THE AUDACITY OF FAITH

FROM PASTOR CHRIS

In taking hold of eternal life and the blessings of salvation in Christ Jesus, you must boldly exercise your faith in God's Word, knowing that everything is subject to His Word. God always loves His kids to boast in Him. You must learn to boast in God through the vocalizing of your faith.

When you learn to recognize the greatness and power of God within you, you will never be broken by sickness or disease. This is what the great men of old knew, which made them fearless in the face of adversity.

Study the ministry of Jesus and you'll find that He always spoke with boldness, particularly when He confronted demons and diseases. Jesus was so bold that, the people marveled at Him, and demons trembled at His presence.

In **Luke 4:36**, the Bible says, **"And they were all amazed, and spake among themselves, saying, What a word is this! for with authority and power he commandeth the unclean spirits, and they come out."** This was because Jesus not only knew who He was, He also knew the One who was in Him.

This was the same consciousness that Moses had when he stood before Pharaoh. He was conscious of the presence of God with him and was not afraid (Exodus 5). As much as Pharaoh hated Moses and wanted to do away with him, he couldn't order his death. Moses had the Spirit of Dominion.

Goliath was the champion of the

Philistines, but David stood before him with such boldness that it got him angry (1 Samuel 17:42). The Bible records that David stood before him with a sling and five smooth stones and declared, **"...Thou comest to me with a sword, and with a spear, and with a shield: but I come to thee in the name of the LORD of hosts, the God of the armies of Israel, whom thou hast defied. This day will the LORD deliver thee into mine hand; and I will smite thee, and take thine head from thee; and I will give the carcasses of the host of the Philistines this day unto the fowls of the air, and to the wild beasts of the earth; that all the earth may know that there is a God in Israel"** (1 Samuel 17:45-46).

Those words enraged Goliath, and when he took one step against David, David ran toward him and let fly with his sling. The shot was a guided missile and it went straight into Goliath's forehead. And everything happened just as David had said.

This is the kind of boldness and audacity you need in your life. When the devil tries to attack you with sickness, stand against him in the Name of Jesus and declare, *"I refuse to be sick! No weapon formed against me shall prosper; therefore, this weapon of sickness has no power over me. I dwell in health and strength, in the mighty Name of Jesus!"*

When you consistently act and talk this way, you create a spiritual force field around you that the devil cannot penetrate.

“

**Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses.
(1 Timothy 6:12).**

If you want to make Jesus Christ the Lord of your life, say this prayer, believing with all your heart:

“O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is the Son of the Living God. I believe that God raised Him from the dead and I confess that Jesus Christ is the Lord of my life from today. I receive, by faith, remission of sins for my soul. Right now, in the Name of our Lord, Jesus Christ, I receive eternal life into my spirit. I am born again!”

The count up is on. The world is once again on the edge of a divine visitation as the July 2025 edition of the Healing Streams Live Healing Services with Pastor Chris draws near. **From Friday, July 18th to Sunday, July 20th**, billions across the globe will connect to what is now the largest healing crusade in human history—an event where time stands still, and heaven touches earth.

For those who have experienced even a moment of any previous edition, Healing Streams is not just another event, it is a supernatural encounter with the love, power, and presence of the Lord Jesus Christ. And for those just receiving the invitation, this July is a call to step into the miraculous.

A History of Miracles Without Limits

Since its inception, the Healing Streams Live Healing Services have consistently demonstrated that Jesus Christ is the same yesterday, today, and forever. With each edition, the testimonies have grown louder, the reach has expanded, and the supernatural impact has deepened.

In March 2025, miracles rippled across the nations: the blind saw, the paralyzed walked, cancers disappeared, demons fled, and families were restored. From Asia to Africa, Europe to the Americas, no continent was left untouched.

Milica from Portugal experienced a divine turnaround as she was completely healed of cancer that had aggressively metastasized to her pancreas, biliary ducts, mesenteric vein, and duodenum.

What began as a grim diagnosis and a fast-declining health condition turned into a glorious testimony of God's healing power during the Healing Streams Live Healing Services with Pastor Chris.

As the man of God ministered, the power of the Holy Spirit surged through her body, driving out every trace of disease. Today, Milica is free, restored, radiant, and

full of life—boldly declaring the goodness of the Lord to everyone around her.

Josch Billy from Uruguay was delivered from years of torment caused by demonic oppression and a severe anxiety disorder that crippled his peace and quality of life. Sleepless nights, constant fear, and overwhelming panic attacks had become his reality—until he encountered the Healing Streams Live Healing Services with Pastor Chris. As the program progressed, the presence of God filled his space, and during the ministration, the chains of darkness were broken. Instantly, Josch was set free—his mind restored, his heart flooded with peace, and every trace of anxiety gone. Today, he lives a vibrant, joyful life, completely transformed by the power of God.

Tapolupe's days were filled with the simple joys of life—going to the gym, taking her kids to school, and handling her everyday responsibilities. But in 2024, everything changed when she discovered a lump in her left breast that soon became red, swollen, and increasingly painful. Alarmed, Tapolupe sought medical attention and received a devastating diagnosis: stage 3 breast cancer.

All remedies provided only temporary relief for as the days went by, her condition inexplicably worsened. Her strength diminished till she could no longer care for her children or manage basic household tasks.

Amidst the suffering, Tapolupe heard about the March Healing Streams Live Healing Services, and hope stirred in her heart. Without hesitation, she registered and participated in the program from her home in New Zealand. During the service, Pastor Chris called out her name and ministered healing to her on the live screen. Instantly the pain vanished, and a deep sense of peace and restoration swept over Tapolupe.

Today, Tapolupe is back to living fully—caring for her children, doing her chores, and embracing each day with gratitude.

HEALING ON THE HILLSIDES

Triumphant Entry Missions in Nepal

In a powerful demonstration of the unstoppable spread of the Gospel, ministers and missionaries have embarked on the Triumphant Entry Missions, navigating hinterlands and hard-to-reach places to deliver the good news of healing and salvation to the unreached and unsaved. With the *Healing to the Nations Magazine* in hand and the message of Christ on their lips, they are turning seemingly forgotten places into strongholds of faith and transformation.

Crossing the Seven Mountains for Souls

Recently, a mission team journeyed deep into the mountainous heart of Nepal, bringing hope to remote communities. From the foothills to the highest ridges, they proclaimed the Name of the Lord Jesus.

The team set out from their base camp with fervent zeal. Led by Pastor Philip Chaudary, a regional coordinator with a deep passion for souls, they ventured into an area described locally as the “*village beyond seven mountains*.” The region is home to the Morghan tribe, a people known for their isolation and difficult living conditions. Traversing rocky trails, wading through rivers, and climbing treacherous inclines, the missionaries carried more than just magazines—they bore light into darkness.

“We’re ready to go!” declared Pastor Philip. *“This is a divine mission. We are establishing Healing Centers as we move, and every step we take is a step into prophecy fulfilled.”*

Hearts Opened, Lives Transformed

Assisted by Rajesh Chhetri, a fervent missionary and Healing School partner, the team pressed into the hillside, reaching communities where few outsiders have ever been. *“We’ve now arrived at our destination,”* he reported. *“We’re distributing the Healing to the Nations Magazine, preaching the Word, and setting up places for healing. These are people who’ve known only hardship, but we are here with a better message—Jesus heals, and He saves!”*

Three-year-old Divaka Kamal from Nepal was born in challenging conditions without access to modern medical care. Unlike her twin sister, she couldn’t walk, and by age two, her parents became deeply concerned. A midwife later revealed that Divaka had suffered a spinal fracture at birth and would never walk. Refusing to accept this, her family turned to prayer. After learning about the Healing Streams

program, they participated in the service with faith. Miraculously, the next morning, Divaka stood up and walked for the first time. Today, she runs and plays joyfully with her sister and friends.

Divaka Kamal from Nepal

A powerful testimony came from Joshep Gurung, a local from Jhapa, Nepal, who received a copy of the magazine. With emotion in his voice, he shared: *“As I read the Healing to the Nations Magazine, I saw how our dear man of God, Pastor Chris, is performing miracles across the world. I now believe that the same miracles will happen in my village. We live far from any hospital or school, and our roads are terrible, but we know Jesus will touch us, too. Thank you, Pastor Chris!”*

As the team evangelized, they also prepared the way for the upcoming editions of the Healing Streams Live Healing Services with Pastor Chris.

Determined to saturate the nation of Nepal with the message of Christ’s love, the team continues to reach the unreached, preparing people and places, and penetrating with languages. *“Every hill, every village—we are taking over Nepal for Jesus,”* declared Pastor Philip. *“Nothing is too far, too high, or too remote. This nation will witness the glory of God!”*

The Vision in Motion

The Triumphant Entry Missions underscore the urgency of the message delivered by the man of God, Pastor Chris, at the beginning of the year, when

he said, *"We will complete the full preaching of the Gospel in all nations!"*

With the Healing to the Nations Magazine, we are reaching and penetrating every city, town, and village, fulfilling God's divine prophecy. The nations are open, and the message of hope, healing, and salvation is spreading like never before.

In preparation for the Healing Streams Live Healing Services with Pastor Chris this July, use this divine tool—the Healing to the Nations Magazine—to bring healing and divine health to multitudes across the world.

The harvest is ripe, and the time to act is now. Join the Triumphant Entry Missions today:

The Healing to the Nations Magazine — Good news all the time.

Eat Light, Eat Right

We've all been there: a big, satisfying meal that leaves you leaning back, patting your stomach... only to find yourself struggling to stay awake half an hour later. That full, cozy feeling might seem like comfort in the moment, but behind the scenes? Your body is working overtime to process the overload. The result? You feel sluggish, foggy, and ready for a nap instead of your next task.

The good news? There's a better way to fuel your body: **eat light, eat smart, and feel amazing.**

Why Light Eating Wins

- **It Improves Digestion and Enhances Digestive Efficiency**

Your digestive system thrives when you're kind to it. Eating smaller, lighter meals gives your body a break. Moderate portions digest faster, often within 2 to 3 hours. This gives your body time to absorb nutrients fully and prevents your colon from becoming overwhelmed. A light meal allows your system to reset, refresh, and function optimally.

- **It Stabilizes and Sustains Energy**

Ever felt sleepy after a heavy lunch? That's because your body is diverting all its energy toward breaking down the overload and digesting your food. But when you eat light, your energy levels stay steady. You stay alert and productive, with no afternoon energy crash in sight.

- **It Activates/Maintains a Healthy Metabolism**

Portioned meals eaten at regular intervals train your metabolism to stay active. Instead of slowing down due to long gaps or being overwhelmed by large quantities, your body functions efficiently, converting food into energy and maintaining a balanced internal rhythm. It's not about eating less—it's about eating smart.

- **It Sharpens Mental Clarity**

There's a direct connection between the gut and the brain. Heavy meals can cloud thinking and dull focus. But lighter meals, rich in nutrients and spaced throughout the day, nourish your brain as much as your body. The result? A clearer mind, better focus, and sustained mental acuity.

SCAN TO
WATCH HEALTH
DOCUMENTARIES

- **It Delivers a Balanced Nutrient Supply**

Portioning your meals ensures you get the right balance of food groups. Every small meal becomes a power-packed dose of your body's needs—proteins to build, carbohydrates to fuel, fats to protect, and fiber to cleanse. By choosing nutrient-rich foods in smaller servings, you nourish your body properly without overeating.

So, What Does Smart Eating Look Like?

Eating light doesn't mean eating less—it means eating better. Think simple, balanced, and timed right.

- ✓ For breakfast, have oats topped with banana slices and a sprinkle of your choice of nuts.
- ✓ For lunch, try grilled chicken with roasted veggies and quinoa.
- ✓ Need a snack? Go for Greek yogurt with berries or a boiled egg with wholegrain crackers.
- ✓ Keep dinner light—a veggie stir-fry or soup with lentils and brown rice is perfect.

Remember that **consistency is key**. Spacing your meals every 3–4 hours helps maintain your energy, prevent overeating, and keep your body running like a well-oiled machine.

Eating light isn't about restriction—it's about respecting your body. It's tuning in, feeding it what it truly needs, and ditching the habits that weigh you down. So next time you're planning a meal, ask yourself: *Will this help me feel energized, clear-headed, and strong?* If the answer is yes, then you're on the right track.

FAITH'S PROCLAMATIONS OF HEALING & HEALTH

**My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh”
(Proverbs 4:20-22).**

The Word of God is God's gift to us to keep our bodies according to His design and desire. It is His answer to all human problems. God can't help anyone outside His Word, for it is His power to save (Romans 1:16). The Word of God can bring light to any situation and deliver to you the answer that you require. It can turn seeming impossibilities into possibilities and keep you on top always. You can take God's Word on any subject, apply it to a corresponding situation, and rest assured that it will produce the results that it talks about. The Word of God is life for your spirit, health for your body, and wisdom for you to live by.

CONFESSIONS

God's Word in my mouth is quick and powerful, sharper than any two-edged sword. With my words, I cut off every situation that is contrary to God's provisions. I refuse to be sick because the life of God is in every part of my body. Blessed be God!

I live a triumphant life in Christ, far above the world and its systems. The glory of God is at work in me; therefore, sickness, disease, and infirmity have no place in or around me. My life is the manifestation of the beauty and perfection of Christ. Glory to God!

Life springs up from within me because I am a life-giving spirit. I reject sickness in my body. I am a dispenser and a giver of life to everyone and everything I come in contact with. When I lay hands on the sick, they recover.

I have received an abundance of grace, and I reign in life with dominion over sickness and death. I have received eternal life, which makes it impossible for sickness or disease to dominate my body. No infirmity can corrupt or ravage my body.

The Word of God is working mightily in me. No matter the circumstance, regardless of what I feel or see, the Word produces what it talks about in my life. I am full of life! By the Word, I live in safety, health, victory, prosperity, joy, and love. Blessed be God!

I live in the glorious liberty of my divine life in Christ. I grow daily in grace and in the wisdom of God. My body is sound; its systems and organs are functioning

perfectly. I'm waxing stronger and stronger every day. Amen.

The ability of God is at work in me today and I'm conscious of it! I don't function in my own ability or strength, for my sufficiency is of God. My strength is renewed daily and I'm divinely energized at all times for victory and all-around success. Amen.

I walk in divine health, safety, wellness, and wholeness because I am in Christ. Christ is my life! His wisdom, righteousness, peace, glory, and joy are resplendent in me and expressed through me. I am guided in wisdom to walk in God's perfect will. Amen.

I am the light of the world; there's no darkness in my life! The law of the Spirit of life is working in me. There is no death in any area of my life or body. I'm full of joy, peace, love, and kindness and continually filled with the Spirit of God. Hallelujah!

The Spirit of Him that raised Jesus from the dead dwells in me and He gives life to my physical body. I'll never be sick in my life. Health, strength, victory, and prosperity are mine now and always by the power in the Name of Jesus. Amen.

God's Word is life and health to my body. Its transforming power changes the circumstances of my life and causes my health to flourish. I live in the Word and I refuse to fear, be sick, or be defeated! I will not be subject to disease or infirmity.
