PRAYER OF SALVATION

Say this prayer and receive the Lord Jesus into your life:

"Oh Lord God, I believe with all my heart in Jesus Christ, the Son of God. I believe He died for me and that You raised Him from the dead. I believe He is alive today. I confess with my mouth that Jesus Christ is Lord of my life from now on. In the Name of the Lord Jesus, I receive eternal life into my spirit. I am born again. Hallelujah!"

Congratulations! Welcome to God's family!

VOICE YOUR FAITH

"We having the same spirit of faith, according as it is written, I believed, and therefore have I spoken; we also believe, and therefore speak" **2 Corinthians 4:13 (KJV)**.

In every situation, especially when things are difficult, it's very important to **voice your faith**. You do this by declaring what God's Word says about who you are and what He has done for you. **Faith speaks**!

Often, when people face difficult or uncomfortable situations, they tell everyone except God about their challenges because they are afraid and looking for help. But as a child of God, you should always **talk to God** first about what you are going through. Then speak God's Word over that situation and declare what His Word says about you.

Our responsibility as children of God is to testify to the Word. Study the Word of God and discover for yourself what Christ accomplished for you. Believe it in your heart, and then boldly say it! (Matthew 12:34)

For example, if you or a loved one receives a negative medical report, your only response should be God's Word. Don't let fear make you announce the bad news. Instead, find out what God's Word says about your divine life and health in Him and proclaim it in faith.

That's the fight of faith! When you stick to the Word, you're sure to have a testimony!

CONFESSION: Christ is Lord over my spirit, soul, and body. Therefore, my immune system is supernaturally programmed with divine intelligence to destroy any sickness before it can take root. Glory to God!

HEALING ADVENTURES FROM THE BIBLE

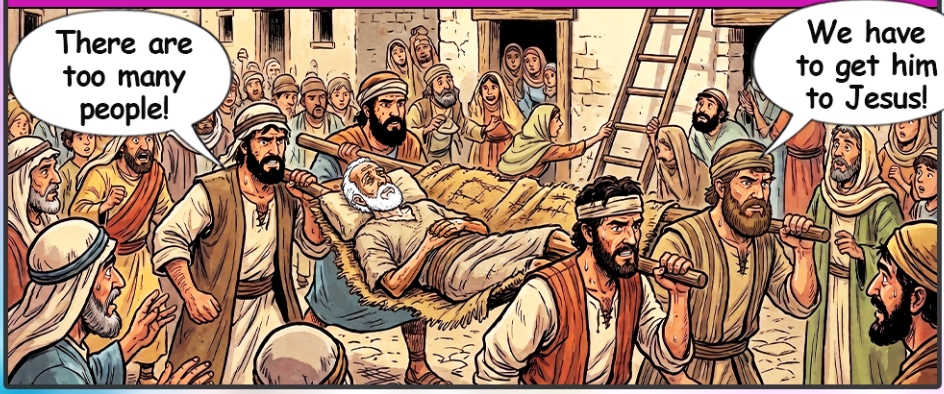

Mark 2:1-12 (NIV)

Jesus Heals the Paralyzed Man

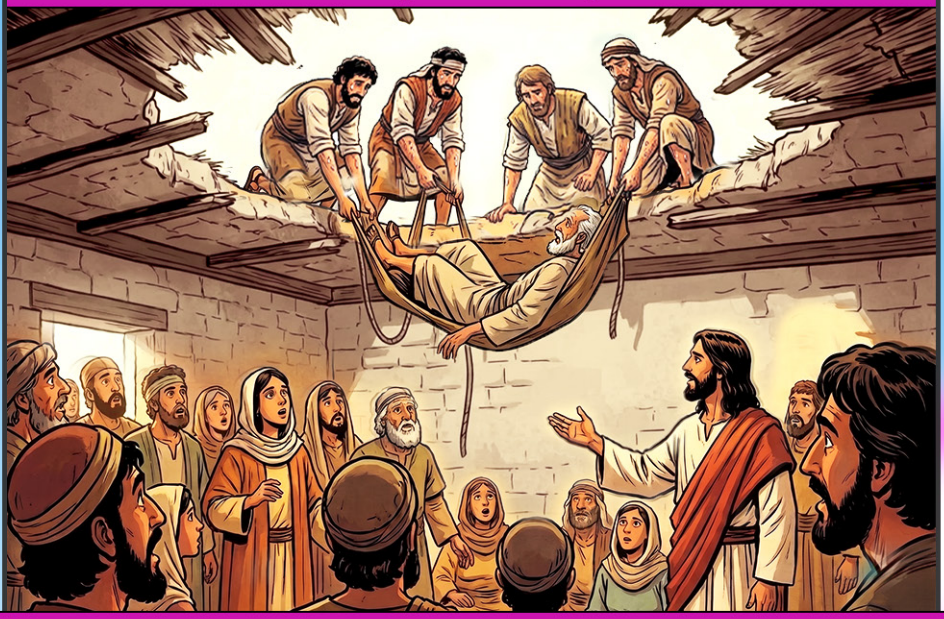

Jesus enters Capernaum again. When people hear that He is home, they gather in such large numbers that there is no room left, not even outside the door. Jesus preaches the Word to them.

Some men carry a paralyzed man on a mat and are trying to take him into the house to lay him before Jesus.

When they cannot find a way through the crowd, they go up on the roof and lower him on his mat through the tiles, right in front of Jesus.

When Jesus sees their faith, He speaks to the paralyzed man.

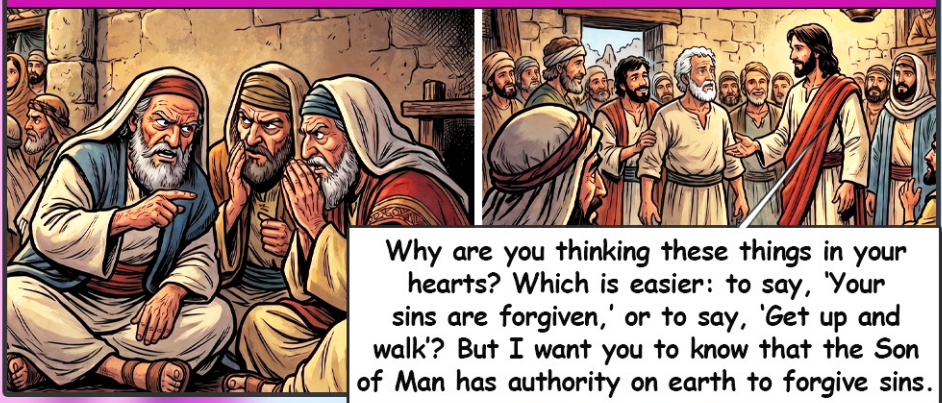

HEALING ADVENTURES FROM THE BIBLE

Mark 2:1-12 (NIV)

Jesus Heals the Paralyzed Man

The Pharisees and teachers of the law think to themselves, "Who is this man? Who can forgive sins but God alone?" Jesus knows what they are thinking.

Why are you thinking these things in your hearts? Which is easier: to say, 'Your sins are forgiven,' or to say, 'Get up and walk'? But I want you to know that the Son of Man has authority on earth to forgive sins.

Jesus says to the paralyzed man...

Everyone is amazed and gives praise to God.

LOOK WHAT GOD DID!

"Many of the Samaritans from that town believed in him because of the woman's testimony" **John 4:39 (NIV).**

When you share what God has done for you, you glorify Him and tell others that He can do the same for them.

GET SET FOR A WONDERVERSE of MIRACLES

Hey, divine health hero! Guess what? The Healing Streams Live Healing Services with Pastor Chris is back, and it's happening from Friday 23 to Sunday 25 October 2026! This time, it's going to be even more awesome! Get ready to experience the healing power of God, receive amazing blessings, and witness wonderful miracles! That's not all; you can help someone experience the blessings, too!

Think about it: Who do you know that needs healing, a miracle, or just needs to know that God loves them and wants them well? It could be your friend, classmate, neighbor, teacher, family member, or someone else you know. Invite them and help them connect to the blessings of the Healing Streams!

Children and families around the world have experienced amazing changes through this program. Sicknesses have disappeared, families have received answers, difficult situations have changed, and homes and nations have been filled with peace, joy, and praise!

I CAN SPEAK NOW

Five-year-old Adiel from Ecuador loved playing and having fun. But there was one thing he couldn't do—speak. No matter how hard he tried, Adiel simply couldn't say a word. This made him sad. He couldn't fully join his friends in play or express his needs and interests to his parents, relying instead on gestures that were sometimes difficult to understand.

His parents were deeply concerned. They followed the doctors' advice, hoping something would change, but there was still no improvement. Yet, they refused to give up.

When they heard about the July Healing Streams Live Healing Services, their faith was stirred. Together with Adiel, they participated at a crusade ground in El Triunfo, Ecuador, believing for a miracle.

As Pastor Chris commanded healing in the Name of Jesus Christ for all who were sick and watching the program, something amazing happened! Right there at the crusade ground, Adiel spoke his first words ever!

And guess what? He kept talking! Later that same night, while his parents were sharing the testimony to the joy and amazement of all present, Adiel was asked his age. Without hesitation, he confidently replied with a grin, "Five!"

What a miracle! Today, Adiel speaks and is happy. Every word he speaks is a testimony of God's healing power!

BYE-BYE STINKY BREATH

Have you ever opened your mouth to speak and suddenly thought, "Uh-oh… why does my breath smell?" Don't worry! Stinky breath can happen to anyone! It may show up after eating certain foods, when your mouth gets dry, after staying quiet for a long time, when your tummy is having a little indigestion, or when you haven't cleaned your mouth properly.

Bad breath, also called halitosis, can happen when tiny germs in your mouth break down leftover food and release smelly gases. Yikes! But here's the good news: you don't have to put up with it! With a few simple habits, you can send those bad-breath germs packing.

BRUSH, BRUSH, BRUSH!

Brush your teeth twice every day with a soft-bristled toothbrush and fluoride-free toothpaste. Brush for two minutes, cleaning the front, back, and chewing surfaces of your teeth.

CLEAN BETWEEN YOUR TEETH

Flossing helps remove food bits your toothbrush cannot reach.

DON'T FORGET YOUR TONGUE

Germs can hide on your tongue! Brush it intentionally to help keep your breath fresh.

DRINK PLENTY OF WATER!

Water washes away food particles and helps prevent a dry mouth. Sip water throughout the day

CRUNCH YOUR WAY TO A FRESH SMILE

Crunchy fruits and vegetables like apples, carrots, and cucumbers can get your saliva flowing and help wash away food particles, keeping your mouth feeling clean and fresh!

VISIT YOUR DENTIST:
Regular dental check-ups keep your teeth and gums healthy. If bad breath continues, even after doing this, speak in tongues and command the stink to leave in the Name of Jesus Christ. It will disappear.

TONGUE TWISTER:
"Fresh breath, fresh smile, fresh start!"
Can you say it fast five times?
