PRAYER OF SALVATION

Say this prayer and receive the Lord Jesus into your life:

"Oh Lord God, I believe with all my heart in Jesus Christ, the Son of God. I believe He died for me and that You raised Him from the dead. I believe He is alive today. I confess with my mouth that Jesus Christ is Lord of my life from now on. In the Name of the Lord Jesus, I receive eternal life into my spirit. I am born again. Hallelujah!"

Congratulations! Welcome to God's family!

GO FOR THE WORD

"My people are destroyed for lack of knowledge..." **Hosea 4:6 (KJV).**

Many people and families are bullied and tormented by the devil because they lack the knowledge of God's Word. They don't know what God's Word says about who they are, what they have, or what they can do. This is why you must take your study of God's Word seriously. It will show you who you really are and what belongs to you in Christ Jesus.

God has made you a **king and a priest (Revelation 1:6)**. This means you have power and authority over anything, anywhere, including sickness **(Luke 10:19 AMP)**.

The truth is, the more of God's Word you study and receive into your spirit, the more you will understand the life of God in you, become increasingly conscious of it, and learn to function in it. The life of God in you will become so real to you that it will be impossible for sickness to dominate your body or mind.

Make up your mind to have an intimate relationship with God's Word. Go after it like you would go after treasure! Believe it and act on it. It will transform your life and cause you to walk in the reality and blessings of eternal life.

CONFESSION: I am born of God, and His life is in me! No sickness has the power or ability to invade or destroy my body. I enjoy divine health now and always, in the Name of Jesus Christ! Hallelujah!

HEALING ADVENTURES FROM THE BIBLE

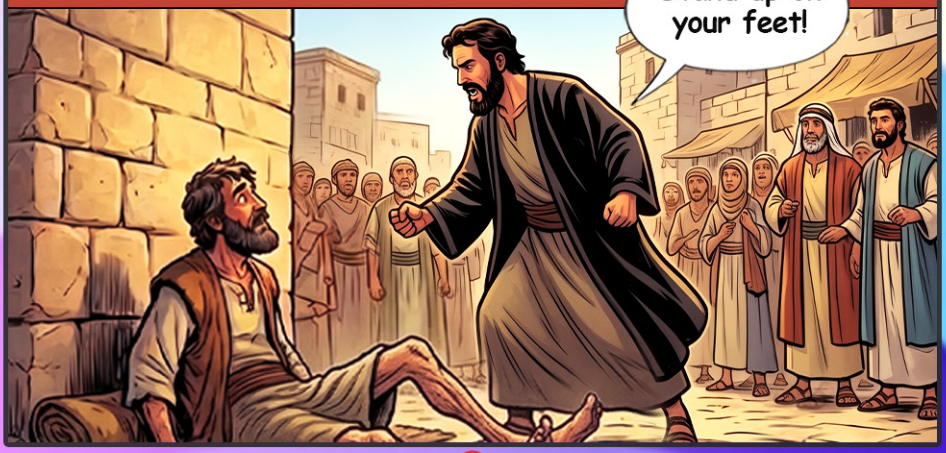

Acts 14:8–18 (NIV)

THE DAY HIS FEET CAME TO LIFE!

In Lystra, Paul is teaching a crowd. A man who has been lame from birth sits there listening intently. He has never walked. Paul looks directly at him and sees that he has faith to be healed.

Paul calls out to the man with boldness.

At once, the man jumps up and begins to walk! The crowd sees him walking for the first time in his life. Everyone is amazed at the miracle!

The crowd thinks Paul and Barnabas are gods who have come down in human form and tries to offer sacrifices to them.

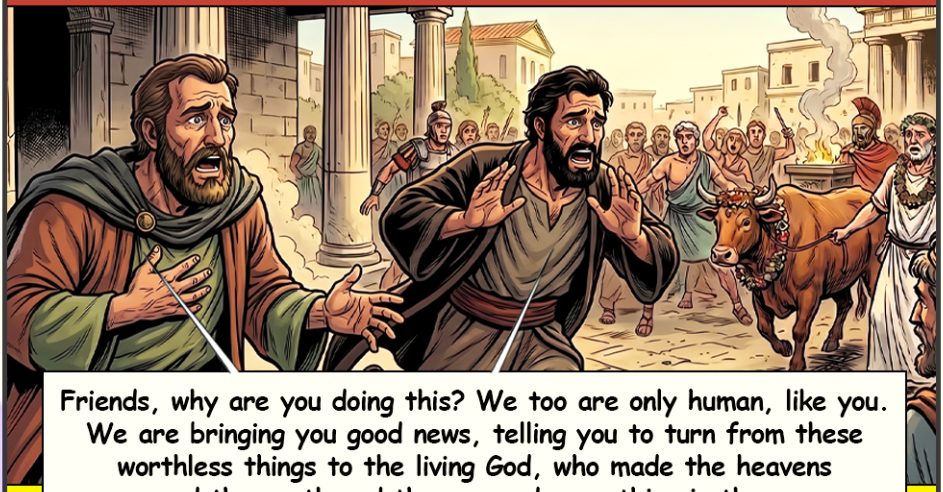

HEALING ADVENTURES FROM THE BIBLE

Acts 14:8–18 (NIV)

THE DAY HIS FEET CAME TO LIFE!

When Paul and Barnabas hear what the crowd is doing, they tear their clothes and rush into the crowd to stop them, shouting.

Friends, why are you doing this? We too are only human, like you. We are bringing you good news, telling you to turn from these worthless things to the living God, who made the heavens and the earth and the sea and everything in them.

MEMORY VERSE

And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.

Hebrews 11:6 (NIV)

GRACIE'S BRAND-NEW HEART

BEFORE

NOW

Gracie loved to play, run, and laugh like every other nine-year-old until April 2025, when she suddenly became extremely tired, lost her appetite, developed swollen legs, and struggled to breathe.

Doctors diagnosed her with dilated cardiomyopathy, a serious condition that caused her heart to enlarge and become too weak to pump blood properly. She was placed on lifelong medication, and doctors said a heart transplant was the only medical solution available to her. But Gracie and her mom chose to trust God's Word.

Carried in on a stretcher to the Healing Streams Live Healing Services, Gracie stayed focused as the man of God, Pastor Chris, laid his hands on her chest, declaring her heart healed and brand new in the Name of Jesus Christ.

Suddenly, strength filled her body! Gracie jumped up, ran, and praised God. Soon, the swelling disappeared, she could breathe freely, her appetite returned, and her strength was fully restored. Today, she joyfully attends school again.

HICCUPS? NOT TODAY

Hey, Divine Health Heroes! Have you ever had a flurry of hiccups that made you go, "Hic! Hic! Hic!"? I bet you have! Did you wonder what was going on when they didn't go away quickly enough, or made playing, chatting with your friends, eating, or even sleeping less fun than usual?

Well, here's some good news: hiccups are usually nothing to worry about! In fact, they are a pretty cool response from your body.

WHAT ARE HICCUPS?

Hiccups happen when your **diaphragm**—the dome-shaped muscle below your lungs that helps you breathe—suddenly contracts. When this happens, your vocal cords quickly close, producing that familiar **"HIC!"** sound.

WHAT MAKES THEM HAPPEN?

- Eating too quickly or too much.
- Drinking fizzy drinks.
- Swallowing lots of air.
- Laughing very hard.
- Getting super excited.
- Eating very spicy foods.
- A sudden change in temperature.

HOW TO GET RID OF THEM

Most hiccups go away on their own within a few minutes. You can also:

1. SIP WATER SLOWLY

2. BREATHE CALMLY

3. RELAX

Sit quietly and give your body a moment to settle down.

If they do not go quickly enough to suit you, speak in tongues and command the hiccups to stop in the Name of Jesus Christ!

HOW TO KEEP THEM AWAY

- **Eat and drink slowly.** Don't gulp or rush, even when you're hungry or thirsty.
- **Don't overeat.** Stop when you're comfortably full.
- **Say no to fizzy drinks.** They can trigger hiccups in some people.

TONGUE TWISTER

Hiccup Harry hiccupped happily, while happy Harry's hiccups hopped! Can you say it fast three times without getting your words tangled?
