PASTOR CHRIS

These Signs Shall Follow You

“And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover” (Mark 16:17-18).

Jesus has laid out the credentials by which the world will know those who belong to Him. He did not say these signs should follow the evangelist or the apostle; He said the signs shall follow *“them that believe.”* Everyone who believes in Jesus is qualified to have these signs follow them. Jesus isn’t promising us that we will cast out devils and heal the sick. No, He’s showing us our divine credentials!

Now, if you’re qualified to lay your hands on sick folks and have them recover, how about your own body? If another person’s body will respond to your words, then your body will hear you, too! You can talk to your body; you can make a demand of healing on your body, in the Name of Jesus, and expect to see a change.

God wants us to know the exceeding greatness of His power toward us who believe (Ephesians 1:19). This power that is directed toward us is the same power He demonstrated in Christ when He raised Him from the dead and set Him at His right hand in the heavenly realms. When God directed His power toward Jesus to raise Him from the dead, we were in Him; so we were raised together with Christ on that great resurrection morning.

Now, we’re seated together with Him to reign in this life! We ought not to allow ourselves to be subject to

sickness and infirmity anymore; we have the right to use the Name of Jesus to reign over them!

God has given us a quality of life that is different from what the world has. Though we’re in the world, we’re not of the world. We’re born of the Spirit. God gave us this life through His Son Jesus. The Scriptures tell us, **“And this is the record, that God has given to us eternal life, and this life is in His Son. He that hath the Son hath life; and he that hath not the Son of God hath not life” (1 John 5:11-12).** Now, you have to believe in this life that’s in you.

“Whosoever believes that Jesus is the Christ is born of God, and whatsoever is born of God overcomes the world” (1 John 5:4).

This means that anything that originates from God overcomes the world, automatically! You’re born of God, so you’re an overcomer! God’s overcoming Word originates from Him and it is in your mouth; it has divine ability when uttered by the lips of faith!

Don’t think defeat, failure, or lack. Because you’re a child of God, you can do all things through Christ Who gives you strength. He lives in every bone of your body; He’s in your blood, bones, skin, and even your voice, for His life is in you! Speak faith-filled words because this is the victory that overcomes the world!

Prayer of Salvation

If you want to make Jesus Christ the Lord of your life, say this prayer, believing with all your heart:

"O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is the Son of the Living God. I believe that God raised Him from the dead and I confess that Jesus Christ is the Lord of my life from today. I receive, by faith, remission of sins for my soul. Right now, in the Name of our Lord, Jesus Christ, I receive eternal life into my spirit. I am born again!"

If you've just said the prayer, please send an email to info@htnmagazine.org. God bless you.

A MASSIVE INVASION OF THE WORLD WITH THE GLORY OF GOD

Across the nations of the earth, hearts are stirring and expectations are rising. The air is charged with supernatural power as we prepare for the Healing Streams Live Healing Services with Pastor Chris this July. It will be a divine appointment with destiny, a season where heaven invades the earth with healing, miracles, and salvation.

This is not just another program; it's a global move of the Spirit, a manifestation of God's love reaching into homes, hospitals, communities, and nations. Every edition of the Healing Streams has been a portal of power, where the blind see, the lame walk, and countless lives are transformed forever.

Decades-Old Pain Healed Instantly

In 1996, Curtis from Canada was involved in a car accident that left him with injuries in his neck and arms. Despite treatments received over the years, he never fully recovered. For almost three decades, he had to wear a brace to support his neck. His hands remained stiff, and he couldn't flatten out his palms.

To worsen matters, Curtis was also diagnosed with multiple sclerosis and spinal stenosis in 2021. At that point, he experienced weakness and numbness in his legs, poor balance when walking, and incontinence. Consequently, he was assigned a wheelchair and a corset for pain relief and to aid mobility.

When an outreach team invited him to the Live Healing Services, Curtis was elated at the possibility of living a normal life again. Waiting to be picked up and taken to a healing center, he prayed with expectation.

During a healing service, the man of God ministered to the global congregation, and Curtis was healed instantly, invigorated by the power of God.

"I can walk and move both arms now. No more stiffness, and I won't be needing that wheelchair anymore. Thank you, Pastor Chris. Thank You, Lord Jesus!" he happily testified.

No More Ulcers and Hypertension

Rinnie from the Solomon Islands had suffered from ulcers and hypertension for many years. Living with these conditions meant relying on several drugs every day, maintaining a restrictive diet, and forgoing rigorous activities, among other things.

The Healing Streams marked a critical moment for Rinnie as her situation turned around incredibly. Sharing her testimony, she said, *"As the man of God was ministering to the sick, I received my healing. I felt a sense of calm, and there have been no stomach cramps or heart palpitations ever since. I know that the hypertension and ulcer are gone forever. I am healed. Glory to God!"*

Moreen is Light & Free!

For ten years, 48-year-old Moreen Xie from China battled gallstones, cervical spondylosis, and crushing depression. The physical pain and emotional weight left her weary and hopeless, until the Healing Streams. As Pastor Chris ministered, God's power surged through Moreen's body, instantly healing her from every affliction. Glory to God!

Overcoming A Lifetime of Pain

FIGURE 1 FIORELLA MATEO'S JOURNEY OF HEALING

Imagine enduring severe headaches from a tender age and trying every possible remedy, only to be met with disappointment time and again. Each day becomes a haze, clouded by a relentless, unyielding ache. Concentration becomes fleeting, the mind struggles to stay present, and even the simplest tasks feel insurmountable. Over time, the burden becomes unbearable, draining strength and leaving behind a desperate longing for normalcy.

This was the heartbreaking situation for Fiorella Mateo, a 20-year-old from Costa Rica. She was just three years old when it started. In the beginning, the headaches were manageable with medication. But as the years went by, the pain intensified. What started as occasional discomfort soon escalated into a debilitating condition. *“The pain was so unbearable that I would have to stop whatever I was doing when the headaches started. It would become impossible to focus,”* she recalls.

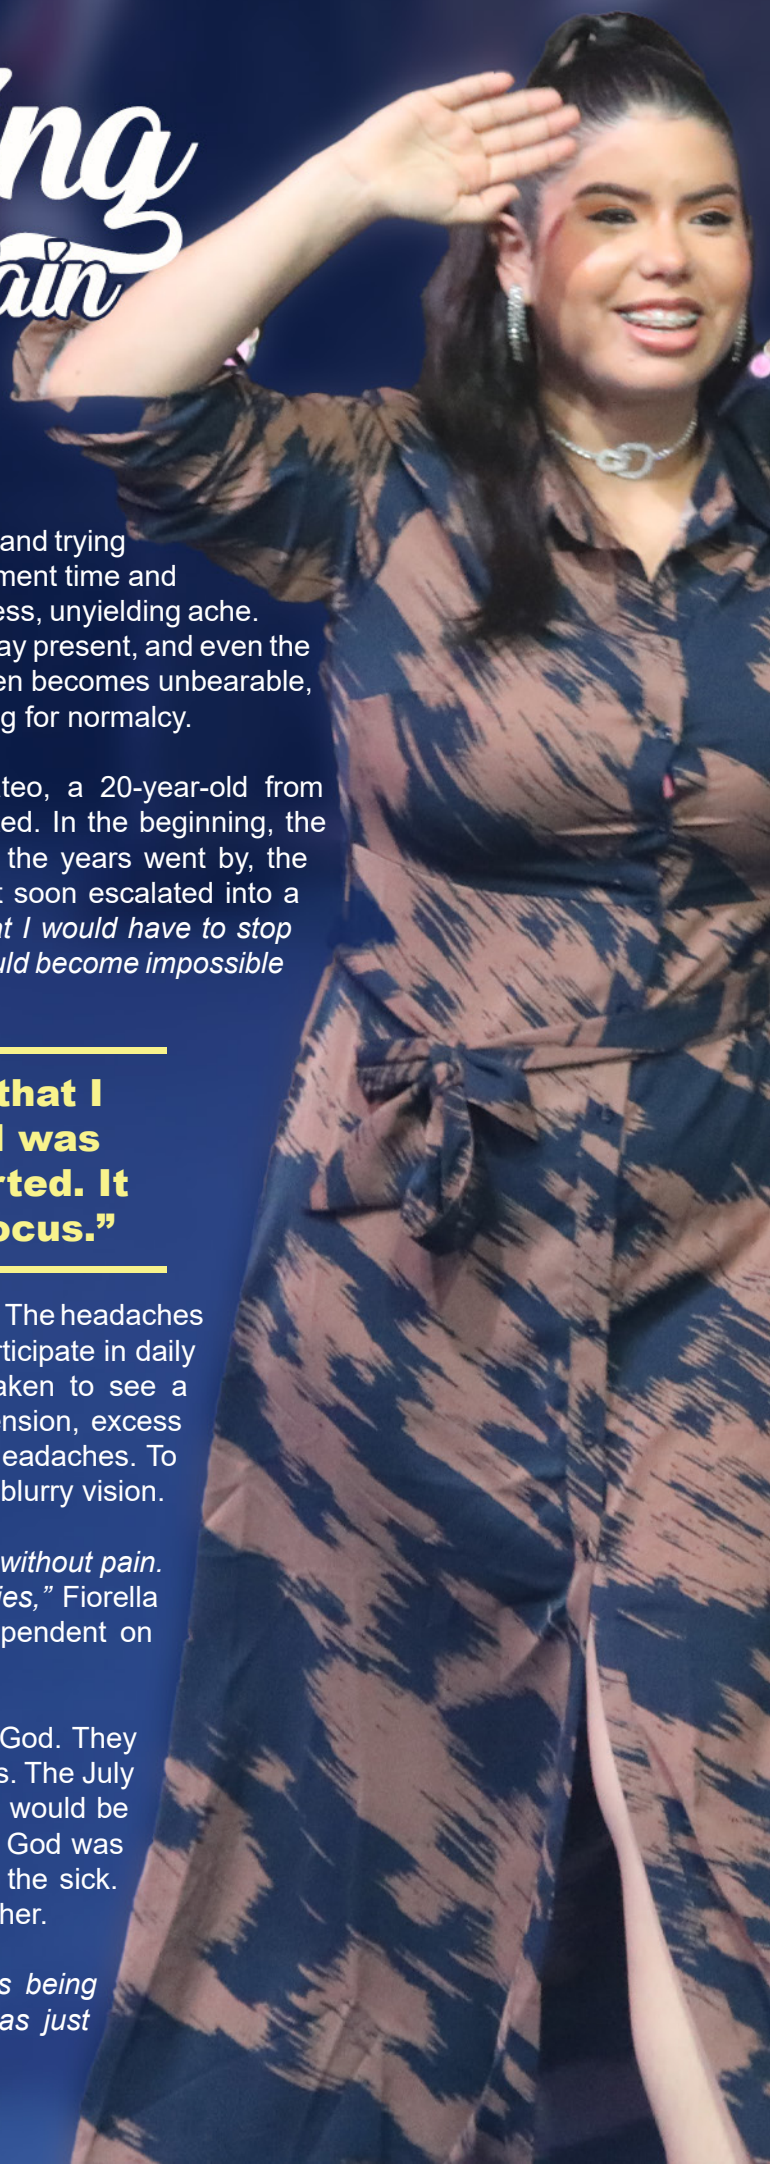

“The pain was so unbearable that I would have to stop whatever I was doing when the headaches started. It would become impossible to focus.”

For the next 17 years, Fiorella’s agony steadily worsened. The headaches became constant, robbing her of the ability to study, participate in daily activities, or simply enjoy life. Eventually, she was taken to see a neurosurgeon, who diagnosed her with cranial hypertension, excess fluid in the brain that leads to increased pressure and headaches. To make matters worse, she had glaucoma, which caused blurry vision.

“I could no longer focus, study, or engage in daily tasks without pain. I couldn’t participate in sports or any strenuous activities,” Fiorella says. The thought of spending the rest of her life dependent on ineffective medication was devastating.

Refusing to accept this fate, Fiorella’s family turned to God. They registered for the Healing Streams Live Healing Services. The July 2024 edition was approaching, and they believed there would be a divine intervention. During the program, the power of God was tangibly present as Pastor Chris ministered healing to the sick. Fiorella experienced her miracle when he ministered to her.

“It was a glorious moment. I felt as if something was being released in my brain, some kind of sensation that was just

tearing everything apart. Then, my head felt free for the first time,” she says. Just like that, the pain that plagued her for years was gone. She was free!

Fiorella knew her life had been changed forever. The constant torment of pain had vanished. Peace flooded her body, her vision improved, and clarity of mind returned. She felt completely rejuvenated—like someone given a fresh start.

Life is now filled with possibilities. The limitations that once defined her world are gone, replaced by hope, purpose, and passion. Now studying AI engineering, something she once believed was beyond her reach, Fiorella says, *“I can do everything I couldn’t do before. I focus, study, and pursue my dreams. That’s the best thing in the world. My life is much better now.”*

“I can do everything I couldn’t do before. I focus, study, and pursue my dreams. That’s the best thing in the world. My life is much better now.”

With a heart full of gratitude, Fiorella encourages others who may still be suffering: *“There is a God who loves you and will never leave you alone. And there is a man of God who helps and heals people because God gave Him that gift. You just have to believe in God and have faith. You have a purpose in this life, and God wants to tell other people your story.”*

She is also deeply grateful to Pastor Chris. *“I am so thankful to you for changing my life and being an amazing and incredible person who brings healing to others. You are truly a gift from God. I love you so much,”* she says, her voice filled with emotion.

Fiorella’s journey is a powerful testimony to God’s boundless power. His healing touch knows no bounds of time, space, or circumstance. It reaches all who are open to receive it, bringing freedom, restoration, and wholeness. If you need healing, know this: Fiorella’s miracle is not a distant dream, her story could become a living reality for you. That same power that healed her is available to you today. Just believe and receive.

Through the Healing Streams Live Healing Services, countless lives continue to be transformed, with the impossible made possible and the incurable made whole. The next edition of the Healing Streams will be held in July. Register now at healingstreams.tv/LHS and get ready to testify. Your miracle is at hand. God bless you.

SPECIAL MIRACLES WITH THE HEALING TO THE NATIONS MAGAZINE

Blood Clots Cleared

In October 2024, I suffered a severe headache that lasted for two weeks. Despite seeking treatment at the hospital, there was no improvement. An MRI revealed a blood clot in my brain, and I was admitted for four days. Though the situation was distressing, I held on to my faith. Then, someone gave me the Healing to the Nations Magazine and encouraged me to read it and confess the Scriptures daily. I did exactly that. Every day, I prayed and made confessions, believing God for my healing. Not long after, the symptoms disappeared. A follow-up MRI confirmed that the blood clot was completely gone. I have been miraculously healed! I give all the glory to God for this miracle. Hallelujah!

~ Joselyn from the United Arab Emirates

Deaf Ear Opens Up

My right ear was blocked for over eight months, and I couldn't hear clearly with it. I got a hold of the Healing to the Nations Magazine, one that had Pastor Chris' picture on the cover. At night, I placed my ear on Pastor's hand and slept off. In the middle of the night, I woke up suddenly and realized that my ear had opened up. Now, I can hear clearly with my right ear. I am completely healed! Glory!

~ Isaac from the United Kingdom

Peace & Strength Restored

I use the Healing to the Nations Magazine all the time. One day, while at home, I saw a frail, sickly woman passing by. The Holy Spirit prompted me to give her my last copy, and I did. The very next day, the woman returned, and she was completely transformed. She had been sick for many years and plagued by nightmares of seeing herself dead and laid in state. This filled her with fear and robbed her of sleep. That night, after reading testimonies in the magazine, faith arose in her heart. She and her mother prayed with the magazine and went to sleep. For the first time in years, the nightmares stopped. She slept soundly and woke up feeling completely renewed and strengthened.

Devices & Consequences For The Ears

Scan to
Watch Health
Documentaries

You have smart devices and appliances everywhere you look. These gadgets have been seamlessly integrated into our daily routines, from smartphones and tablets to headphones and earbuds, smart TVs, sound systems, smart bulbs, thermostats, etc. While allowing us to communicate, enjoy entertainment, and work easily, overexposure to these devices has consequences on the human body and health. In this article, we'll explore some of the consequences on ear health.

Most people can't go a day without plugging their ears with something. Whether it's blasting your favorite playlist through earbuds, taking calls with a Bluetooth headset, or binge-watching shows on your phone or TV, your ears are constantly in action. But have you ever stopped to think about what all that tech might be doing to your hearing?

While our focus is on reducing/eliminating exposure to high volumes for extended periods, radiation is also worth noting, especially with Bluetooth and wireless devices that sit close to the head. These gadgets emit radiation, the same kind as Wi-Fi and smartphones.

Common Consequences of Overexposure

- **Hearing Loss**, which can be temporary (like after a loud concert) or permanent, especially if one regularly overdoes it with volume. The little hair cells inside your ears that help you hear don't regrow once they're damaged.
- **Ear infections** can also occur when people share their listening devices or don't properly maintain them. Earbuds and in-ear headphones may cause irritation and moisture build-up in the ear canal, which encourages bacterial growth and increases the risk of infections.
- **Tinnitus**, a ringing or buzzing in the ears, can occur. Its effects can be disruptive to daily life and aggravating in extreme cases. It's often a sign that the ears have had enough loud noise.
- **Ear Fatigue**. Yes, it's a thing. After long listening sessions, one's ears can feel tired, like they need a nap. Muffled sounds, sensitivity, or even mild pain are signs the ears need a break.

Tips For Sound Safety

- **Follow the 60/60 Rule:** Listen at no more than 60% volume for no more than 60 minutes at a time. Then, give your ears a breather for at least 10 minutes to reduce strain.
- **Go Noise-Canceling:** These headphones reduce background noise, so you don't have to turn things up to full blast.
- **Take Ear Breaks:** After a while, unplug and let your ears rest and recover. Silence is golden—and restorative.
- **Clean Your Gear:** Keep your devices clean. Wipe down your earbuds and headphones regularly to prevent infections. If you enjoy listening to audio while exercising or in humid conditions, opt for water-resistant earbuds to minimize the risk of moisture build-up.
- **Use Over-Ear Headphones:** They're usually safer than in-ear ones because they don't sit deep inside your ear canal.
- **Switch ears regularly** when using Bluetooth headsets to avoid constant exposure on one side.
- **Check Your Devices' Volume Limits:** Many phones let you set a max volume cap—use it!
- **Listen responsibly.** Pay attention to red flags like ringing, muffled hearing, or ear pain, so you know when you're overdoing it.
- **Loud is not allowed.** Even at parties and social events, keep the music at a level that makes civil conversation possible. Stay away from the speakers and amplifiers as much as possible.
- **Use Airplane Mode** when not using wireless functions like Bluetooth or Wi-Fi to reduce radiation exposure.
- **Avoid sleeping with wireless devices** in or near your ears.

Technology is awesome but you should care for your ears. The good news? Protecting it doesn't mean giving up music or taking calls in the ease of hands-free mode. It just means being a bit more mindful.

Faith's Proclamations of Healing & Health

In **Romans 10:10**, the Bible tells us why confession is so important; it says, **“For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.”** This means with your spirit you believe and are made right with God, but it’s your mouth that catapults you into salvation. Believing is where a lot of folks have stopped. They say, *“I believe, so I don’t understand why things are going wrong in my life.”* The problem is, there’s something you have that you haven’t used right—your mouth.

The Bible says, *“With the heart man believes unto righteousness...”* You’ve believed and have been made righteous, but that doesn’t mean you’ll enjoy the fruits of righteousness. Believing is not enough; you’ve got to use your mouth to enjoy the benefits of salvation.

CONFESSIONS

God’s Word is in my spirit; it energizes me for success and greatness and keeps me in perfect health. I live in health every day because my body is continually vitalized by the Spirit of God.

I am always exuberant with praise, I exude joy unspeakable, and I am full of glory because the Lord is my light and salvation. My joy is independent of circumstances, for it comes from my inner man.

The life of God in me has supplanted the human life that was susceptible to sickness and disease. My body and everything connected to me align with God’s provisions. Christ’s glory is manifested in my body as I flourish in divine health every day.

I am alive unto God, and I am dead to sin, sickness, disease, and any form of infirmity. There’s no death in my life, family, finances, business, or job because the One in me is greater. I am a life-giving spirit and everything I connect to receives life.

The life of God permeates my whole being. I flourish in health and walk in ever-increasing glory all my days. Everything that concerns me prospers. I’m born of God’s Word and His Spirit; therefore, supernatural health and strength are mine always.

I function with supernatural strength in my inner man. No infirmity can thrive in my body because Christ is my life. I live in Christ’s victory, glory, dominion, and righteousness every day.

The joy of the Lord is my strength. That joy produces laughter in my spirit, causing my health to bloom and flourish. Nothing can weigh me down. I know no depression or oppression because I am buoyed by the unspeakable joy overflowing in my heart.

My mind is stayed on God’s Word; therefore, He keeps me in perfect peace. By virtue of the divine life of Christ at work in me, I experience health, victory, and prosperity now and always, in Jesus’ Name. Amen.

Eternal life is at work in me; therefore, my body is alive and active. My immune system works excellently. I am in a place of dominion and authority, where I rule and reign victoriously over sickness, disease, and infirmity. Praise the Lord!

I enjoy God’s boundless grace; it empowers me to overcome all obstacles and overlook all lying vanities the adversary tries to put in my path. No weapon of evil, disease, sickness, or death fashioned against me can prosper because I am favored and graced.

God’s unfailing Word has brought me to a place of rest, strength, power, and dominion. Supernatural blessings, divine health, and prosperity are mine in abundance. I’m impregnable to pain, sickness, disease, or infirmity. Amen.

Thank You, Father, for making me an associate of the God-kind. I am conscious of the divine life that is at work in me, causing me to dwell in health every day.
