world.

Talking about the Healing Streams as God's answer to the world, Rev. Tom Amenkhienan said, *"God has always cared about the sick. In the Old Testament, He created the pool of Bethesda, just for people to be healed. Now, He has positioned people to be healed through the Healing Streams. Wherever in the world you're participating from, your hopes will not be dashed and your expectations will not be cut short."*

Pastor Johan De Beer highlighted some of the steps taken in preparation for the program, saying, *"All around the world, millions of us prayed for these healing services. All you have to do now is act your faith. This is the time the Lord has made for you. It's time to receive your healing."*

"Healing Streams is an exhibition of healing angels in the world. Today, everybody can and will be healed. Healing is where you are, no matter what you've been experiencing," Rev. Ray Okocha corroborated before he lead the global audience to thank the Lord and intercede for the sick.

Testimonies of Destinies Restored

Introducing the testimony segment, Evang. Dr. Eddy Owase said, *"Over the years, we've had people get their lives back and have destinies restored through the ministry of our man of God. This is your moment, your time. If it happened for these people, it can happen for you."*

Daniel from Cyprus faced the devastating effects of liver cirrhosis and liver cancer. He struggled with weakness, exhaustion, itchy skin, poor appetite, weight loss, frequent nausea, and abdominal pain. Even the simplest daily tasks became overwhelming. Eventually, he lost his job, which added financial challenges to the long list of problems.

With the Live Healing Services translated into 8,133 languages and 930 dialects for the live broadcast, all who participated heard the truth of Christ's healing Gospel in their native tongues and were uplifted.

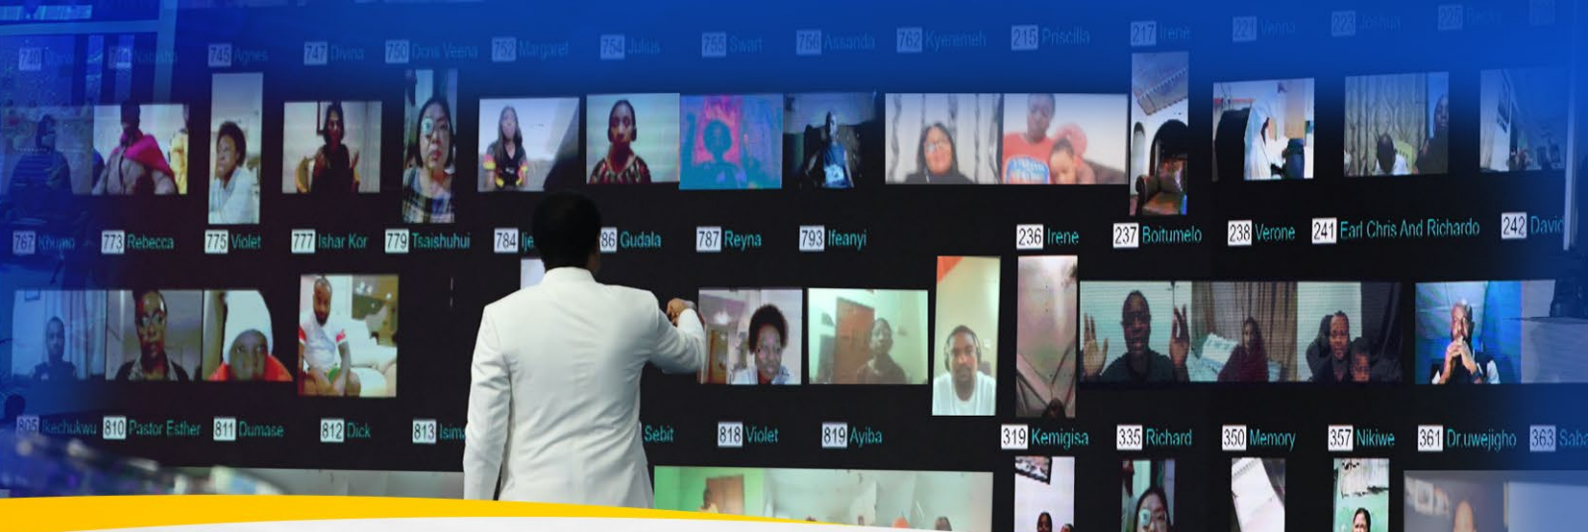

Glorious Beginnings

Throughout the destiny-defining weekend, reverent worship to the Lord permeated the earth and wafted to the heavens as all participants praised Him in psalms, hymns, and spiritual songs led by the Loveworld Singers.

The director of the Healing School, esteemed Pastor Deola Phillips, positioned the global congregation daily for their miracles. In one such charge, she stated, *"We are in the flow of the Healing Streams. From the moment we start, the healing starts happening. God's Word is coming to you through the songs, testimonies, and ministrations. When you receive the Word, act on it. Once you do, the same atmosphere of miracles here will be present where you are. There'll be no more sickness or death because everything will turn around as you participate."*

Pastor Deola Phillips

When his wife told him about the Live Healing Services, hope was reignited in Daniel's heart. He joined the healing service from his home. As the man of God, Pastor Chris, prayed for Daniel, he commanded the cancer cells to disappear. Instantly, Daniel felt revitalized.

Now, Daniel has a new lease of life and is full of gratitude. Sharing his story, he said, *"I am back to normal now and happy as can be. I got my job back, too."*

Daniel from Cyprus testifies

Rosa Lini from Indonesia endured severe pneumonia, which crippled her daily life with coughs, shortness of breath, and pain. She also faced depression, anxiety, and demonic torment. Despite years of seeking medical help, she found no relief. Hope arrived when a friend asked her to connect to the Healing Streams. During the service, Pastor Chris cast out demons of affliction, bringing Rosa the miracle she had long awaited.

That special moment turned her life around, and she danced and rejoiced. *"The breathing difficulty is gone. I eat a lot now. I can walk, run, and jump. The Healing Streams changed my life totally!"* she testifies happily.

Rosa Lini from Indonesia talks about her miracle

These and several other amazing testimonies further supercharged the attendees with faith and expectations, and they looked forward to their earnest desires for health and wholeness becoming reality.

Life and Consciousness

Anticipation soared as the man of God, Pastor Chris, took the stage. Filled with the power and love of God, he affirmed thus: *"Angels are working with us. It doesn't matter where you are. As long as you are under the influence of this program, that angel is right where you are. He wants to do something for you. I want you to know the Great Physician is here."*

Teaching about life and consciousness, Pastor Chris stated that understanding this concept is vital to living according to God's design. He explained that true consciousness is only possible through an intimate relationship with the Holy Spirit, saying, *"True Christians have no problems with consciousness because they have a relationship with God. If you receive Jesus and His eternal life, your search will end. You'll discover yourself, and the question of consciousness will be completely answered for you."*

The entrance of God's Word brings light. Having vested the global congregation with profound knowledge, the man of God ministered healing to the sick. He moved rapidly as he attended to those on the healing lines, proclaiming God's health to people connected from various places across the earth, and showing the Lord's eagerness to have people liberated.

A SEASON ^{of} NUMINOUS BLESSINGS & MIRACLES

A Report from the July 2024 Healing Streams
Live Healing Services with Pastor Chris

Spinal injuries, cancers, and myriad afflictions were healed instantly. Hospital wards were emptied, and wheelchairs and stretchers were permanently vacated as the healing streams of God flowed everywhere. Great rejoicing filled the nations and a ceaseless inflow of testimonies began.

Senior ministers share new testimonies received

In February 2024, the situation worsened when she developed diabetic neuropathy (severe nerve damage). There was numbness and a relentless freezing sensation from the waist down, which left her unable to perform daily tasks or walk properly.

Searching for a miracle, Alevtina traveled from Russia to Nigeria for this edition of the Healing Streams. Pastor Chris ministered to her, declaring her free from all afflictions. Jumping up with boundless energy, she celebrated her healing. Now, her life is perfect and limitless.

BEFORE

AFTER

Catherine Can Walk Now

In 2010 Catherine from Canada sustained an injury that affected her hips and caused a bone infection. The right hip had to be replaced as a result, but the pain persisted despite all attempts at physiotherapy. Consequently, her mobility was reduced and she needed to use a walker to support herself. The doctors recommended a second hip replacement for her left leg, and Catherine was waiting for the operation when she heard about the Live Healing Services.

Highly expectant and hoping that the pain would end permanently, she participated in the July 2024 edition of the Healing Streams. As Pastor Chris prayed for the global audience, she placed her hand on her legs. After a few seconds, she felt a warm sensation that gradually intensified until she could no longer feel the pain. Immediately, she got up on her feet and walked unaided. Elated, she ran outside and jumped with joy. She is completely healed and pain-free. Glory to God!

Healed of Diabetes

In 2008, Alevtina Khan woke up one morning with sudden weakness and fatigue. She tried to shake off the feeling but days passed without any improvement. She decided to go to the hospital, where she was diagnosed with type II diabetes. Despite the medication and strict lifestyle changes, the condition persisted.

Heart Problems Vanish After Three Years

Three years ago, Srikantha from Sri Lanka was diagnosed with a heart condition. Due to the constant pain, he couldn't walk or stand for long. Even the mildest form of exertion left him tired and breathless. After he heard and saw miracles from the Healing Streams, he was confident that God had a miracle for him, too.

In one of the healing services, Pastor Chris prayed for those with heart conditions, declaring they were free from all infirmity. *"I got my healing as the man of God prayed. I received strength and the pain left immediately. Now, I can stand, walk, and jump without feeling any pain. Hallelujah!"* he attests.

Peace to the Nations and Blessing for All

In the concluding moments of this epochal, earth-shaking healing crusade, the man of God, Pastor Chris, welcomed guest ministers who had traveled from different parts of the world to witness this inimitable display of God's love. Together, they prayed for families, nations, and leaders of nations, decreeing God's peace and goodwill over the earth.

The man of God also thanked and blessed partners of the Healing School, translators, healing center managers, ministers, and all who contributed to the success of this impactful program.

The July 2024 edition of the Healing Streams Live Healing Services finished in a blaze of glory, with a medley of praise and adoration to the everlasting King of kings.

FROM DEATH TO A FRESH AND HEALTHY START!

Kingston Davis
from Sierra Leone

Kingston Davis from Sierra Leone battled drug addiction and other vices that compromised his quality of life. Desperately seeking help, he left his home and country, and enrolled in a rehabilitation program in Ghana. It was the right step because Kingston found a renewed sense of purpose in life.

and it seemed he was asleep. Then, I saw that he had stopped breathing. Kingston was dead."

Although he was alarmed, Moses did not panic. Instead, he prayed in tongues, willing his friend to live and asking the Holy Spirit for guidance. *"Suddenly, I remembered seeing a Healing to the Nations Magazine copy in Kingston's bag. I quickly placed it under his head and continued praying. After some time, he miraculously started breathing again. He asked for food and began to recover immediately. What joy filled my heart!"*

A family friend, Moses, offered Kingston a place to stay in Ghana and supported him through the recovery process. Soon, however, Moses had to go on a trip. Left on his own, Kingston relapsed into his former habits.

Moses returned to find Kingston in a dire state. His health had deteriorated drastically; he was mentally unstable due to anxiety and severe cognitive issues. The situation worsened when Kingston started having frequent seizures and other symptoms.

Narrating, Moses says, *"Kingston couldn't eat or sleep for days. He was taken to the hospital and referred to the psychiatric ward. Despite the doctors' best efforts and various medications, nothing seemed to help. The burden of informing his family about his condition weighed heavily on me, especially since the reason he had come to me was to get better. Days went by with no signs of improvement. One night, I looked at him*

Kingston shares his experience: "I didn't know how or when I drifted off but I found myself in a beautiful place. I wasn't quite sure where I was, but I could hear a voice praying for me. I woke up and found Moses praying for me. He then told me everything that had happened. That night, I placed the magazine under my head and slept peacefully for the first time in a long while. I am deeply grateful to the Lord for this incredible miracle."

This divine intervention gave Kingston a second chance at life. Addiction and all negative habits have become history, and his life has taken a new direction. Now, he has turned to God and become a committed soul winner in his local church. He has also started a new career as a video editor.

"This miracle means everything to me. I am a changed person now. I am strong and healthy. I'm living my dream. I thank Pastor Chris and his partners for this magazine." Kingston testifies.

AMAZING BENEFITS OF PALM OIL

And God saw every thing that he had made, and, behold, it was very good..." (Genesis 1:31). The earth is full of so much goodness. It is laughable that some think people would ever need to rely on artificial foods or resources to survive. Before time began, God provided everything that we would ever need to live, prosper, and stay healthy. Palm oil, derived from the fruit of the oil palm tree, is one such nutrient-rich goodness we have been blessed with.

Palm oil is a vital and adaptable ingredient that is readily available, and it adds quality to every meal. Its semi-solid state at room temperature makes it a go-to choice and key ingredient for spreads, while its resilience to oxidation ensures that flavors remain consistent in the foods we love.

Moreover, its ability to withstand high temperatures makes it ideal for culinary applications, from frying to baking, ensuring both flavor and health are maintained.

This edible vegetable oil boasts a remarkable array of properties that cater to diverse aspects of modern living. From enhancing the shelf life of processed foods to providing stability in beauty products and serving as a reliable biofuel, palm oil plays a pivotal, often unseen role in our lives and various industries worldwide.

Let's explore palm oil's nutritional advantages.

Nutritional Benefits

Palm oil contains a combination of saturated and unsaturated fats that are essential for optimal body functions. It's also rich in fat-soluble vitamins E and K, which are vital for maintaining healthy skin and vision, as well as speeding up blood.

Phytonutrients such as carotenoids and phytosterols found in palm oil are beneficial for preventing inflammation and supporting the immune system. The vibrant red color of palm oil indicates its high beta-carotene content, which converts into vitamin A that is also crucial for immune health.

Healthy Heart

Palm oil is chock full of balanced fats! Despite concerns about saturated fats, palm oil contains specific types,

such as palmitic and stearic acids that have been proven to have a neutral effect on cholesterol levels when consumed in moderation.

It also includes beneficial amounts of monounsaturated and polyunsaturated fats, which can help improve and maintain healthy cholesterol levels and potentially reduce the risk of heart disease.

Antioxidant Power

Palm oil is a natural defense booster for the body. It is renowned for its antioxidants, primarily vitamin E, tocotrienols, and tocopherols. These antioxidants play a crucial role in fighting free radicals, which are harmful molecules that can cause cell damage and contribute to diseases such as cancer and heart disease.

Brain and Cognitive Support

Palm oil serves as fuel for the mind! The brain needs healthy fats to function well, and palm oil provides saturated fats for building and maintaining brain cells.

The beta-carotene content is a precursor to vitamin A, which is crucial for maintaining healthy vision, bolstering the immune system, and ensuring proper organ function. Additionally, the vitamin E in palm oil helps protect brain cells from oxidative damage, potentially supporting cognitive function in later years.

Culinary Versatility

Palm oil is ideal for cooking. It has a high smoke point, making it suitable for high-temperature cooking methods like frying, sautéing, and baking, without losing its nutritional value. Its mild flavor and creamy texture enhance the taste and texture of various dishes, from savory meals to desserts.

In a nutshell, palm oil offers a spectrum of health benefits. Whether you're looking to support heart health, boost antioxidant intake, maintain cognitive function, or enhance your cooking, palm oil can be a valuable addition to a balanced diet that includes a variety of nutrient-dense foods.

Faith's PROCLAMATIONS OF HEALING & HEALTH

“And now, brethren, I commend you to God, and to the word of his grace, which is able to build you up, and to give you an inheritance among all them which are sanctified” (Acts 20:32).

Being born again, you were born by the incorruptible Word of God (1 Peter 1:23). So, you ought to learn how to use God's Word. Learn to think, talk, and act as though the Word of God is true because it is.

You can bet your life on the Word; its integrity is unquestionable. It never fails. Go for the Word and live in the Word, and the result will be a life in one direction only: upward and forward. A life of constant victories and glory through the Word!

As you live out the Word, as you think, talk, and act the Word, your success will spread abroad and become widely and openly known. Everyone will see that you're making tremendous progress in every area of your life. It's the ministry of the Word to make this happen for you.

CONFESSIONS

I have dominion over sin, sickness, and life's circumstances. I'm superior to Satan, and I've overcome the world. I am seated together with Christ, far above all principality and power! The indestructible life of God in me nullifies sickness, disease, lack, and death.

By the power of God's Word and in the Name of Jesus, I'm lifted above this world and into God's realm of glory. I exercise Christ's authority over my body and decree strength, health, wisdom, prosperity, and all-round success in my life, today and always.

The ability of God is at work in me today! I don't function by my own ability or strength, for the Lord renews my strength daily, and I'm divinely energized at all times. The Word of God has made me wise and I walk in divine health, peace, and joy.

My life, health, family, and finances conform to God's Word concerning me. Every part of my life is consistent with God's Word. The Lord Jesus is the light of my life, and that light shines forth in perfection through my spirit, soul, and body.

I'm a new creation in Christ Jesus, created for glory and beauty! I thank God for the glorious life He's given me. This life is at work in every fiber of my being, and I've become a distributor of eternal verities to everyone in my world.

I have the ability to speak words of power that produce life in my body; therefore, I speak health, peace, progress, and prosperity over my life. I'm what God says I am. The Word of God is working in me mightily and moving me forward.

I've passed from death to life, from sin to righteousness, and from sickness to health. I live above the limitations of the human body and the physical realm through the ability of God's Spirit. Health, peace, joy, and the glorious life are my present-hour inheritance.

My spirit is inundated with God's Word such that it permeates my soul and moves upon my physical body, thereby making me invulnerable to sickness, disease, and the assaults of the devil. My life is one of glory, victory, and divine health.

I have the incorruptible life of God in my spirit. This new life is in every cell of my blood, every bone of my body, and every fiber of my being! God's Word saturates my spirit, mind, and body, leaving no room for any sickness or infirmity to steal in.

Greater is He that's in me than he that's in the world. Therefore, no disease, adversity, or adverse circumstance can overwhelm me. I'm convinced of my eternal victory over sin, sickness, and death.
