THE PROOF OF God's LOVE FOR YOU

"When he was come down from the mountain, great multitudes followed him. And, behold, there came a leper and worshipped him, saying, Lord, if thou wilt, thou canst make me clean. And Jesus put forth his hand, and touched him, saying, I will; be thou clean. And immediately his leprosy was cleansed" (Matthew 8:1-3).

Lepers were outcasts in society. In fact, the law forbade anyone to touch a leper. Think about it: the last time the man felt the comforting touch of another human being was before he became leprous, and that could have been many years before he met Jesus.

Everyone walked past him very quickly outside the city gates and tossed food to him like a dog. If people had known he was leprous as he made his way to Jesus, they would have stoned him to death. What a lonely and uncaring world he must have been living in. But when he came to Jesus, he knew it was time for his healing.

He felt loved because Jesus was the first person to touch him in his condition, and that touch brought healing to his body. He had never known love, but when Jesus touched and spoke to him, he knew God not only wanted him well but loved him as well.

God loves you. He gave His Son Jesus on the Cross as proof of His love for you. There is no sickness or disease in your life today that you are supposed to suffer. God anointed Jesus, and when He walked the face of this earth, He went about doing good and healing those who were oppressed of the devil (Acts 10:38).

Jeremiah 30:17 says, **"For I will restore health unto thee, and I will heal thee of thy wounds, saith the Lord…"** No matter what the case is—whether it's blindness, dumbness, cancer, or diabetes—God wants to heal you. He is telling you that it's time for your healing. He will bring health to your body.

How beautiful it is to hear such a wonderful message from the Creator of the Universe. Many years after Christ's crucifixion, burial, and resurrection, we can still call on His Name and get results.

Thank God that we can make contact with the Lord through the Name of Jesus Christ today. Thank God for miracles! Jesus is alive and well. He is the same yesterday, today, and forever.

The miracles of the Bible are still being witnessed today because Jesus hasn't changed. He died, but God raised Him from the dead and showed Him alive to many; and then He ascended into heaven. Today, He is with us through the Holy Spirit, touching our lives and blessing us in a very special way.

Jesus Christ was manifested to destroy the works of the devil (1 John 3:8). The devil has been defeated; his works have been paralyzed, and the victory is yours. It makes no difference where you need healing in your body; the Lord has healed others in the same condition as yours. Today, He'll do the same and more for you. Even if your case was the first of its kind and He never healed anyone of it before, you'll be the first!

"O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is the Son of the Living God. I believe that God raised Him from the dead and I confess that Jesus Christ is the Lord of my life from today. I receive, by faith, remission of sins for my soul. Right now, in the Name of the Lord Jesus Christ, I receive eternal life into my spirit. I am born again!"

SCAN TO WATCH HEALING STREAMS HIGHLIGHTS AND OTHER TESTIMONIES

The Healing Streams Live Healing Services with Pastor Chris is a wonder that blesses nations and continents. During every edition, the sick receive healing, the despondent find hope and have reasons to believe again, and many get new beginnings. The Live Healing Services are unrestrained outpourings of God's abundant grace and lavish love. This was the daily experience at the last edition that was held in July 2026.

Melodious Oblations and Moments of Expectation

From the opening moments, the atmosphere was filled with praise and worship. Across all connected locations, choruses of heavenly songs were offered to the Lord.

Following these melodious oblations, the Executive Minister of Healing, Health, and Social Services, Pastor Deola Phillips, stirred faith in the global congregation, spurring them to participate in every segment.

She said, *"Faith to heal begins with expectation. Believe that by the end of this program, there will be a change. As we pray, pray with us. As we worship, worship with us. Every word is your word, and every moment is your moment. Get ready for your testimony. Today is your day."*

Praise Reports and Sublime Exhortations

Senior Healing School ministers engaged the global audience with riveting discussions of the impact of the Healing Streams, sharing powerful testimonies and exhorting all to get ready for miraculous experiences.

LOVEWORLD SINGERS

PASTOR DEOLA PHILLIPS

"Don't stop believing." "Put your faith to work and you will come back with a testimony." "Your expectations will not be cut off because the Lord will do exceeding, abundantly above all you can ask or think." "God loves you and He wants you well."

These and several other truths about God's love for mankind were reiterated over and over during these insightful conversations. For many, these moments dispelled doubts and placed them in a disposition to obtain and retain their miracles.

Stories of Supernatural Encounters

The special testimony segments featured men, women, and children from several nations who recounted their tales of tremendous triumphs over sickness and death through contact with the healing ministry of Pastor Chris.

It was also a celebration of extraordinary miracles as several testifiers shared their stories of supernatural encounters during previous editions of the Healing Streams that rewrote their destinies and changed their lives and the lives of all those around them forever.

The enthralling testimonies witnessed during the program imparted grace to the hearers. People everywhere took steps of faith and were soon declaring their own testimonies.

Explications and Divine Demonstrations

With hearts ready to receive and faith stirred up, excitement peaked when the man of God, Pastor Chris, arrived. Teaching from the Scriptures, he revealed God's plan of health for all. He reassured the expectant global audience of God's readiness to heal, declaring that divine power was abundantly available for everyone connected.

"There's more than enough power to help you today. Jesus gave us power to cure all kinds of sickness and disease. He gave us authority to cast out demons. It doesn't matter where you are in the nations of the world, there is more than enough power to help you. He is here in His glory, and He hears every prayer.

The man of God explicated further on the believer's rights through the gift of righteousness, emphasizing the Christian's authority to live in divine health and victory, as well as the immeasurable impact of sharing the Gospel of Jesus Christ in every place, including its beneficial impact on society.

Soon after these teachings, Pastor Chris ministered to the sick with compassionate authority. Regardless of location, mode of participation, or health condition, all in attendance experienced the extraordinary flow of God's healing power, which worked wonders beyond measure.

Many were set free from years of pain and limitation. Now, the maimed are restored, the blind see, the deaf hear, the lame walk, chronic pains have vanished, and the dead have come back to life. The worldwide jubilation is endless.

Now, You Get Ready!

This month, from Friday, October 23 to Sunday, October 25, 2026, the Healing Streams Live Healing Services will return. It's another opportunity to celebrate the love of God and bring healing to your world. Get ready for an amazing time of elevated faith, inspiration, and miracles. God bless you.

Sickness Gone, Life Restored

Emem from Nigeria began noticing strange marks on her body in 2019. Soon, sleepless nights were followed by devastating diagnoses: kidney failure, candidiasis, cryptococcal meningitis, and HIV. Her condition deteriorated until she could no longer speak, walk, eat, or drink. Emaciated and vomiting blood, she endured three months in the hospital and twice came close to death.

Then, her sister connected to the Healing Streams and placed the phone beside her ear. As Pastor Chris ministered, he declared, “You will not die. You will live.” Suddenly, Emem opened her eyes and asked for food! She ate, walked, and spoke again. Today, she is healthy, strong, and full of life!

Raised Back to Life!

Pastor Deepa felt tingling and numbness in her hands in 2016. A year later, she struggled to grasp objects, clap, and carry out simple tasks. This was accompanied by severe back pain that kept her awake and occasionally sent her to the emergency room. As the numbness spread, walking became painful, and she became too weak to stand upright. An MRI revealed a tumor on her spine. Doctors recommended surgery, warning that she could become paralyzed without it. After the surgery, she appeared to be recovering well. Six days later, however, she collapsed. A team of doctors rushed in and did all they could to revive her for about 25 minutes. Then, they declared her dead.

Refusing to give up, her husband played a Healing Streams broadcast beside her. Miraculously, she came back to life! Today, Pastor Deepa is alive and well. Glory to God!

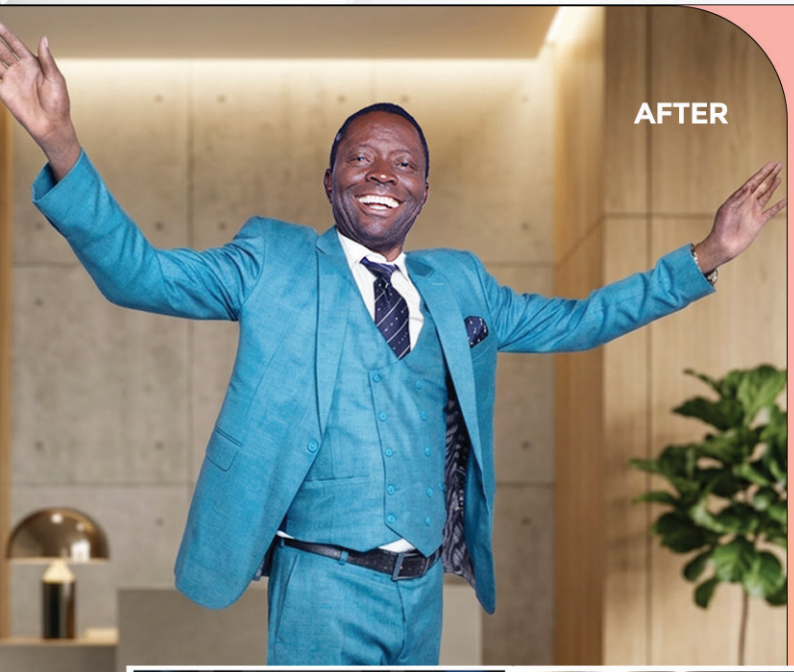

Leg Length Discrepancy Healed

Veska from the United Kingdom survived a terrible car crash in 1988 that killed both of her parents and left her with a broken femur. After six days in a coma and undergoing surgery, she discovered that one leg was 4.5 centimeters shorter than the other. The imbalance affected her posture and caused years of chronic back and leg pain. For more than three decades, custom-fitted shoes helped her balance but never stopped the pain.

In 2022, Veska participated in the Healing Streams from a healing center in Belfast. Then, Pastor Chris ministered, and he mentioned someone had been healed of an accident injury. Veska knew the word was for her and received her healing. She checked her legs and discovered they were exactly equal! Today, she walks and runs without special shoes, pain, or stiffness. Grateful, she celebrates the healing that transformed her life.

Healed of Hansen's Disease

Frederick from Nigeria developed rashes and bumps on his body in 2014. By 2018, he was experiencing recurring high fever and, during severe episodes, he required blood transfusions. After several hospital visits, he was diagnosed with Hansen's disease, also known as leprosy. His condition worsened, and he was confined to a wheelchair, with deteriorating eyesight and stiff fingers. Frederick's healing came during the Healing Streams as Pastor Chris ministered to him. He rose and walked unaided, his lesions cleared, and his skin was restored to perfection!

A GLOBAL WAVE OF HEALING & SALVATION

There are moments when a city feels different. The atmosphere is charged with expectation. People gather with questions in their hearts and hope in their eyes. In these moments, the Name of Jesus is proclaimed, and lives never remain the same. This is the story of the Healing Streams Crusades.

Expressing the Global Mandate

Across nations and territories, the Church is taking the message of salvation and divine healing beyond conventional walls and into streets, communities, city centers, open fields, stadiums, and halls. These crusades have become powerful expressions of the global mandate to take the Gospel to everyone and leave no one behind.

The Healing Streams Crusades are strategic outreaches into the heart of communities. Ministers of the Gospel, youth, ambassadors, and partners have taken up the assignment to reach their worlds. The results have been remarkable.

Praise Reports from Crusades in Ecuador

In Ecuador, Pastor Galo Trelo hosted a remarkable Healing Streams Crusade on the streets of El Triunfo. With more than 7,000 people in attendance, the Gospel reached deep and filled the land with faith. Over 2,000 people gave their lives to Christ and more than 400 people received healing. Beyond the crusade ground, Pastor Galo has victory reports of continuing impact in hospitals, government circles, and more.

Perhaps the most moving part of these crusades is the testimony of those who receive the miracles they come for. Among them was 45-year-old Sarah, who suffered persistent tooth discomfort after surgery and severe knee stiffness that affected her daily activities. After receiving her healing, she can now bend her knees and walk with ease, and the discomfort is gone!

The Harvest Is Calling

There are still more people to reach: communities waiting for someone to bring them the message and people who need to know that Jesus is still the answer. As we prepare for another edition of the Healing Streams Live Healing Services with Pastor Chris, take up the challenge.

CANCEROUS SORE HEALED – Esterlin from Nicaragua

In February 2025, Esterlin from Nicaragua felt intense itching on his back. After repeatedly scratching the area, he noticed a small swelling, which soon developed into a painful wound. Troubled, he visited the hospital and was given medication to combat the pain.

Over time, the wound grew larger, forcing Esterlin to return to the hospital. Several tests and biopsies later, he was diagnosed with skin cancer and chronic back ulcer. The severity of the wound was such that even surgery was not a sure alternative for treatment.

For weeks, he was placed on admission at the hospital for extensive care. During this period, a group of ministers visited him. It was a time that would spark a miracle for Esterlin. They interceded on his behalf and encouraged him with the Word through the Healing to the Nations Magazine.

Esterlin was already familiar with the healing ministry of Pastor Chris and had been an active distributor of the magazine, using it to invite people to the Healing Streams. In that state, he held on to the same message of healing he had shared with others.

"After the ministers left, I prayed for myself with the Healing to the Nations Magazine and reminded God that I have been a minister of healing to others; now, it's time for me to be healed! That prayer with the magazine changed my life, and I was assured that my healing was on the way," he says.

After several weeks of treatment, Esterlin was discharged to continue his care at home. Every day, he anchored his faith on God's power at work in the Healing to the Nations Magazine, studying it voraciously and declaring the confessions of healing and health.

Miraculously, Esterlin received his healing and testifies thus: *"One day, while studying the magazine, I noticed that something left me. The fear of the condition, the pain—everything left, and I knew I had been healed!"*

From that moment, the wound began to shrink until it closed completely. Esterlin is free from all struggles! Glory to God!

YOUR PLATE NEEDS MORE COLORS:

Why Variety Matters at Mealtimes

Scan here to watch documentaries on health

Healthy eating is often associated with balanced portions, nutritious choices, and knowing which foods to include or reduce. But there is a simpler way to ascertain food quality: color. The vibrant hues of fruits and vegetables come from different natural plant compounds, alongside a range of vitamins, minerals, and other nutrients. Adding a variety of colors to your plate will help increase the nutritional value of your meals without complicating your commitment to healthy eating.

BENEFITS ALONG THE FOOD COLOR WHEEL

Red for Heart Health & Cell Protection

Tomatoes, watermelons, red peppers, strawberries, and apples provide lycopene, vitamin C, and other antioxidants. These help protect cells from oxidative stress and support heart health.

- **Easy additions:** Fresh tomatoes in salads | watermelon as a snack | red peppers included in stir-fries and sauces.

Orange & Yellow for Immunity and Eye Health

Carrots, pumpkin, sweet potatoes, oranges, mangoes, and yellow peppers are rich in vitamin C, carotenoids that the body can convert to vitamin A, and other nutrients that support healthy vision and immune function.

- **Easy additions:** Grated carrots in salads | mango slices for snack time | roasted pumpkin and sweet potato meals.

Green for Everyday Nutrients

Spinach, broccoli, kale, cucumber, and most leafy greens provide fiber, iron, calcium, magnesium, potassium, and vitamins A, B, C, & K. These support healthy digestion, strong bones and teeth, cell oxygenation, blood pressure, fluid balance, etc.

- **Easy additions:** Add spinach to eggs or smoothies | broccoli—steamed or roasted | cucumber slices as a snack or in a fresh salad.

Blue & Purple for Antioxidants

Blueberries, blackberries, purple cabbage, and eggplants get their deep colors from anthocyanins which provide powerful antioxidant and anti-inflammatory benefits. They also provide fiber, vitamins, and minerals that support heart and brain health and protect against cell damage.

- **Easy additions:** Add blueberries or blackberries to oatmeal, mix purple cabbage into salads or slaws, or enjoy roasted eggplant with a meal.

White & Brown for Heart, Gut & Bone Support

Garlic, onions, cauliflower, mushrooms, beans, oats, brown rice, nuts, and seeds provide fiber, prebiotic compounds, vitamins B & C, potassium, magnesium, manganese, and selenium, all of which support digestive, heart, and bone health and immunity.

- **Easy additions:** Add garlic and onions to sauces | swap refined grains for brown rice or oats | nuts or seeds in salads and meals.

BOTTOM LINE: MAKE EVERY MEAL MORE COLORFUL

Making your meals more colorful doesn't have to be complicated; just add a little more color wherever you can. Mix extra fruits and vegetables into familiar meals, brighten up your snacks, build rainbow bowls, and shop for a variety of colors each week. You don't need a picture-perfect plate; simply aim for more variety, more color, and more nourishing goodness in every meal.

FAITH'S PROCLAMATIONS OF HEALING & HEALTH

"For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation" (Romans 10:10).

The Name of Jesus has power over every disease that the enemy may try to put on you. No matter what the disease is called, the Name of Jesus is greater and more powerful! God exalted the Name "Jesus" far above every name (Philippians 2:9–10).

Cancer is a name. Malaria is a name. HIV is a name. Arthritis is a name. Whatever has a name is subject to the Name of Jesus and, as such, is subject to our authority as we use His Name. If any disease is troubling your body today, know that you have sufficient power to deal with it in the Name of Jesus.

CONFESSIONS

I am born again, not of corruptible seed, but of the incorruptible Word of God, which lives and abides forever! It gives perfect health to all my flesh. As long as I am in this world, the Word of God will build, restore, and preserve my body in perfect condition. Blessed be God!

I refuse to be subject to the elements of this world because the Greater One lives in me. My body is daily strengthened and vitalized by that same Spirit which raised Jesus from the dead. Divine life, health, and strength are at work in me today and forever, in Jesus' Name.

I have been catapulted into God's Kingdom of light and life, where only divinity, success, victory, joy, peace, prosperity, and divine health reign. There are no accidents or mishaps in my path, for I walk in preordained pathways of life and divine blessings! I triumph gloriously in Christ.

I am full of faith and power. With this power, I heal the sick, cleanse the lepers, raise the dead, cast out devils, and do mighty works for the Lord. No disease or sickness will come near me or my loved ones. We are protected and divinely preserved.
