DO THE Word

“For if any be a hearer of the word, and not a doer, he is like unto a man beholding his natural face in a glass: For he beholdeth himself, and goeth his way, and straightway forgetteth what manner of man he was. But whoso looketh into the perfect law of liberty, and continueth therein, he being not a forgetful hearer, but a doer of the work, this man shall be blessed in his deed” (James 1:23-25).

To “do the Word” means to act on the Word. It means that, regardless of the circumstances around you, you take hold of God’s Word concerning a particular situation and do what it says.

Jesus was preaching one day in Capernaum, and three men brought their paralyzed friend to Him. The Bible records that Jesus simply said to him, *“Arise, take up your bed, and go to your house.”* The Word of God carries His divine ability. When Jesus spoke those words, the man heard it and immediately got up, made his bed, and went home. He acted on the Word of the Master. That Word lifted him and the paralysis couldn’t hold him down. (Reference: Mark 2:9–12)

Acting on God’s Word is key to experiencing the miraculous. If there’s been a lingering condition in your body, instead of hoping that things will turn out right someday, take hold of God’s Word concerning your divine health in Christ and act on it.

The Bible says in 1 John 5:4, **“For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith.”** Faith is a leap on God’s Word. It’s taking a stand on God’s Word and insisting on its reality.

The Bible tells of Abraham, **“Who against hope believed in hope, that he might become the father of many nations, according to that which was spoken, So shall thy seed be” (Romans 4:18).** In the face of all biological laws that said it was impossible for him to have children, Abraham believed God’s Word to him and acted that way.

The Bible says, **“And being not weak in faith, he (Abraham) considered not his own body now dead, when he was about an hundred years old, neither yet the deadness of Sara’s womb: He staggered not at the promise of God through unbelief; but was strong in faith, giving glory to God; And being fully persuaded**

that, what he had promised, he was able also to perform” (Romans 4:19-21).

That’s how you act on God’s Word and have it produce results in you. Regardless of how you feel or the circumstances around you, the Word of God is the truth. Refuse thoughts of doubt and unbelief. Fix your gaze on the Word and do what it says. It’s the doer of the Word that is blessed (James 1:25). As you choose to act consistently on the Word, it’s only a matter of time before your whole life aligns with what it says.

You don’t have to live with that pain another day. The Word of God is all you need to be that glorious, radiant, and successful ‘you’. It doesn’t matter how bad your case is or your present level in life. If you take the Word of God into your spirit, it will surely produce in you what it talks about and cause remarkable changes in your life.

Remember, Joshua 1:8 says, **“This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.”**

You may be reading this and there’s a condition in your body. Don’t look at the symptoms; look at the Word. If you keep looking at that Word by meditation, there’ll be a change. The Word will bring forth healing in your body.

In 2 Corinthians 3:18, the Bible says, **“But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord.”**

As you behold God’s Word, you won’t have to make an effort to change. Just keep your gaze on it and it will transform you. That’s the way to walk supernaturally and live an extraordinary life every day.

Prostate Cancer Is Healed

In 2019, Peter Ian from Australia was diagnosed with advanced-stage prostate cancer. Eager to rid himself of this condition, he went through 19 radiotherapy sessions but discontinued the treatment when there was no improvement.

Added to the pain, Peter found himself weakening with each passing day as several issues came up due to this condition. This included a new diagnosis of neuropathy (numbness and pain from nerve damage) and pulmonary embolism (blood clots) that landed him in a 17-day coma on one occasion. He also experienced difficulty walking and started developing skin problems.

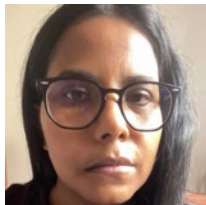

Deliverance was at hand as Peter would soon hear of a life-changing program. He narrates, *"For me, there was an urgency to turn all these around. So, when I heard of the Healing Streams in March 2024, I journeyed to Nigeria to participate. On the first night, Pastor Chris ministered to me and my healing took place at that moment. The prostate cancer is healed! I am healed from head to toe. I want to thank Pastor Chris for the amazing ministry of healing. I love you very much!"*

No More Deafness and Facial Paralysis

For Ashi from Sri Lanka, the ordeal started in 2022 with feelings of dizziness, headaches, and mild pain in the right ear. She was forced to seek medical attention when the aches intensified in frequency and severity, and was subsequently diagnosed with acoustic neuroma – a tumor in the ear. After preliminary non-invasive treatments like radiation failed, surgery was scheduled to remove the growing tumor.

Ashi's face post-surgery with a right-side droop.

Ashi's face held with tape to stop the drooping.

However, things took a downward turn with several post-surgery complications. Ashi suffered deafness in the right ear, facial paralysis, and loss of balance and hand function. She found that she could no longer carry on with her life as usual, with difficulty walking, eating, or using her hand. Her face became expressionless and she couldn't close her right eye, see clearly, or smile.

Ashi endured this condition for several months until she heard news of the Live Healing Services. *"I started watching testimonies from the Healing Streams and was encouraged. If these miracles could happen for others, I would also receive my healing,"* she recalls.

Anticipating the miraculous, she participated in the program, and there was no barrier to the flow of God's healing power. When the man of God called Ashi and proclaimed her healed from all infirmities in Jesus' Name, Ashi was made whole. Today, she is a brand new, beautiful woman who has regained her smile and balance. She can walk and run, and the deafness is gone, too!

Healed Of Heart Disease

Baigalmaa from Mongolia enjoyed a smooth life until a sudden twist altered her reality. She suddenly began facing difficulties walking and breathing while doing chores and a visit to the doctor unraveled the diagnosis of rheumatic heart valve disease and pulmonary arterial hypertension.

In critical condition, Baigalmaa was placed on several medications and advised to undergo heart surgery. Despite hefty doses, the medication provided little relief and the severity of her condition imposed harsh limitations that stopped her from carrying out simple tasks.

"I came across Healing to the Nations Magazine and started studying it. I was encouraged by the teaching of Pastor Chris. When I discovered a testimony from a Mongolian woman, I was so excited. It meant that I could also have a miracle in my home. Then, a friend invited me to the Healing Streams," she says.

Participating in a healing service, Baigalmaa eagerly awaited her miracle alongside countless others. She was instantly healed when Pastor Chris prayed for all to receive their miracles by the power of the Holy Spirit.

"I am healed!" Baigalmaa announces. *"When I returned to the hospital, the doctor confirmed that surgery was no longer needed! Since my healing, I have been proclaiming the good news of the healing mandate to my friends and family. I thank the man of God, Pastor Chris, and the partners of the Healing School."*

Speech Restored, Pain Dispelled

For five years, Mary from the United States suffered from severe hypertension. To her horror one day, she realized she could no longer form words. Alarmed, her daughter rushed her to the hospital, where tests confirmed that the unchecked high blood pressure had caused aphasia – a disorder that affected her speech.

Mary also battled a Baker's cyst – a painful, fluid-filled growth – on her knee that hindered movement and disrupted her sleep. In search of help, Mary received a copy of the Healing to the Nations Magazine and read about the Healing Streams. Ministering to the sick during one of the healing services, the man of God declared, "You're healed. You're free," and Mary received with all her heart.

It was a miraculous experience for Mary. Now, she joyously testifies: *"When Pastor Chris prayed, I jumped up and felt the tension in my leg ease. I received what I needed – undeniable proof that God is real. I am so grateful to God. Now, I share my testimony with friends."*

Spread Healing TO EVERY MAN'S WORLD IN LANGUAGES & DIALECTS

The Healing to the Nations mandate is a divine assignment to reach the world with the Gospel of healing, divine health, salvation, and righteousness. Through the years, various Healing School programs and campaigns have recorded glorious impact in all nations with ever-increasing reach and penetration through languages.

By extending the healing message to every man's world in their language through the Healing Streams Live Healing Services, the Healing to the Nations Magazine, and the Healing Streams TV, we have healed the sick, raised the dead, redeemed many from the forces of darkness in the world, and showed forth the praises and glories of God in all the earth.

Spreading Healing In Every Language and Dialect (SHIELD) is a special initiative for advancing the Healing to the Nations mandate through partnership. Joining forces and resources with the man of God, Pastor Chris, dedicated partners sponsor the translation of Healing Streams Live Healing Services broadcasts and the Healing to the Nations Magazine into all known languages.

Through the SHEILD initiative, individuals worldwide have experienced miracles of divine health, financial increase, supernatural deliverance, and all-round blessings.

Jonathan says, *"I gave to sponsor a language for the SHIELD Initiative. When I did, I kept declaring that the Lord is my shield and fortress. The next day, I got a call from my younger brother, who joyfully shared a testimony of how a stray bullet entered his house the night before. Thankfully, the bullet didn't touch anyone. Instead, it fell on a table. They didn't know how, but I knew. God protected my brother's household from sudden death because of my seed for SHIELD."*

Take up the SHIELD. Spread faith, hope, love, and healing everywhere. Multiply the impact of the Healing to the Nations mandate in all languages by sponsoring the SHIELD initiative.

TAKING HEALING TO THE NATIONS:

One City at a TIME

After these things the Lord appointed other seventy also, and sent them two and two before his face into every city and place, whither he himself would come (Luke 10:1)

The Lord Jesus sent out His disciples as forerunners to every city he visited, and they went forth to preach the Gospel and heal the sick. Today, the Healing Streams Live Healing Services with Pastor Chris are times of divine visitation to every city and place on earth. Missionaries and ambassadors showcase the impact of the healing ministry of Pastor Chris by preparing people and places with the distribution of the Healing to the Nations Magazine.

One thing resounds from every place where the Healing to the Nations Magazine is widely distributed: multiple testimonies of healing and supernatural encounters. One such city is Ottawa, Canada, and we have a couple of these testimonies to share with you.

Stacy Williams says, *"I had my period and I was bleeding for more than two weeks, which is very unusual for me. It was becoming a concern because I started to feel weak. Then, I met someone who invited me to the Healing Streams. He also gave me a copy of the Healing to the Nations Magazine and told me to start praying about anything I wanted resolved. At the top of my list was my desire for the bleeding to stop. The next day, as I was reading the magazine and declaring God's Word over my body, the bleeding stopped. Glory to God!"*

Violet Johnson was diagnosed with systemic lupus erythematosus and hospitalized for two months. As a result, she suffered high blood pressure and pain from inflammation all over her body. Soon, she received the magazine and was told to prepare for the Live Healing Services. The messages and testimonies in the magazine gave Violet hope and strength. Pastor Chris prayed for the sick during a healing service in March 2024 and Violet was healed. Now, she attests thus: *"I received my healing and for the first time, I slept without pain. I can now stand for hours and cook. I have regained my strength and I can breathe and talk very well."*

REASONS FOR VITAMIN C

Ascorbic acid, popularly called vitamin C, is a potent water-soluble vitamin renowned for its natural antioxidant, antihistamine, anti-aging, and multiple health-boosting properties. These properties help the body fight off health issues and maintain its peak condition. Whether you are looking to enhance your immune system, improve your skin health, or manage chronic conditions, vitamin C is an essential nutrient with a plethora of benefits.

Ensuring you get enough vitamin C through your diet is relatively easy, thanks to the abundance of foods that are rich in this essential nutrient. Citrus fruits like oranges, grapefruits, lemons, and limes are well-known sources, offering a tangy sweetness that can be enjoyed in various forms. Exotic fruits such as kiwi, guava, papaya, and pineapple also pack a significant vitamin C punch.

Vegetables are equally important in providing vitamin C. Broccoli, red cabbage, bell peppers, chili peppers, kale, Brussels sprouts, cauliflower, tomatoes, cantaloupe, parsley, white potatoes, and sweet potatoes are just a few examples. Including these in your meals ensures a diverse intake of vitamin C, contributing to overall well-being.

The body efficiently manages excess vitamin C by getting rid of what it doesn't need, so there's generally no need to concern yourself with sticking to a required daily allowance or consuming too much.

Now, a closer look at the health benefits of vitamin C.

- **Improved Cardiovascular Health and Reduced Risk of Chronic Diseases:** Vitamin C protects cells from damage caused by harmful molecules called free radicals. By neutralizing free radicals, vitamin C helps lower the risk of heart disease, cancer, and arthritis. Additionally, it assists in keeping cholesterol levels in check, further promoting cardiovascular health. Vitamin C enhances the production of collagen, which supports blood vessels and overall vascular health.
- **Blood Pressure and Blood Sugar Management:** Vitamin C aids in managing high blood pressure by relaxing the blood vessels, which helps reduce pressure on the vascular system. Furthermore, some studies indicate that vitamin C can help reduce blood sugar levels, providing a supportive role in diabetes management. This dual action on blood pressure and sugar levels underscores the importance of vitamin C in maintaining overall metabolic health.
- **Enhanced Vision:** One of the most remarkable

benefits of vitamin C is its contribution to maintaining healthy eyesight. Its antioxidant properties play a vital role in reducing the risk of cataracts and slowing down the progression of age-related macular degeneration. By protecting against oxidative stress, vitamin C helps preserve vision and maintain eye health.

- **Alleviating Allergies:** Vitamin C deficiency can make individuals more susceptible to allergies. Allergies often trigger an immune system response that leads to oxidative stress due to the production of Reactive Oxygen Species (ROS). Vitamin C helps alleviate these effects, potentially reducing symptoms and improving overall comfort.
- **Immune System Booster:** Incorporating vitamin C into your diet supports your body's immunity by boosting the production of white blood cells. This helps protect the body from infections and illnesses, promoting a robust immune response. Vitamin C also plays a role in maintaining healthy blood and preventing anemia by enhancing iron absorption from plant-based foods.
- **Skin and Beauty Benefits:** Vitamin C is key to maintaining healthy, youthful skin. It protects the skin from environmental irritants and exposure to ultraviolet light, thus preventing wrinkles, fine lines, dryness, and roughness. By increasing collagen production and elastin synthesis, it helps maintain the skin's firmness and elasticity. Additionally, it inhibits melanin formation, reducing unwanted skin pigmentation and discoloration, and resulting in a more even skin tone.
- **Additional Health Benefits:** Beyond the well-known advantages, vitamin C contributes to maintaining healthy bones, teeth, and cartilage. It reduces the risk of cartilage loss, which is particularly beneficial for individuals dealing with osteoarthritis. Moreover, vitamin C has been shown to enhance cognitive function, increase fertility, relieve stress and anxiety, alleviate gout and asthma, accelerate healing from injuries, and promote overall health.

In conclusion, ascorbic acid, or vitamin C, is a vital nutrient with a wide range of benefits and is truly indispensable in significantly contributing to one's well-being.

Faith's PROCLAMATIONS OF HEALING & HEALTH

**“If the clouds be full of rain,
they empty *themselves* upon
the earth...” (Ecclesiastes 11:3).**

If there's a problem in your body, start using your mouth to correct it. Say the same things that God has said. Get up in the middle of the night and talk the Word. When you wake up in the morning, continue speaking God's Word. The devil may try to worsen the situation, but just keep talking. The harder things look, the more you ought to talk because the bigger the problem, the greater its fall will be before you.

Never let the devil frighten you out of talking God's Word. As he tries to build those walls against you, just keep talking. Soon enough, those walls will come crumbling down! The Bible says, **“If the clouds be full of rain, they empty *themselves* upon the earth...” (Ecclesiastes 11:3).**

This is how the law of faith functions. You don't ask how; you speak faith-filled words! The Bible says, **“...The word is nigh thee, even in thy mouth...” (Romans 10:8).** That miracle is in your mouth. That healing you've been waiting for is in your mouth. That child you desire to have is in your mouth. So start saying it, and don't stop talking it. Glory to God!

CONFESSIONS

I am the temple of the Holy Ghost, and my body functions for God. Therefore, every organ, tissue, and cell in my body comply with the Word of God. My body is not sustained by blood but by the vitalizing power of the Holy Spirit that is at work in me mightily.

I shape my life and future to completely synchronize with God's divine provisions and destiny for me! I have an excellent and sickness-free life, enjoying everything that the death, burial, and resurrection of Jesus Christ made available to me.

The Holy Spirit lives in me; therefore, I have the dynamic ability to effect changes! I refuse to permit anything contrary to God's Word in my body. As I charge myself in the Holy Spirit, I see supernatural changes in my life and circumstances, in Jesus' Name. Amen.

My life transcends the limitations of the human body and this physical realm through the ability of God's Spirit. The Holy Spirit has ushered me into an arena of perfection and rest. I am full of faith and strength, and I do wonders everywhere.

I am in union with the One who commands light to shine out of darkness. I am one with Divinity, and I have eternal life coursing through my being as a result of this oneness. Like my heavenly Father, I speak forth life, and my words are established over my health.

Dear Father, I am forever grateful for the grace to be alive and well. I choose to live in this reality, walking continually in health and prosperity. Thank you for the divine power that has given me all things that pertain to life and godliness.

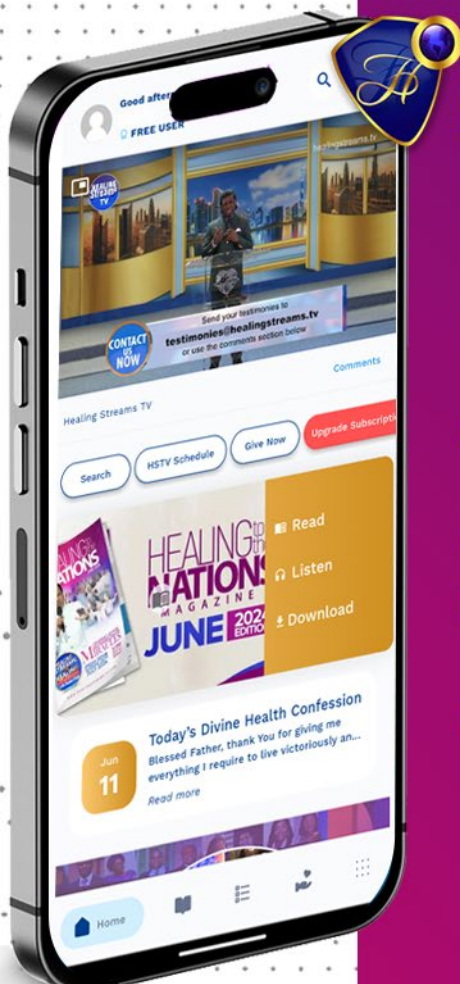

The joy of the Lord is my strength. I will never be weak. That joy produces laughter deep in my spirit, causing my health to bloom and flourish. I know no depression or oppression because I am buoyed by the unspeakable joy overflowing in my heart.

I am a well-watered garden. Streams of healing waters flow from me to all in my world. I don't contract or transmit sickness. The good life is mine, health is mine, and joy is aglow in my spirit. My life is a complete testimony that there's a higher life in Christ. Praise God!

The Word of God is living and active. It permeates my whole being, vitalizing every part of my body and inundating me with strength, by the power of the Holy Spirit. I am not moved by the prevalent circumstances in the world because I am impregnable to sickness and disease.

I am living a great life; a life free of pain, discomfort, and anything that's associated with darkness because I am born of the light of God's Word. My whole body is full of life. There's no trace of sickness, disease, or infirmity.

Thank You, dear Father, for the power in the Name of Jesus. Thank You for the privilege of using this Name. In the Name of Jesus, I'm healthy and whole, not subject to the afflictions and corruptions that are in the world. Amen!
