A HEALING STREAMS REPORT

# Your Hope For A Glorious Life

**“Even the mystery which hath been hid from ages and from generations, but now is made manifest to his saints: To whom God would make known what is the riches of the glory of this mystery among the Gentiles; which is Christ in you, the hope of glory” (Colossians 1:26-27).**

**T**he greatest thing that could ever happen to a human person is to have and know the Lord Jesus Christ. In the introductory verse above, the Bible reveals the mystery that was hidden for ages and generations past, but has now been manifested: Christ in you, the hope of glory.

In Scripture, the name “Christ” is sometimes used to refer to the person of Jesus, while in other instances, it means the Church, which is His body. However, in its simplest definition, “Christ” refers to the Anointed One and His anointing.

It’s important to understand this because the man Jesus doesn’t live in you. It’s only acceptable in generic terminology to say Jesus lives in you. In reality, Jesus ascended to heaven and is seated at the right hand of the Father (Ephesians 1:20). It’s the Holy Spirit who brings His presence and makes His anointing known and available to God’s people today.

So when the Bible says Christ is in you, it means the totality of the character and nature of the Lord Jesus and all that His anointing represents are in you. In other words, all of His life, and the power and glory of His anointing, reside in you. And that, the Bible says, is “the hope of glory!”

Christ in you is your hope for a life of glory. If you’re sick in your body today, what you need is the manifestation of Christ in your body. When Christ is manifested, everything that’s not of God will leave.

This understanding is important because when a man is born again, he is recreated in his human spirit. The life of God supplants the human life with which he was born, and he becomes a new man. However, his soul, which is the seat of his emotions, will, and thoughts, remains the same. That’s why a person can be born again and still have the wrong thoughts in his mind. But when Christ is manifested in your soul, you will think the thoughts of God and do His will (Romans 12:2).

Just as your mind is not instantly transformed at the new birth, your body also doesn’t change the moment you become a Christian. This is why someone can be born again and still feel sick and afflicted in their body. But when Christ is manifested in your body, the necessary result will be healing and divine health.

Every child of God is God’s dwelling place (1 Corinthians 3:16), but Christ can only manifest Himself in the life of the one who keeps His Word. He’ll manifest Himself in your soul by taking charge of your mind and giving you thoughts of God. He’ll also manifest Himself in your body by showing Himself alive in your tissues and organs, giving you divine healing and health.

This is what you need in your life. Much more than the healing, you need the Healer. His divine presence vitalizes your body through His Spirit who lives in you. If He is manifested in your body, no sickness or infirmity can remain!

## PRAYER OF SALVATION

**If you want to make Jesus Christ the Lord of your life, say this prayer, believing with all your heart:**

“O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is the Son of the Living God. I believe that God raised Him from the dead and I confess that Jesus Christ is the Lord of my life from today. I receive, by faith, remission of sins for my soul. Right now, in the Name of our Lord, Jesus Christ, I receive eternal life into my spirit. I am born again!”

If you've just said the prayer, please send an email to [info@httnmagazine.org](mailto:info@httnmagazine.org).  
God bless you.

# Desolation Becomes Delight

The Thrilling Tale of  
Kirbista Vasilyevna  
from Uzbekistan

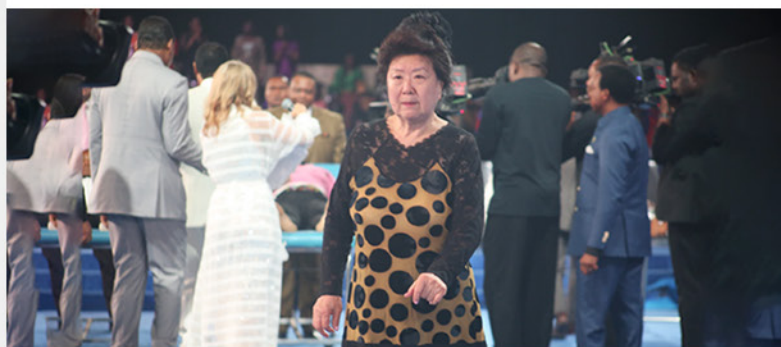

For most of her 74 years, Kirbista Vasilyevna from Uzbekistan lived a life marked by endurance. Diagnosed with an overwhelming array of chronic illnesses—diabetes, hypertension, heart disease, kidney dysfunction, and crippling osteoarthritis—her days became a relentless struggle. The simplest tasks turned excruciating.

*“Everything started 12 years ago,” Kirbista recalls. “I was gaining weight quickly. Then, suddenly, I began to lose it rapidly. I was constantly thirsty. My friends were greatly concerned, but I told them I was just drinking too much water. I didn’t know at that point that I was sick.”* Then came a diagnosis that shook her to the core: diabetes. For Kirbista, it wasn’t just a medical term. It was a painful reminder of loss. She had seen the disease claim both her father and older sister, and the thought of it haunted her for years.

**“Everything started 12 years ago, I was gaining weight quickly. Then, suddenly, I began to lose it rapidly. I was constantly thirsty... I didn’t know at that point that I was sick.”**

Now faced with it herself, the fear she had long carried erupted into a wave of emotional turmoil. It wasn’t long before despair set in, pulling her into a deep and silent depression.

In no time, her condition worsened. New symptoms emerged daily, each more debilitating than the last. With every visit to the doctor, her medical file thickened with new entries and grim updates. Pain in her legs, arms, shoulders, and back left her nearly

immobile, and she was unable to walk without assistance for over a year.

Summoning the last reserves of her strength, she pursued various treatments, all of which failed. Her health continued to decline. Breathing became laborious, her shoulders ached constantly, and her fingers swelled so severely that she could no longer wear her rings. Every day felt like a silent war, one she was gradually losing.

But when hope seemed like a distant memory, one call, one decision, and one leap of faith changed the course of Kirbista’s life. Her daughter called from Moscow, Russia, to share news of the October 2024

whom had watched her physical decline, now stand in awe at her radiant new life.

Healing Streams Live Healing Services with Pastor Chris and Pastor Benny. Without hesitation, Kirbista seized this lifeline, desiring to live without pain.

*"At that point, I had nothing to lose. I couldn't sit or stand properly, and I could only sit for one hour at most. So I said yes!"* she remembers.

Kirbista and her daughter traveled to Nigeria and attended the program with expectant hearts. Her faith grew by leaps and bounds as the Live Healing Services approached. With unwavering dedication, she followed every instruction, praying and singing in worship and anticipation.

Her defining moment came as she lay on a stretcher. Pastor Chris and Pastor Benny approached her, and they laid their hands on her and ministered. That's when the miraculous happened.

*"I felt a cool sensation moving through me. I didn't understand what was happening, but I felt something powerful. Before that night, I could barely walk. But that evening, I began walking. Slowly at first, but I suddenly found myself walking without any help,"* she narrates. Kirbista was completely healed. No pain. No weakness. She could raise her hands freely.

She could walk, jump, and even run. Witnessing the incredible transformation, her daughter was overcome with joy.

*"It was as if I were a brand new person. It was like I had never been sick. I was full of joy,"* an elated Kirbista declares. Her transformation astounds everyone who knew her. Friends, family, and neighbors, many of

*"For two years, I had serious movement problems. But now, if you look at old footage of me and compare it to how I move now, you'll see the difference. Since the Healing Streams, I have been renewed."*

**"For two years, I had serious movement problems. But now, if you look at old footage of me, you'll see the difference. Since the Healing Streams, I have been renewed."**

From deepest despair to boundless joy, from immobility to newfound strength, Kirbista's life is a testament to the transforming power of faith in God's Word. Thankful, she says, *"I want to express my sincere gratitude to Pastor Chris and Pastor Benny. I pray that everyone who comes close to you will be healed forever. Thank you very much for saving me."*

Kirbista stands today as living proof that true healing comes when faith takes the lead.

# A GLORIOUS EPOCH OF POWER AND MIRACLES

Excerpts of the July 2025 Healing Streams Live Healing Services

Once again, the world was awed as the Healing Streams Live Healing Services with Pastor Chris swept across nations, ushering in an undeniable move of the Spirit. From July 18th to 20th, 2025, billions worldwide witnessed the fulfillment of prophecy, an invasion of the earth with God's power and glory. Every moment was marked by miracles, salvation, and divine restoration, as countless people connected in faith from homes, villages, and cities.

Leading up to the Live Healing Services, massive healing crusades and healing outreaches took place around the world. This paved the way for the supernatural, stirring faith in communities and preparing hearts to receive. In alignment with the divine mandate to complete the full preaching of the Gospel, these global efforts birthed an atmosphere of expectation that carried into the healing services.

In a special segment, senior ministers—Rev. Tom Amenkhienan, Rev. Ray Okocha, and Pastor Johan de Beer—joined Pastor Deola for a time of reflection on the Healing Streams Live Healing Services. Together, they shared inspiring testimonies of transformation and offered insights to help the global audience fully take advantage of the divine moments throughout the program.

*"You are in a place in your life where prophecy is being fulfilled. There will be sudden testimonies. It's going to happen all around the world like a flash,"* Rev. Tom stated.

Rev. Ray echoed with assurance: *"It doesn't matter what the problem has been. It doesn't matter the sickness that you may have gone through. God is saying, 'I will restore health to you. I will bring healing.' Restoration will happen for you. Wholeness has come to you today."*

Pastor Johan added: *"This healing power that is coming to you is God's idea. God had you in mind. So, this is your time. Healing is available. This isn't just a healing crusade; it's also an evangelical crusade. Salvation is available."*

Featuring live testifiers, the program showcased incredible healing miracles that stirred hearts and

**PASTOR DEOLA PHILLIPS**

Pastor Deola Phillips, esteemed director of the Healing School, welcomed the global audience with a powerful declaration: *"This is the moment to experience God's faithfulness and salvation. God has you on His mind. This meeting has been ordained before time to bring you comfort and relief and to take you into your next glorious future. As the seed of*

*Abraham, it is your right to be healed, healthy, whole, and set free from any condition that has bound you."* Her words resonated, positioning all to receive and setting the tone for the extraordinary manifestations to follow.

revived faith. Their stories, woven from indelible experiences in previous Healing Streams, were vivid reminders of God's power, inspiring the audience and preparing them to receive their miracles.

**MOISES FROM BRAZIL**

**Moises from Brazil** suffered a sudden stroke at work that left the entire left side of his body paralyzed. Unable to walk, move, or speak, he was transferred between hospitals without improvement and eventually admitted for continued care. While in the hospital, his daughter-in-law connected him to the Healing Streams. As Pastor Chris prayed for the global congregation, Moises felt God's power in his ward. Then he stood up and began to walk! Overflowing with faith, he walked to a fellow patient beside him with the same condition, laid hands on him, and the man was healed, too. Moises is now full of life and gratitude. *"I thought I was going to die, but God gave me life and gave me health,"* he testifies.

For 24 years, **Sheniva from Suriname** endured partial deafness in both ears. Nothing she tried brought relief, and the struggle to hear left her emotionally exhausted. Mocked for constantly asking

**SHENIVA FROM SURINAME**

others to repeat themselves, she often hid her condition out of shame. Her yearning for change led her to participate in the Live Healing Services. When the man of God divinely instructed viewers to place their hands where they needed healing, Sheniva responded in faith. In an instant, her ears popped open! Her phone's volume suddenly became so loud, and she began to hear clearly. Since her healing, Sheniva's life has changed! She is joyful, vibrant, and transformed.

Every second at the healing services is a healing moment. Emphasizing this, Evangelist (Dr.) Eddy Owase said, *"The whole world is saturated with God's healing power. Get ready to arise from depression and all that the condition has subjected you to, and be ready to live your life in joy. Let faith be stirred in you to take your miracle."*

The Loveworld Singers filled the air with glorious melodies, preparing hearts for what was to come. Into that sacred atmosphere, Pastor Chris made his entrance and immediately began ministering to the sick on the healing line. He directed the same

divine impartation to those connected online and the global audience participating from various locations. God's power flowed unrestrained, dislodging demons of affliction, disease, and infirmity from the bodies they had claimed. Healing and miracles of every kind erupted, marked by overwhelming rejoicing and shouts of joy from all who witnessed and received.

MERYLDENE FROM SOUTH AFRICA

**Meryldene from South Africa** lived with the agony of liver cirrhosis for four years. She endured constant pain, a swollen belly, nausea, and fatigue. She was advised to get a liver transplant. But Meryldene held on to her faith, believing in God's healing power. She participated in the Healing Streams Live Healing Services, connected online alongside others on the healing line. When Pastor Chris prayed for her, everything changed. The pain vanished, the swelling disappeared, and her strength returned. The next day, Meryldene went to the hospital for a checkup, and her doctor confirmed that the abnormality with her liver was no more.

Next, Pastor Chris ministered the Word with divine insight, teaching on 'The Believer as the Temple of God'. He emphasized the indwelling presence of God and the believer's authority to live a higher life. *"God's choice is to live inside you so that His power becomes the power with which you do whatever you want to do. We build big structures for God and think His presence lives there. No, He wants to live inside of you, so that He can make everything He is available to you. In that way, you'll never lose your way. You'll never lack, be frustrated, or be sick again."*

Each day concluded with Pastor Chris making a call to salvation and people all over the world receiving Jesus as Lord. Pastor Chris also recognized ministers from around the world, inviting them to join him to pray and declare Christ's reign across every nation.

In the final moments of the last day, Pastor Chris prayed for families, releasing blessings, grace, and prosperity. It was a magnificent crescendo to a weekend filled with power, love, and glory.

## Lily Is Alive!

In this testimony, Kelly from Cameroon recounts a heart-wrenching ordeal with her daughter and the miraculous healing that came through the Healing to the Nations Magazine.

*"On Monday, the 3rd of September 2023, my world was shaken. I got up to prepare breakfast for my little girl, Lily. As she sat on the floor with the food before her, I noticed something strange; her body tilted to one side. I adjusted her position, but it happened again. Suddenly, her eyes rolled upward, and she became stiff as a board."*

*"I screamed in panic. Neighbors rushed in and, seeing Lily's condition, said it looked like convulsions and urged me to get her to the hospital immediately. At the hospital, they gave her medication meant to stop the convulsions, even administering a higher-than-usual dose. But nothing changed."*

*"We stayed there for three agonizing days. During that time, my precious daughter couldn't open her eyes or eat. She slipped into a coma, and the doctors advised me to take her to a specialist. But with no money for further treatment, I brought her home, heartbroken."*

*went to the house. When we arrived, we found the family in tears. We ministered salvation to them, and they received the Holy Spirit and spoke in tongues. Then, we placed the magazine on Lily and prayed in the Spirit together."*

*"That was when God's mercy stepped in. A friend called to check on us. When I explained Lily's worsening condition, he told me about a sister from his church named Stephanie. Desperate for help, I sent my sister to find her."*

What followed was nothing short of a miracle. After an hour, Lily stirred. She woke up and asked for food! Kelly was amazed as her daughter ate eagerly. Afterward, she got up and walked around the house. The household and neighbors burst into rejoicing.

Stephanie shares what happened next. *"That day, we were preparing to go out for outreach when a lady came into the church and explained her niece's situation. She asked if we could come pray for the child. As I prayed, the Holy Spirit told me clearly, 'Take a copy of the Healing to the Nations Magazine with you.' I obeyed, and along with three others, we*

*From that moment, Lily was completely healed. Today, she's full of life. She goes to school, plays joyfully, and eats well. Lily says, "I'm fine now. I can play. Thank you, Pastor Chris, for healing me!"*

Lily's story proves the unstoppable power of God's Word. Where human ability ends, His grace begins.

# CLEAR SPACE: The Power of Decluttering

Scan here  
to watch  
documentaries  
on health

Let's face it, we all accumulate clutter. Drawers full of who-knows-what, stacks of paper that "might be useful one day," clothes we haven't worn in a while. It builds slowly, silently, until you realize your space feels heavy, and so do you. Decluttering isn't just a weekend project or an aesthetic upgrade. It's a proven way to improve your mental health, energy levels, and physical well-being.

Ever felt mentally drained just walking into a messy room? That's not your imagination. Studies show that clutter increases cortisol (the stress hormone), distracts your brain, decreases focus, disrupts sleep quality, and triggers anxiety.

Your environment influences how you think, feel, and function. When your surroundings are chaotic, your mind has to work harder to filter distractions and maintain control. Over time, this leads to mental fatigue without your realizing it. On the flip side, a clean, organized space creates safety and a sense of calm and clarity.

## HEALTH BENEFITS OF DECLUTTERING

- 1. Boosts Emotional Well-Being:** Letting go of physical clutter helps release emotional baggage, too. It creates physical and mental space for new goals, growth, and peace.
- 2. Reduces Anxiety and Improves Mood:** A tidy space has a soothing effect. It provides visual rest, lowers stress, and increases feelings of stability.
- 3. Improves Sleep:** The state of one's bedroom affects the quality of sleep in terms of how well and how long. A clean, calm sleep environment signals your brain that it's time to rest, so you fall asleep faster and sleep more deeply.
- 4. Supports Productivity and Focus:** When everything has a place, the mind doesn't waste energy scanning piles or trying to ignore the mess. It becomes more focused, efficient, and confident.
- 5. Encourages Better Habits:** A decluttered home

naturally promotes healthier routines. Consistent workouts are more likely when the space is clear. You're more likely to cook when your counters are clean. You rest better when the environment is peaceful.

## COMMON CLUTTER ZONES TO TACKLE

- 1. Bedroom:** Clear nightstands and remove unnecessary décor to reduce visual noise.
- 2. Closet:** Donate clothes you no longer wear and sort the rest by season or function.
- 3. Workspace:** Organize papers, clear cords and cables, and reduce digital/physical distractions.
- 4. Bathroom:** Toss expired products, streamline skincare, and organize drawers and cabinets.
- 5. Hallway:** Keep it free of excess shoes, bags, and mail. Add hooks or baskets for quick organization.
- 6. Living Room:** Limit surfaces to essentials, store electronics, and streamline media collections.
- 7. Laundry Area:** Organize supplies. Clear old rags, broken hangers, and unused baskets.
- 8. Kids' Play Area:** Rotate toys, donate extras, and teach children to sort and tidy regularly.
- 9. Reading Nook:** Keep only the books you plan to read. Donate the rest and clear visual clutter.
- 10. Digital Devices:** Declutter your devices. Delete unused apps and files, organize files, unsubscribe from email lists, and clean your desktop.

## MINDFUL STEPS TO DECLUTTER

- 1. Set an intention, not just a goal.** Why you're decluttering will make it more meaningful.
- 2. Start small.** Pick one shelf or one corner. Each small win will boost energy and motivation.
- 3. Use the 3-Box Rule.** Label them as "Keep, Donate, and Discard" to make sorting easier.
- 4. Create Breathing Space.** White space gives the mind rest and clarity. So, store things better.
- 5. Focus on Progress:** Every small step moves you forward. Keep at it and stay motivated.

Decluttering is a journey. Just start somewhere.

# FAITH'S Proclamations of Healing & Health

**“Behold also the ships, which though they be so great, and are driven of fierce winds, yet are they turned about with a very small helm, whithersoever the governor listeth. Even so the tongue is a little member, and boasteth great things. Behold, how great a matter a little fire kindleth!” (James 3:4-5)**

**Y**our tongue is that small helm, and you’re the captain. If your life is headed for the rocks, and it looks like everything is getting darker, God is saying, *“Use your tongue to change the direction,”* because you can! Jesus said, **“If ye have faith as a grain of mustard seed, ye shall SAY unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you” (Matthew 17:20).**

If a problem shows up in your body, speak faith-filled words! Don’t speak contrary words; instead, declare God’s Word of healing and divine health in Christ Jesus. When you speak words of faith, anything is possible!

## **CONFESSIONS**

Greater is He that is in me than he that is in the world. I live above sickness and darkness. Christ lives in me, in every fiber of my being and every bone of my body. Christ in me, the hope of glory.

My body is the temple and dwelling place of the Almighty God. Every part of my body is yielded to God’s Word. I glorify the Lord daily. No sickness shall reign in my body and sin shall not have dominion over me because Christ is the Lord of my life!

Victory, dominion, and perfect health hallmark my daily life. I live in peace with prosperity because my mind continually stays on God’s Word. I do not worry about my health because the Lord has perfected all that concerns me.

I rejoice because Jesus has overcome the world. I am more than a conqueror in this life, and I live in the victory that Christ wrought for me. I am not afraid of sickness, for I reign through Christ Jesus. There’s no death in my path because I walk in life and health.

My faith prevails over all the enemy’s fiery darts of sickness, disease, and wickedness. I am triumphant in Christ! I am a God-carrier! I am alive unto the Lord

and my body is vitalized by the Spirit of the Living God. I walk in supernatural strength and health every day.

My body is strong and healthy! Sickness and infirmity have no place in me. I am alive and well! Divine health flourishes in me. The life of Christ is at work in me. I am blessed and I am a blessing. I dispense life and grace to all I encounter, in Jesus’ name. Amen.

My body is full of radiant health and vitality. Sickness has no hold on my life. The body of Jesus was bruised and broken for my sake; therefore, I refuse to be broken by any infirmity. Christ is in every fiber of my being and every bone of my body. He is in my blood, head, feet, and hands.

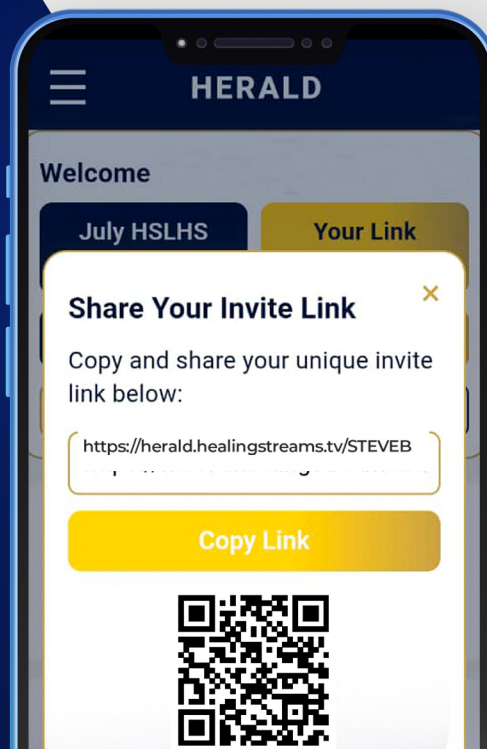

I live triumphantly through the Word and by the Spirit of God, far above sickness, disease, and death. Irrespective of circumstances, I have and enjoy life to the fullest. No infirmity can stay in my body. I refuse to accommodate anything contrary to God’s Word.

I am full of life and health. My lungs, kidneys, heart, and liver are perfect. I will never be sick. I am a victor, marvelously helped of the Lord, and I daily revel in the fullness of the blessings of the Gospel. Amen.
