## PRAYER OF SALVATION

**Say this prayer and receive Jesus into your life:**

“Oh Lord God, I believe with all my heart in Jesus Christ the Son of the living God. I believe He died for me and God raised Him from the dead. I believe He is alive today. I confess with my mouth that Jesus Christ is Lord of my life from this day. Through Him and in His Name, I have eternal life, I am born again. Thank you, Lord, for saving my soul! I am now a child of God. Hallelujah!”

**Congratulations! Welcome to God’s family!**

# MUCH MORE THAN HEALING

**In this way, he disarmed the spiritual rulers and authorities. He shamed them publicly by his victory over them on the cross.  
(Colossians 2:15 NLT)**

**I**f you're feeling sick today, divine health has been made available in Christ Jesus. You don't need to suffer one more day. Jesus took all the pain and sickness on Himself. His blood was shed for you. Imagine your sickness and pain being nailed to the cross with Him—it's no longer yours! You can simply walk away from any sickness or pain.

When pain or sickness tries to attack your body, don't cry or beg. Just say, *"Leave my body in the Name of Jesus Christ."* Then relax. Everything in the world will obey your words because God's Word is most powerful.

Many people don't know this, so they suffer. But now you know the truth, so receive divine healing in your body. Your suffering is unnecessary. Sickness can't control you anymore because the life of God in you is greater!.

**TAKEAWAY:** Knowing God's Word helps us beat sickness because we remember that Christ Jesus has already paid the price for our healing and divine health.

ADVENTURES

# RAISING LAZARUS

In Bethany, Judea, Lazarus is very sick. His sisters - Mary and Martha - are worried because he's in very bad shape. They decide to send a message to their friend, Jesus.

The messenger finds Jesus with His disciples and delivers the message.

The third day, Jesus tells His disciples it's time to return to Judea. But they protest.

Master, why do You want to return to Judea? Some Jews tried to stone You the last time!

If Lazarus is asleep, he'll get better.

Our friend, Lazarus, is asleep, and I am going there to wake him up.

No, Lazarus is dead. But let us go to him.

When Jesus is close to Bethany, a tearful Martha runs out to meet Him.

Lord, if You had been here, my brother would not have died! But even now, I know that God will give you whatever you ask.

Your brother will rise again. I am the one who raises the dead to life! Everyone who has faith in me will live, even if they die. Do you believe this?

I believe!

Mary hears Jesus has arrived, and she comes to Him and kneels. Jesus starts crying.

Lord, if You had been here, my brother would not have died!

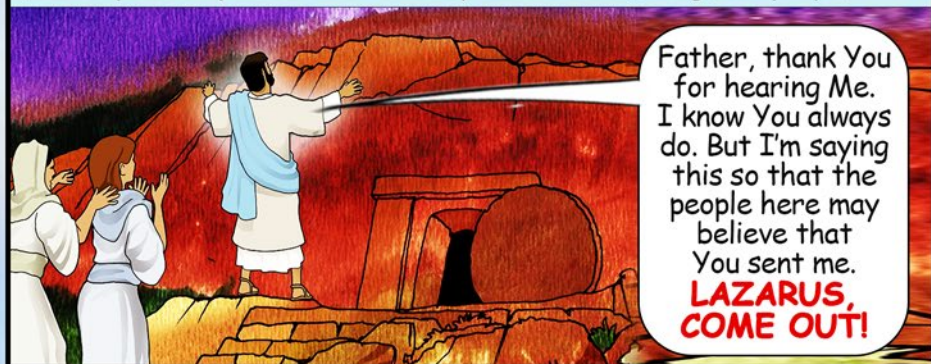

Where is his body?

# RAISING LAZARUS

Jesus and the mourners with Mary and Martha go to the tomb where Lazarus is buried. Jesus tells them to roll the stone away, even though four days have passed and the body should be smelling. He prays.

Lazarus, who was dead for four days, comes out of the tomb, still wrapped in strips of linen. Jesus tells them to remove the burial clothes, and all marvel at this miracle.

## MEMORY VERSE

Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die. Do you believe this?"

**John 11:25-26 (NIV)**

## ALDEN'S NEW BEGINNING

**W**hen Alden from Australia was 18 months old, he struggled with speaking, eating, and walking. Loud noises and crowds upset him, and he was diagnosed with severe autism.

Despite trying various therapies, nothing seemed to help. One day, Alden's parents found the Healing Streams Live Healing Services with Pastor Chris.

While the man of God was praying during the program, Alden suddenly said, *"I can be healed right now!"* This gave his mom hope. Miraculously, Alden is healed of autism. Today, he plays at the park, speaks, and walks just fine. Hallelujah!

## FROM SICK TO SUPER IN A SNAP

**O**ne quiet evening in Zambia, little Jediah became very sick. He had trouble breathing and started shaking uncontrollably. His parents rushed him to the hospital, where the doctors gave him oxygen, but he fell into a coma and couldn't wake up.

Jediah's mom called her church leader, who sent her a link to the Live Healing Service with Pastor Chris. She connected to the program and placed the phone next to Jediah's head. As soon as Pastor Chris's voice began to play, Jediah's eyes popped open, and he woke up!

The doctors were amazed. In no time, Jediah was walking and talking again. Now, he's a happy and healthy boy, and his parents are grateful for his miraculous healing!

## **BABY TREASURE COMES BACK TO LIFE**

One evening, Baby Treasure's grandmother was bathing her when she suddenly stopped moving, and her skin turned cold. Grandma shook her and tried everything to wake her, but there was no sign of life. Terrified, Grandma cried out in alarm.

Treasure's mom was horrified at the sight of her lifeless child. But rather than despair, she remembered special miracles with the Healing to the Nations Magazine that she had heard. She wrapped Baby Treasure in a copy of the magazine and raced to the hospital.

Treasure's dad met them on the way. Upon seeing his baby's condition, he prayed fervently and in faith. *"I am a partner of the Healing School, my child cannot die. In the Name of Jesus, my baby is coming back to life now!"* he declared. Moments later, Baby Treasure took a breath, cried out, and opened her eyes! Her family rejoiced and praised the Lord for this incredible miracle.
