# SOMETHING SPECIAL FOR YOU

**“And many other signs truly did Jesus in the presence of his disciples which are not written in this book: but these are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name” (John 20:30-31).**

A miracle is the supernatural occurrence or intervention of God that transcends human or logical reasoning. At different times, people need these supernatural manifestations. When there's no way out, when medical science gives up on a case, or when human reasoning offers no hope, a miracle is required.

The Bible says, **“How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him” (Acts 10:38).** Jesus went about doing good and healing all that were oppressed of the devil; not some, but all! If He healed all that were sick back then in Bible days, He still does so today because He hasn't changed. He's the same yesterday, today, and forever.

It doesn't matter what problems you may be facing today, one thing is sure: God still performs miracles and you can call on Him today!

The Bible says in **Acts 19:11-12** that **“...God wrought special miracles by the hands of Paul: so that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them.”**

Miracles are recorded for us in the Scriptures so that we might have faith in the power of a living, resurrected Christ. In **John 20:30-31**, the Bible says, **“And many other signs truly did Jesus in the presence of his disciples which are not written in this book: but these are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name.”**

In other words, miracles testify to the deity of Jesus. How else can we prove the reality of God's presence in His Church? It's the manifestation of His miraculous power in people's lives that removes Christianity from the realm of religion.

The healing miracles performed in our ministry are done through the power in the Name of Jesus Christ, the Son of the living God. He was crucified over 2,000 years ago, but God raised Him from the dead. He's alive today in power and present with us through the Holy Spirit.

In the Healing to the Nations Magazine, you see inspiring stories of everyday men and women like you, who came to God in simple faith and had their destinies changed. Through these testimonies, you see the reality of the power of our resurrected Lord and Savior, Jesus Christ. Let this encourage you, bring you hope, stir up your faith, and help you get ready for your miracle.

God wants you well. He said in **3 John 1:2**, **“Beloved I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.”** He desires your well-being: spirit, soul, and body. He wants to bless you and those around you. No matter who you are and what you may be facing in this life, God has something special for you this season.

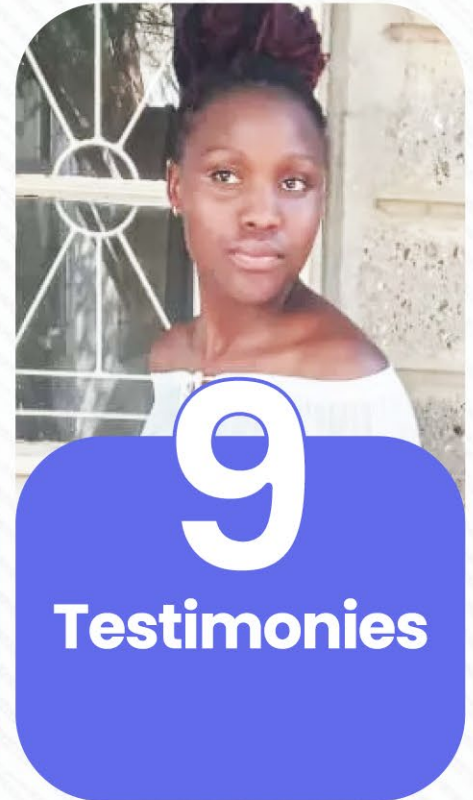

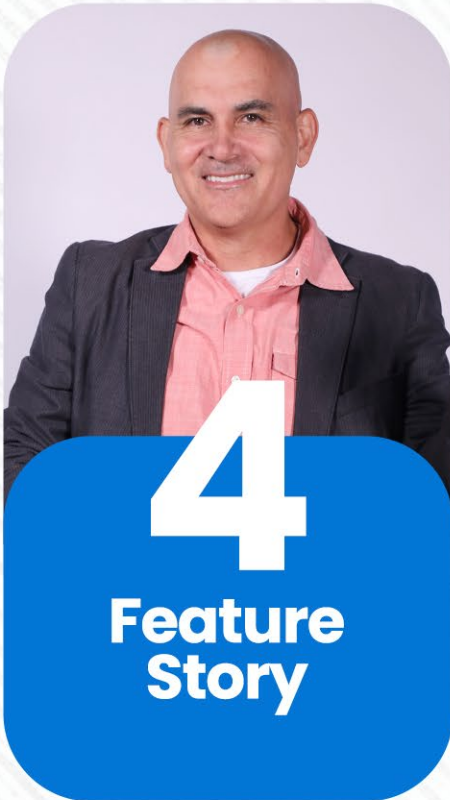

You may be sick and think there's no hope for you, but open up your heart to the Word of God. As you go through this magazine, let the Holy Spirit touch you right where you are because the power of the Lord is mightily present to heal. As you read, believe and receive your miracle.

# NOW, I AM PERFECT!

~ Quintero Luiz Testifies

Quintero Luiz has a remarkable tale of his transformative encounter at the Healing Streams Live Healing Services with Pastor Chris. The 54-year-old Colombian had a perfectly normal and lovely life as a husband and father. He was in good shape and had no cause to worry. All was well, and he was even making arrangements to relocate his family to the United States of America, a dream he had nurtured for years.

As was his practice, he made an appointment with his general practitioner for an annual medical checkup. This time, however, the result wouldn't be the clean bill of health he anticipated.

*"During my visit to the hospital in 2023, one of the scans revealed that I had stones in my gallbladder. Additionally, the doctors discovered nodules in my lungs that were 4.6 millimeters thick, and the mass could become cancerous if left untreated. I got worried because I had a lot to deal with already," he begins.*

Following the news, the burden of Quintero's condition weighed on him as he lived each day with growing dismay about what could happen to him. His thoughts were preoccupied with contemplations of how bad things could become and what would hurt him the most. *"I thought it was my time to die because I was uncertain what the outcome would be," he says.*

Quintero's distress increased when the symptoms started to show. There was severe pain in his back and stomach, fatigue, weight loss, and a persistent cough. As time went on, these worsened. He received medications to treat the symptoms, but the respite was short-term.

This condition affected Quintero's work as a systems engineer and his performance on the job began to decline. He became more and more reliant on medications, yet the pain and discomfort persisted. The anxiety from dealing with this illness shadowed everything in his life with misery.

When the pain became very severe, the doctors recommended surgery to excise the growth in Quintero's lung and take out the gallstones. Desperate for life to return to normal so he could keep caring for his family, he agreed, and a date was fixed. Thoughts of what could go wrong in an operation worried him, but the alternative was worse. So, he waited for the scheduled date, anxious and anguished. It was in this wait that light and hope came to Quintero with news of the March 2024 Healing Streams Live Healing Services.

"I knew that God had a plan for me when I heard about the Healing Streams. My nephew invited me to their church, which was a healing center. As a person who believes in miracles, I attended the program knowing that all things are possible with God," Quintero declares.

Describing his peculiar encounter at the healing services, he reminisces: "I was thousands of kilometers away from Nigeria, where the Healing Streams was holding, but I knew that distance wouldn't be a barrier to my miracle. I had never been in a meeting that's more than two hours without sleeping. But at the healing service, many hours went by and my eyes were wide open, taking in all the blessings from every segment.

"I saw all kinds of healing and I was amazed. I saw people drop their walking aids as they demonstrated their miracles and I was even more inspired. These miracles affirmed to me that God's uncommon grace was present at the Healing Streams and that I would be healed, too."

The Healing Streams was a divine visitation that turned Quintero's life around. As instructed by Pastor Chris, Quintero placed his hands on his body, while the man of God ministered healing to people connected globally. The power of the Holy Spirit went through his body at that moment, and Quintero knew that all his problems had vanished. Gallstones, lung nodules, the cough, and every debilitating symptom and form of weakness disappeared from his body permanently.

"I was to travel to the United States three days after the Healing Streams. Before the trip, I went back to the hospital to do a scan. The results came back all clear! The gallstones had disappeared! Three months later, I did the test to check for the nodules in my lung and they were gone! Now, I am perfect! All the pains in my body are no more. I sleep very well now. My life is easier and more pleasant than ever. And I am free from all thoughts of death," he testifies.

**I went back to the hospital to do a scan. The results came back all clear! The gallstones had disappeared! Three months later, I did the test to check for the nodules in my lung and they were gone! Now, I am perfect!**

Quintero's healing miracle is an experience that changed his life forever. Joyfully sharing his testimony months after, at a recent edition of the Healing Streams, he bears witness to the great things the Lord has done. "I am closer to God now than I ever was. My life has indeed been from glory to glory," he said.

Wrapping up his glorious tale on that occasion, he gave a special message. To Pastor Chris, he said, "Thank you for the work you're doing, making the Gospel reach many people around the world. May God bless you and your ministry." His words for anyone trusting the Lord for a miracle: "Believe in the power of God. Distance is not a barrier. Have faith in God and you will be healed where you are by His grace."

# Prepared for AN EXTRAORDINARY HEALING CRUSADE

**T**he Healing Streams Live Healing Services with Pastor Chris will be held this month, from Friday the 25th to Sunday the 27th of October 2024. Without a doubt, it will be a most phenomenal episode of miracles, signs, and wonders.

A dispensation of God's Word and great grace, the Healing Streams have lavishly displayed the Father's love and ushered many into seasons of joy, laughter, and unending celebration. Every part of every healing service is a ministration of the Holy Spirit, so the miracles begin from the very start.

The prayers inspire gratitude to the Lord for the marvelous works He has done and the mighty works He will do in many more lives. As all worship and are uplifted by the lyrics and melodies of heavenly songs, one's heart is open in submission to the will and dominion of God Almighty. The testimonies and impact reports bear proof of the infallible integrity of God's Word that we preach; they also build anticipation and faith for extraordinary encounters.

When the man of God – Pastor Chris – arrives, God's liquid love overflows through every exhortation with the Word, every declaration of life and health to the sick, and every proclamation of liberty to the oppressed. The result is an avalanche of miracles that cascades into homes, hospitals, offices, shops, palaces, and every place where people are connected to the Healing Streams.

## **Healed of Diabetes**

Abdullah, a minister of the Gospel from Jordan had just returned home from a mission trip when he suddenly felt exhausted and dizzy. His strength waned and he collapsed. His panicked wife called an ambulance and had him rushed to the hospital. Diagnosed with type 1 diabetes, the evangelist was discharged with a heavy regimen of medications. Faced with constant fatigue, a restrictive diet, and frequent hospital visits, his body grew thin and tired.

His situation was reversed when a friend introduced him to the Healing Streams. Abdullah narrates: *"When the man of God ministered to me on the screen, I felt an immediate surge of power and energy in my body. Gradually, my strength returned. Not only was I healed, but I also received the grace to minister healing to others. Since then, God has used me to heal people with various health challenges."*

## Ten Years of Pain Become History

Juana from Paraguay suffered from severe knee pain for over ten years. This affected everything in her life. It was difficult for her to walk long distances, hop on a bus, or even bend. Over the years, the pain worsened, until it affected her sleep and her performance at work and at home.

Juana's daughter introduced her to the Healing Streams Live Healing Services and helped her register. As the man of God ministered to her during the program, she felt God's power surge through her body, and her legs received strength. She stood, realizing the pain had completely vanished. Now, she can move without pain or difficulty. Glory to God!

Even more, it is a privilege to witness and contribute to the countless lives being transformed through Healing Streams programs. Every testimony I hear brings tears of joy and fills my heart with gratitude. ## Victory Over Death

Abigail Taifa

We participated in the July 2024 Healing Streams Live Healing Services, and the grand finale on the third day was a unique experience as Pastor Chris prayed for families.

Later that night, while my daughter – Abigail – was preparing dinner, she suddenly became very tired and asked her brother to continue. When he was done, Abigail got up to set the table. As she was bringing the food to the table, she stopped and the plate in her right hand crashed to the floor. I jumped up from my seat and grabbed her left hand. Before I could ask what was wrong, she smiled and slipped to the floor, unconscious.

I called her brother, who helped me move her close to the window so she could get more air. But by the time we set her down, she wasn't breathing anymore and her head dropped. She was dead.

We started declaring God's Word, speaking in tongues, and calling out her name. I remembered the Healing to the Nations Magazine, so I got two copies and placed them on her chest and stomach. The praying continued for about ten more minutes. Then, suddenly, Abigail coughed and opened her eyes.

Our home was filled with thanksgiving that night and we praised the Lord for the miracle that had just happened. We ate our meal happily and all went to bed. The next day, Abigail woke up refreshed and full of energy. She went to school and returned, hale and hearty.

I have heard testimonies of people being raised back to life with the Healing to the Nations Magazine. This time, it happened in my home. My joy knows no bounds. Glory to God!

About a month before this miracle, my wife fractured her leg in a fall and still hadn't recovered. I encouraged her to place the magazine on her leg and proclaim healing. That same night, she testified that she saw Pastor Chris smile at her in her dream. The following morning, the pain disappeared and the fracture was healed. It's been a stream of testimonies in my home.

I thank the man of God, Pastor Chris, for answering the call to ministry and for the huge blessing of the Healing to the Nations Magazine. Thank God for the gift of the Healing to the Nations Magazine.

**E**ver notice how you breathe easier and feel calmer after time in a garden? It's the plants at work! They act as natural air purifiers that filter out toxins and trap dust and germs, thus boosting well-being and creating a healthier living environment. Whether you live in a city apartment or suburban home, you can enjoy these benefits indoors with your choice of houseplants.

We've listed some examples of plants that are easy to obtain and maintain. They'll surely help you breathe easier and make you feel good about your space. Enjoy.

- 🌀 **Rubber plants** (*Ficus elastica*) are popular houseplants known for their large, glossy leaves and air-purifying abilities that effectively remove toxins like formaldehyde. They are low-maintenance and perfect indoors, needing only indirect sunlight and moderate watering. Keep them out of reach of pets due to their toxic sap.
- 🌀 **The spider plant** (*Chlorophytum comosum*), also called the airplane plant, is a resilient and attractive houseplant with arching, striped leaves and small, spider-like offshoots. It excels at removing toxins like formaldehyde and carbon monoxide from the air. Easy to care for, the spider plant flourishes in various light conditions and does well with only occasional watering. They are non-toxic to pets, making them a safe and effective choice.
- 🌀 **Snake plants** (*Sansevieria trifasciata*), also known as Mother-in-Law's Tongue, are hardy houseplants known for their striking, upright leaves. This plant removes toxins such as formaldehyde, benzene, toluene, and xylene. Taking care of this plant involves minimal watering and low-light conditions. They are great for bedrooms, as they release more oxygen at night and improve sleep quality.
- 🌀 **Pineapple plants** (*Ananas comosus*) are tropical beauties that bring a touch of the exotic to indoor spaces, while cleaning the air and improving the quality of the atmosphere. Indoors, this plant will not grow enough to produce fruit. However, its spiky, ornamental leaves and vibrant appearance make it a striking addition to home decor. Pineapple plants thrive in bright, indirect light and require minimal watering.
- 🌀 **Chrysanthemums**, also known as mums, are vibrant, colorful houseplants that enhance any room décor effortlessly. They are excellent air filters that effectively remove toxins like benzene and ammonia from the environment. Water regularly to keep the soil moist and place them on window sills and balconies to ensure access to full sunlight.
- 🌀 **The English Ivy** (*Hedera helix*) is a versatile, fast-growing vine known for its ability to cleanse the air by removing contaminants like formaldehyde and fecal particles. It thrives in low to moderate light and can be grown in containers, making it ideal for bathrooms. It also helps reduce mold levels, thus enhancing indoor air quality.
- 🌀 **The Broad Lady Palm** (*Rhapis excelsa*) is a lush, tropical plant that excels at eliminating ammonia and other toxins in the air. Humid environments and low light are good for this plant, making it perfect for bathrooms or shaded areas. Its elegant, fan-like fronds add a touch of sophistication to indoor spaces.

**Y**our tongue is that small helm and you're the captain. If it seems like your life is headed for the rocks, and it looks like everything is getting darker, God is saying *“Use your tongue to change the direction”* because you can!

Jesus said, **“If ye have faith as a grain of mustard seed, ye shall SAY unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you” (Matthew 17:20).** If a problem shows up in your body, speak faith-filled words to it! Don't speak contrary words. Instead, declare God's Word of healing and divine health in Christ Jesus. When you speak words of faith, anything is possible!

## CONFESSIONS

I am deeply rooted and grounded in the Word; therefore, I am immune to the failures, sicknesses, and defects in the world. I have authority over the elements of this world and I exercise dominion over my body.

All things are mine. I have a healthy, prosperous, and vibrant life. Christ has taken His abode in the quarters of my heart, so I have nothing to fear. I have no fear of the future and no fear of the dark or unknown because Christ is my assurance for a glorious life.

God's power is activated in me, causing His glory in my Spirit to impact my physical body and produce health, strength, and vitality. I walk in victory today and experience success in all that I do. Hallelujah!

Today, I go forth in God's glory, righteousness, peace, and joy. There is no place for depression, weakness, and sadness in my life. I go from strength to strength, from health to health, and from victory to victory. Amen.

God has empowered me to do great wonders and miracles, and to effect positive changes in my world. My health, family, and finances are evidence that Jesus is alive and His mercy endures forever. I enjoy God's boundless grace continuously.

I am strong in the Lord and the power of His might. I carry within me God's divine presence to influence and affect my world, establishing healing and health to the sick, and revealing the victorious life in Christ to people everywhere.

I am a doer of the Word and not a hearer only. I am blessed forever, living transcendentally over and above diseases, infections, and the demons of darkness. I live in Christ's environment where divinity reigns.

The power of God perambulates every inch of my body, vitalizing it and making it impregnable to disease and infirmity. The Holy Ghost lives in me; therefore, I have the dynamic ability to effect changes! Hallelujah!

The Lord has given me dominion over the flesh and the will to guard my heart and mind with excellence. No unwholesome thoughts can take root in my heart because my spirit, mind, and body are daily transformed and purified by God's Word.

My body was fashioned for the Lord's presence. It is the temple of the Holy Spirit. Therefore, sickness, disease, and anything that hurts or binds have no place here. I live in the ageless, fearless, and deathless zone.

The law of the Spirit of life in Christ Jesus has made me free from death and the law of sin! I walk in this glorious liberty and enjoy the blessings of salvation, which are peace and joy everlasting. Amen.
