A HEALING STREAMS REPORT

YOU HAVE ALL THE POWER

“Behold I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you” (Luke 10:19).

Jesus gave us power over all the power of the enemy. The word translated as “power” here is from the Greek “exousia”, which means “authority” or “delegated power” over all the abilities of the enemy. It doesn’t matter how or through what means the devil tries to work; we have authority in the Name of Jesus over all of his power, and there’s nothing he can do about it.

God wants us to know the exceeding greatness of His power towards us who believe (Ephesians 1:19). This power that is directed towards us is the same power God demonstrated when He raised Christ from the dead and set Him at His right hand in the heavenly realms. When God directed His power towards Jesus to raise Him up from the dead, we were in Him; so we were raised up together with Christ on that great resurrection morning.

The Name of Jesus has power over every disease that the enemy may try to put on you. No matter what the disease is called, the Name of Jesus is greater and more powerful! God raised Jesus’ Name far above every name.

The Bible says, **“Wherefore God also hath highly exalted him, and given him a name which is above every name: that at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth” (Philippians 2:9-10).**

Cancer is a name. Malaria is a name. HIV is a name. Arthritis is a name. Whatever has a name is subject

to the Name of Jesus and as such, is subject to our authority as we use His Name. Thank God for that! If any sickness or disease is troubling your body today, I want you to know that you have sufficient power to deal with it in the Name of Jesus.

There is power in the Name of Jesus. His Name gives us absolute mastery over the devil and all sickness and infirmity. What God’s people need is to understand the power behind the Name and how to apply it. You can begin today to make demands in the Name of Jesus.

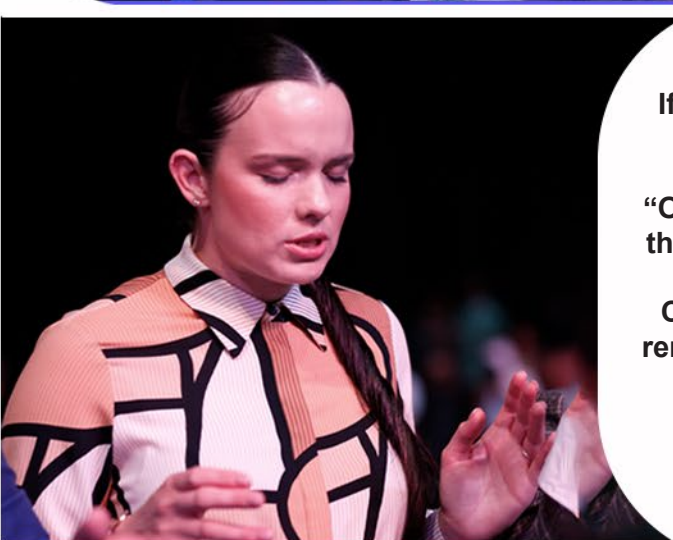

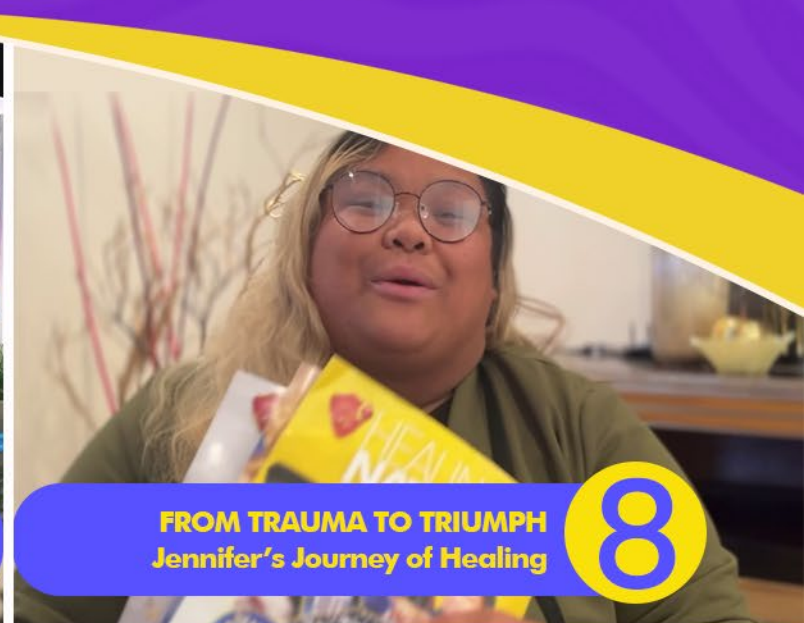

Talk to your body and tell it how you want it to function; it will comply! Remember that Jesus spoke to a tree, to the winds and the waves, and even to corpses, proving that everything has intelligence. Your body and the circumstances around you have intelligence, so speak to them today in the Name of Jesus!

The truth is, many sicknesses that people suffer from are caused by demons. If you’ve been suffering from a condition that has defied medical science, refuse to let it linger. You can and ought to cast that devil out in the Name of Jesus.

Remember, **“...these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover” (Mark 16:17-18).**

God's Time FOR LAVISH DEMONSTRATIONS OF POWER & LOVE

A REPORT ON THE MARCH 2025 HEALING STREAMS LIVE
HEALING SERVICES WITH PASTOR CHRIS

The world witnessed a phenomenon with the March 2025 edition of the Healing Streams Live Healing Services with Pastor Chris. From every country and territory across the globe, billions of people were united in their desire to experience the miraculous power of God.

One of the remarkable things about this glorious episode of the program is that it was the first in the year 2025, a period earmarked for the full preaching of the Gospel in all nations. It would be a sign of things to come as the Church of Jesus Christ works to expand the Kingdom of Heaven on earth.

Positioned For A Divine Appointment

Connected to the overflowing wellspring of hope that is the Healing Streams (online, via TV or radio, and at physical healing centers), all were positioned for an awesome three days of divine appointment.

The esteemed director of the Healing School—Pastor Deola Phillips—underscored this in her opening address. *“Right from the beginning of this program, living waters are coming to you; cleansing, restoring, refreshing, and revitalizing. Bringing the dead back to life and bringing health back to you. Let your heart be open to receive.”*

“God has you in mind. As big as this world is, He knows exactly where you are. He knows your name and the condition, and He is ready for you. Get ready to send in your testimonies because, now that we have started, the moment of all possibilities is in motion,” she enthused.

Remarkable Insights, Riveting Testimonies

Pastor Deola had daily discussions with esteemed senior ministers of the Healing School, and they all had remarkable insights and riveting testimonies to share with the global audience.

The esteemed Reverend Tom Amenkhienan talked about the flow of God's inimitable power in previous

editions of the Healing Streams and the transformation in the nations as a result. He concluded with this: *“During this edition, the power of God will flow through everyone who is connected, bringing healing and transformative power to all. Don’t despair. Don’t be discouraged. Healing is coming to you.”*

Buttressing this point, the esteemed Reverend Ray Okocha urged participants to get ready. *“This is your time. As a child of God, everything you desire already belongs to you. A wave of healing from here will cause a miracle in your body,”* he said.

Wrapping it up, esteemed Pastor Johan De Beer stated, *“You need to witness for yourself that Jesus Christ is the same yesterday, today, and forever. And when you have, testify!”*

Astounding Accounts of Lives Changed

These and several such discussions paved the way for even more inspiring testimonies. Testifiers from various countries came onstage to give astounding accounts of how the stories of their lives changed from misery to miracles and from trial to triumph.

When she was just three years old, **Evangeline from China** suffered an injury that left her right arm broken and bent. The intense pain and deep scars caused insecurities that forced her to cover her arms at all times, and she lived this way for 50 years. When she heard about the Healing Streams, she registered and participated.

As Pastor Chris ministered to the sick and hurting, Evangeline had a supernatural encounter: her right arm straightened, and she was free of all pain and limitations from that moment. Telling her story in the service, she testifies, *“The scars no longer itch and I can lift heavy objects now. I never thought it could happen, but it did. Thank you, Lord.”*

John from Colombia began experiencing severe pain in his groin, loss of appetite, and weight loss in 2020. After several tests, he was diagnosed with stage 4 prostate cancer, which had metastasized to his throat, lungs, and other parts of his body. He was told nothing could be done, and his condition worsened.

Death seemed inevitable until John’s granddaughter invited him to the October 2024 Healing Streams.

During the service, Pastor Chris and Pastor Benny prayed for John on the healing line and he was completely healed. Joyful and grateful, John says, *“I am completely changed. I’m energized. I feel new. I can walk again. I tell everyone, especially the elderly, to not lose faith. I lost mine once, and I was waiting to die, but this is a miracle for me.”*

Highlighting the purpose of sharing these testimonies with the world, the host of the testimonies segment, esteemed Evangelist Dr. Eddy Owase said, *“This is to show you that God’s power is real and relevant to our lives and circumstances today. Wherever you are, decide what you want. Whether you’re in a hospital bed or sitting in your car, today is your day! No force can stop you from receiving your miracle!”*

Moments of Deliverance and Discovery

The services were beautifully punctuated with moments of transcendent praise and worship to the Lord of hosts. The worship segments following the testimonies filled the air with glorious melodies and words of exaltation, gratitude, and anticipation.

As people all over the world glorified the Lord, the man of God, Pastor Chris, stepped into the arena. Full of compassion, he ministered to the sick. Issuing commands in the Name of Jesus, he dispelled demons of affliction and delivered people from infirmities and diseases that held them bound. Whether in the hall, on video conference, at healing centers, or watching privately, participants received healing instantly.

A REPORT ON THE MARCH 2025 HEALING STREAMS LIVE HEALING SERVICES WITH PASTOR CHRIS

Many had long-awaited these moments of supernatural visitation. As they followed Pastor Chris' instructions to do what they couldn't do before, they were elated to discover their miracles. The lame arose and walked, deaf ears were unstopped and became full of sound, dumb lips opened up in adoration to the Lord, and the dead came back to life!

20-Year Agony Ends in Healing

For 20 long years, Dmitry Hyon from South Korea endured excruciating pain caused by a severe spine condition affecting his cervical, thoracic, and lumbar regions. It all began when he lifted a heavy mortar while working at a construction company. That moment triggered years of suffering—most mornings, he struggled to get out of bed; some days, he crawled about to get things done; his chest often felt tight, and insomnia added to his distress. After years of treatment, his doctors eventually recommended surgery—an option Dmitry was reluctant to consider.

Everything changed when a friend introduced him to the Healing Streams. Determined, Dmitry journeyed from South Korea to Nigeria. When Pastor Chris took him by the hand and declared, "He's free," Dmitry felt the power of God surge through his body like a flash. He stood up—pain-free and overwhelmed with joy.

Since that day, Dmitry's life has been transformed.

The debilitating neck pain and spinal issues are gone, and he can now move freely. He testifies: "I can see clearly now that the headaches are gone.

The most important thing is that there is joy in my soul, it fills me. There are no more restrictions, and I can carry out my daily activities without difficulties. Thank you, Pastor Chris. I love you very much."

7 Important Things About Jesus

Following ministrations to the sick each day, Pastor Chris proceeded to impart God's Word as the audience paid rapt attention. Among various subjects, he elucidated the deity of Jesus.

With accounts from the Scriptures, he pointed out seven important things that help us understand the person of Jesus: His birth, life, death, resurrection, and ascension, the authority of His Name, and the claim of the Scriptures.

In conclusion, he said, "All religious leaders died and remained dead. Only Jesus Christ resurrected and ascended alive! And only His Name has all power! He told us to live in His Name and have power over the forces of nature, over the forces of darkness. He gave us His Name to live a victorious life. Even in His Name, your sins are forgiven because He was the only one who gave His life for you.

"Do you have an option? If you don't believe in Jesus Christ, what will you do about your sins? How will you contact God?"

Buttressing this with the Scripture in Acts 4:12, Pastor Chris called on those yet to be born again to believe in Jesus and receive salvation from Him. His words deeply resonated with the attendees, many of whom were moved to accept Christ in those moments.

An Unending Flow of Wonders & Miracles

As the epic March 2025 Live Healing Services came to a close, the man of God acknowledged hundreds of ministers and youths who had traveled from their countries to participate in the live studio audience. Together, they prayed fervently for the nations and the global congregation, releasing blessings upon all.

This edition will forever be etched in history as a transformative moment of breakthrough for many of God's people and a profound spiritual renaissance for the Church of God worldwide, leaving an enduring legacy of faith, hope, and love.

It's an unending flow of wonders and miracles. Start preparing now for the next edition of the Healing Streams Live Healing Services with Pastor Chris (Friday 25th to Sunday 27th of July 2025). FROM TRAUMA TO TRIUMPH

Jennifer's Journey of Healing

Five years ago, I was involved in a major car accident. I was driving at about 100 kilometers per hour on the highway, and my car hit a concrete barrier. It was totally wrecked, and I remember smoke billowing from the car as the airbags came at me. The doors wouldn't open, and I couldn't get out of the vehicle. I dialed 911, and the firefighters arrived and pried me out.

When they tried to put me on the ground, I collapsed because my legs could not carry my weight. It was shocking to me because I'd never experienced anything like that before. They put me in an ambulance and rushed me to the hospital. I was examined and had all the tests done. After that, the doctors told me I had nerve damage.

From that day on, I had tremors in my hands. My legs were swollen, and I was unable to walk properly. I couldn't hold anything. Being a music teacher and part of the media team, I couldn't play the keyboard or drums. Holding a glass of water or walking to the

bathroom were things I could no longer do. My parents had to help me walk and get to places. It was a tough time. It was physically and emotionally overwhelming.

I was told that I would never walk normally again, and physiotherapy was recommended. I went every week for almost a year. Each time, they would hook me up to machines and stretch my muscles. Still, the prognosis was the same. Nothing was changing.

Then, my mom said we should stop physiotherapy and put our faith to work. We had come in contact with the Healing to the Nations Magazine through the church. We'd heard and seen many testimonies of people healed with the magazine. Being in a similar situation, I was glad that we had access to it.

While I slept every night, my mom placed the magazines on my legs and arms and prayed. I started to regain strength. The tremors subsided until they stopped completely. Eventually, I started walking normally again, despite all prior contrary reports and

the offer to place me on crutches. I can climb the stairs myself now. I play the keyboard, drums, and guitar better than before. Everything I used to do before, I can do again. I am strengthened and energized. Glory to God!

This miracle has affected my life in so many ways. It has made me stronger and increased my faith. God is alive, and He has made me whole. Nothing is missing or broken in my life. I can use my hands now to heal the sick. I can walk to hospitals and preach the Gospel of Christ.

Thank you, Pastor Chris, for your ministry. Thank you for being all that God has called you to be. To the partners, thank you for giving. I am a testament to your seeds sown.

TOXIC ENERGY

The Dark Side of Coffee & Energy Drinks

Coffee and energy drinks have become a staple for millions worldwide, fueling long workdays, intense study sessions, and busy lifestyles. While they promise increased energy, focus, and productivity, the dangers of depending on these stimulants often go unnoticed. Let's take a close look.

THE CAFFEINE OVERLOAD

Coffee and energy drinks contain a lot of caffeine, a stimulant that affects the central nervous system. It can temporarily improve alertness but excessive intake can have severe consequences, including:

- **Increased heart rate and blood pressure** because caffeine forces the heart to work harder, thus increasing the risk of palpitations, high blood pressure, and even heart disease.
- **Sleep disruptions** as caffeine interferes with the body's natural sleep cycle, leading to insomnia, restlessness, and poor-quality sleep.
- **Addiction and dependence** can occur following regular consumption, leading to withdrawal symptoms such as headaches, irritability, and fatigue when not consumed.

THE PITFALLS OF ENERGY BOOSTS

Energy drinks are often marketed as a quick fix for fatigue but contain more than just caffeine. Many brands pack large amounts of sugar, artificial flavors, and other stimulants that amplify caffeine's effects.

Health risks of energy drinks include:

1. **Cardiovascular Problems:** Studies have linked energy drinks to an increased risk of heart attacks, arrhythmia, and high blood pressure.
2. **Neurological Effects:** High caffeine levels combined with other stimulants can trigger anxiety, panic attacks, and, in extreme cases, seizures.
3. **Blood Sugar Spikes and Crashes:** Many energy drinks contain excessive sugar, leading to a sudden energy boost followed by a sharp crash, increasing the risk of type 2 diabetes over time.
4. **Dehydration:** Energy drinks are diuretics, causing the body to lose fluids and electrolytes, which may lead to dehydration and muscle cramps.

EFFECTS ON MENTAL HEALTH

Excessive consumption of coffee and energy drinks can have serious effects on mental health. The

stimulating effects of caffeine may contribute to:

- **Anxiety and Jitters:** Caffeine overstimulates the nervous system, leading to heightened anxiety, nervousness, and difficulty concentrating.
- **Depression and Mood Swings:** The cycle of energy highs and crashes can contribute to mood instability, depression, and emotional exhaustion.
- **Cognitive Impairment:** While caffeine can improve short-term focus, long-term overuse has been linked to memory problems and difficulty retaining information.

WHO IS MOST AT RISK?

Certain individuals should be especially cautious with coffee and energy drink consumption, including:

- **Teenagers and Young Adults:** Energy drinks are heavily marketed to young people, increasing their risk of addiction and long-term health issues.
- **Pregnant Women:** High caffeine intake has been linked to pregnancy complications and developmental issues in unborn babies.
- **People with Heart Conditions:** Those with high blood pressure or a history of heart disease are at an even higher risk of complications.

HEALTHY ALTERNATIVES TO STAY ENERGIZED

- ✓ **Hydration:** Drinking enough water keeps the body and mind alert.
- ✓ **Balanced Diet:** Nutrient-rich foods such as whole grains, fruits, and proteins sustain energy.
- ✓ **Exercise:** Physical activity increases circulation and oxygen levels, naturally boosting energy.
- ✓ **Herbal Teas:** Green tea and ginseng offer a mild, healthier caffeine alternative.
- ✓ **Power Naps:** A short 20-minute nap can be more effective than a cup of coffee.

Most importantly, remember to refresh and invigorate your body with the Word of God. Speak in tongues and make bold confessions to activate divine energy within your body. **"Those who wait upon God get fresh strength. They spread their wings and soar like eagles, They run and don't get tired, they walk and don't lag behind"** (Isaiah 40:31 MSG).

FAITH'S PROCLAMATIONS OF HEALING & HEALTH

“And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover” (Mark 16:17-18).

It's important to note that this is not a promise but a statement of fact unveiling your true description. In other words, by your new birth, you're no longer subject to diseases and infections. You now have within you the overcoming life of God, and that life cannot be brought down by any infirmity. Back in the Old Testament, God told the children of Israel, “... the life of the flesh is in the blood...” (Leviticus 17:11).

However, the moment you're born again, your life no longer comes from your blood but from God and His Spirit dwelling in you. Therefore, live every day in the reality of who you are. You're no longer what you used to be. The life of God within you is greater than any infirmity. It is superior to the devil, demons, and all manner of diseases!

CONFESSIONS

Dear Father, I thank You for the efficacy of Your Word in my life. I am one with the Father, one with divinity. Health, wealth, prosperity, and success are my daily experiences because I live in the fullness of the blessings of the glorious Gospel of Christ.

I exercise my victory over Satan, the world, and its elements. I neutralize and extinguish the fiery darts of the adversary. I have eternal victory and dominion over sickness, disease, and death. The Word of God on my lips prevails in my life, in the Name of Jesus.

The Spirit of Him that raised Jesus from the dead dwells in me, and He makes my body alive. Therefore, I give no place to sickness, disease, or infirmity in my body! I repel the depravities and negativities of this world and their corrupting influences.

I continuously dwell in peace and divine health, and I experience God's grace in every area of my life. I walk in righteousness, and in my path, there is no sickness, infirmity, weakness, or death. The law of the Spirit of life in Christ Jesus has made me death-free.

My faith is the victory that overcomes the world. I am conscious of the life of God in me; therefore, no sickness, disease, or infirmity can thrive in my body.

I was translated from the realm of death into the realm of life. In my path, there is no darkness or shadow of turning because the God-life is inherent in me. I refuse to accommodate anything that is of death or darkness, for I live by the law of the Spirit of life.

I do not fear the diseases that strike in the dark or sudden disasters at noon, for the Lord is my shield and strength! A thousand may fall at my side and ten thousand at my right hand, but no evil shall come near me. I walk consistently in health and safety.

God's Word is truth, and everything it says about my health and my life is reality. My faith in the Word is unyielding. The Word produces health, strength, vitality, and all the blessings and provisions that it talks about in my life. Amen.

I am the righteousness of God in Christ Jesus, and I have the life of God in me. My spirit, soul, and body are vitalized through and through by the power and effect of righteousness and the fullness of the God-life that I have received through the Gospel.

I live above the limitations of the human body and the physical realm through the ability of God's Spirit. Health, peace, joy, and the glory-life are mine now.
