PRAYER OF SALVATION

Say this prayer and receive Jesus into your life:

“Oh Lord God, I believe with all my heart in Jesus Christ, Your only begotten Son. I believe He died for me and that You raised Him from the dead. I believe He is alive today. I confess with my mouth that Jesus Christ is Lord of my life from now on. In the Name of the Lord Jesus, I receive eternal life into my spirit. I am born again. Hallelujah!”

Congratulations! Welcome to God's family!

A Wholesome Tongue

**“A wholesome tongue is a tree of life: but perverseness therein is a breach in the spirit.”
(Proverbs 15:4)**

A healing tongue gives life, but a perverse tongue deforms, wounds, or causes destruction in the spirit. In other words, whenever you speak words opposite to God's Word concerning your life, you cause destruction in the spirit, and it's only a matter of time before the ruin shows up in the physical realm.

It may come as an infection or a growth, and you may wonder, *"How did this get here?"* If someone keeps declaring, *"This sickness will kill me,"* no matter how many doctors try to help them, they'll never get well. Why? They've signed their fate into law with their words!

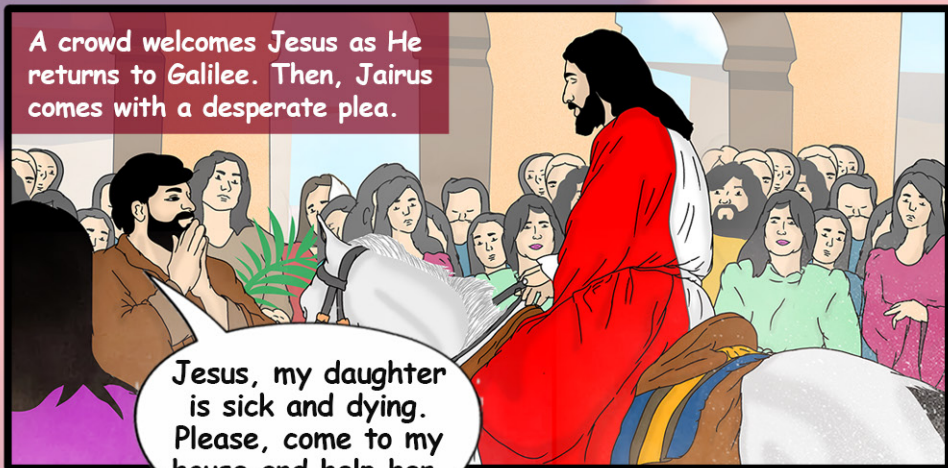

Always use your words to change any contrary situation because you can! If a problem appears in your body, speak faith-filled words to it! Don't speak faithless words; instead, declare God's Word of healing and divine health in Christ.

Jesus said, *"...I promise you, if you have faith inside of you no bigger than the size of a small mustard seed, you can say to this mountain, 'Move away from here and go over there,' and you will see it move! There is nothing you couldn't do!"* (Matthew 17:20 TPT). When you speak words of faith, anything is possible!

TAKEAWAY: Let God's Word fill your thoughts and heart; then the things you say will match up with what God's Word teaches. This year, let your words always bless and uplift.

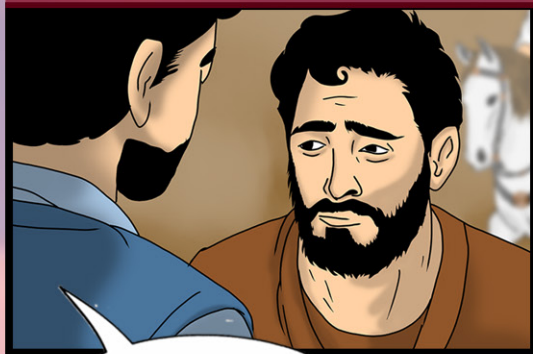

A Father's Heroic Love

A crowd welcomes Jesus as He returns to Galilee. Then, Jairus comes with a desperate plea.

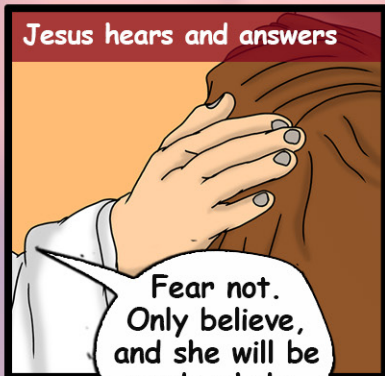

Jesus, my daughter is sick and dying. Please, come to my house and help her.

Along the way, Jesus stops to minister to the woman with the issue of blood. They continue, but a servant comes to Jairus with bad news.

Jairus, your daughter is dead. Don't trouble the Master anymore.

Jesus hears and answers

Fear not. Only believe, and she will be made whole.

Jesus and His disciples arrive at Jairus' house and find people crying

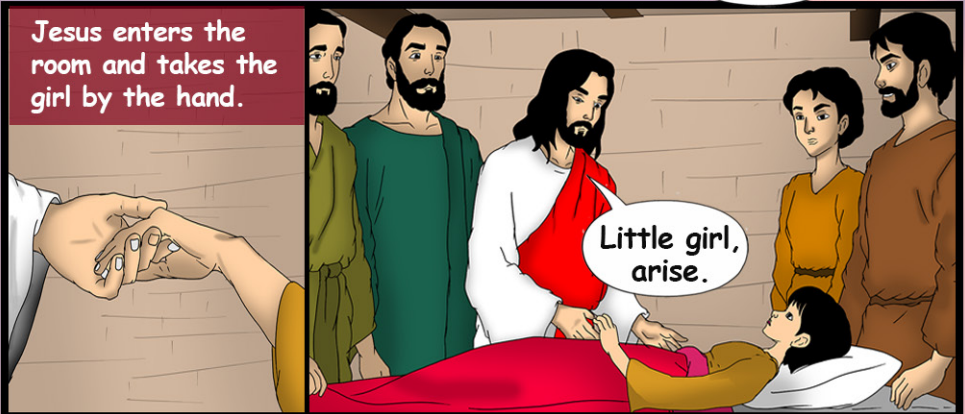

Don't cry. She's not dead, only asleep.

The people laugh at Jesus' words because they know the girl is dead.

Jesus enters the room and takes the girl by the hand.

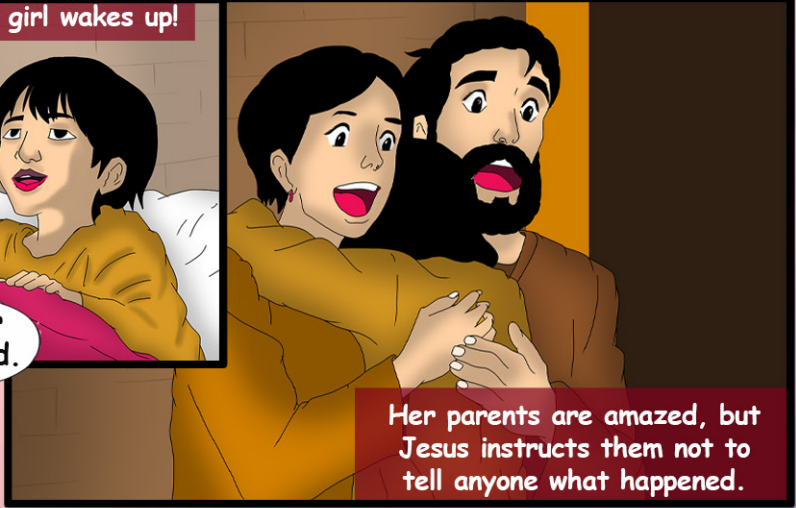

A Father's Heroic Love

Instantly, the girl wakes up!

Give her
some food.

Her parents are amazed, but
Jesus instructs them not to
tell anyone what happened.

MEMORY VERSE

For God so loved the
world, that he gave
his only begotten
Son, that whosoever
believeth in him
should not perish, but
have everlasting life.
(John 3:16)

A PRECIOUS MIRACLE

Precious was a beautiful baby who brought endless joy to her parents. As she grew and started walking, her parents noticed that her legs bent outward, making an awkward shape when she put her ankles together.

Mum and dad were worried because Precious would sometimes fall when she walked, and they didn't want her to get injured. Also, some kids avoided playing with her, which made Precious sad and lonely.

It was hard for Precious' parents to see their child struggle, so they took her to the doctors to see if anything could be done. They were distressed to learn that there was no medical solution to this.

Unwilling to see their child suffer, Precious' parents

BEFORE

prayed for a miracle. They participated in the March 2024 Healing Streams Live Healing Services with Pastor Chris from their home in China. As Pastor Chris prayed and commanded healing for everyone connected, her parents believed that she would be healed.

And guess what? Precious received her miracle! A few days later, her parents noticed that she had stopped falling and her legs didn't hurt anymore! Within a short time, her legs were completely straight.

Today, two-year-old Precious is full of strength and has many friends to play with. She can run and play just like all the other kids. Truly, anything is possible with God. Hallelujah!

LESSON:

Trust in God. No matter the report or contrary situation, you can change anything. All things are possible to the one who believes.

A SPECIAL MAGAZINE MIRACLE

Nine-year-old Olise woke up scared one night after a bad dream where someone told her it was time to die. She ran to her mom, who prayed for her and told her not to worry. The next day, while playing with her siblings, Olise suddenly felt dizzy and went inside to rest. But soon after, she collapsed and stopped breathing.

In shock, her mom prayed loudly in tongues and remembered testimonies from the Healing to the Nations Magazine. She grabbed her copy and placed it on Olise's head, declaring she would live in Jesus' name. Almost 15 minutes later, Olise opened her eyes and answered her mom's calls. Glory to God!

Olise shares: "When I died, I went to a dark place. A man in white came and said he would lead me home. As we approached a light, he asked me if I wanted to go back and I said yes. Then, I heard my mom calling me. I passed through a door and came back to life."

"When I came back to life, I could not walk or do anything for myself. One day, I placed the magazine on my knees and prayed. I stood up and started walking. Now, I can do anything."

Today, Olise is healthy, back in school, running, playing, and doing everything she couldn't do before. "Thank you, Pastor Chris, and all the partners. You gave my daughter a second chance at life," her mom says.

1. PRAY EVERY DAY

Make it a habit to pray and say your divine health confessions every morning as soon as you wake up and every night before you go to bed. This will keep your body and spirit super strong and healthy.

2. EXERCISE

Move your body, jump, or play outside! Running, riding your bike, and playing games like tag are great ways to keep your heart strong and have fun!

3. BRUSH YOUR TEETH

For a bright smile, healthy teeth, and fresh breath, brush your teeth twice daily – before breakfast in the morning and before bed at night.

4. WASH YOUR HANDS

Washing your hands with soap and water prevents germs! Always wash your hands before eating and after playing.

**5.
TAKE BATHS &
COMB HAIR**

A nice bath makes you feel clean and fresh. After your bath, comb your hair to keep tangles away and look neat!

**6.
DRINK PLENTY
OF WATER**

Water is the best drink! It's so refreshing. It keeps you cool and helps you feel great throughout the day.

**7.
EAT COLORFUL
FOODS**

Eating freshly cooked food with fruits and veggies is like having a rainbow on your plate! Crunchy carrots, juicy apples, and bright broccoli make you stronger and give you the energy to play.

**8.
STAY CLEAN**

Keeping your room and clothes clean makes you feel confident and ready for the day! Say no to dirty clothes and surroundings.

**9.
GET ENOUGH
SLEEP**

Make sure you sleep for 8-11 hours every night so you can wake up happy and full of energy.

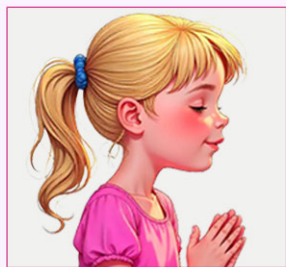

**10.
SMILE AND

Express the joy in your spirit through smiles and lots of laughter. Spread that joy to others around you through acts of kindness – help a friend, give someone a compliment, and give special gifts like the Healing to the Nations Magazine for Kids. The more you share, the more reasons you have to smile and laugh.
